Joshua Swamidass,2019-12-10 What if the biblical creation account is true with the origins of Adam and Eve taking place alongside evolution Building on well established but overlooked science S Joshua Swamidass explains how it s possible for Adam and Eve to be rightly identified as the ancestors of everyone opening up new possibilities for understanding Adam and Eve consistent both with current scientific consensus and with traditional readings of Scripture

hates most He has to lie in order to have her once and despite the truth he ll do anything to keep her Even though Lennix tries to hate Maxim too their hearts are pointed in the same direction The inexorable pull between them across miles and years will not be denied And neither will Maxim The Rebel King Though surrender is what Maxim Cade demanded of Lennix Hunter s body and heart she had other plans They were fast burning fascination and combustible chemistry the son of an oil baron and the Apache daughter at war with his family but she trusted him and he turned out to be a thief who stole her love Still if what they had was a lie why had it felt so real Now the man she swore to hate is about to have it all and he wants Lennix at his side But when the two of them are forced to face the unthinkable their rocky foundation is tested as is the invisible thread that seems to wind their fates together As they navigate a treacherous political landscape in their quest for justice Maxim and Lennix soon learn that power is a game and they are merely the pawns and players Facing insurmountable odds will they win the world or will they lose it all
