The bottom half shows a golden-yellow, hazy horizon with a bright, glowing light source, possibly the sun or moon, creating a lens flare effect. The overall mood is inspirational and divine.

## **New Gospel Good News For Christians:**

**Simply Good News** Tom Wright, 2015-03-19 The Gospel means good news but what makes it news If the message has been around for 2 000 years what could possibly be newsworthy about it And what makes it good Surely not the stories we hear of damnation violence and an angry God Tom Wright believes many Christians have lost sight of what the good news of the gospel really is In **Simply Good News** he shows how a first century audience would have received the gospel message what the good news means for us today and how it can transform our lives

**The Good News According to Jesus** Chuck Queen, 2009

**The New Gospel** Eric Bowes, 1988

The Gospel of the Christ Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ s person and work in the contents of saving faith

Good News of Jesus L. William Countryman, 1993-02-01 At the heart of Christianity stands the figure of Jesus and the message he embodied the gospel This book seeks to make what is at the heart of the Christian religion available in a new way in our time Many of those who read this book will already have some notion of what the Christian faith is about Professor Countryman therefore writes I fear that the reader will bring to the reading of this book all kinds of assumptions that don t belong here and I have tried to be explicit in rejecting some of these so that I can reintroduce something truer Within the church and outside of it people today are in a period of refocusing and rediscovery asking what is really central to the Christian faith Some claim that today s church has lost its heart if not its soul Countryman sounds a clarion call back to the gospel the good news For in the end he writes we must be prepared to choose the good news over everything else Here then is a fundamental work that has grown out of and been tested in the parish and that has served as a basic text for seminary courses in Foundations of Christian Spirituality L William Countryman is Professor of New Testament at the Church Divinity School of the Pacific Berkeley California and author of The Language of Ordination Ministry in an Ecumenical Context also published by Trinity Press

**The Bible and Christianity in the Scientific Perspective** Byung Kook Hwang,2025-07-31 Korean Christianity must now be reborn as a biblical agape religion of love and life away from the religion of salvation and self love that seeks personal blessing God is love 1 John 4 8 Jesus is the source of life There is life in Jesus Christ John 1 4 and Jesus is the Word of life 1 John 1 1 The core of the Christian faith is faith alone in God and Jesus Christ True Christians must understand the Bible correctly obey and believe in God and live righteously and good according to the Bible and God s will The life of Jesus Christ is the highest standard of life for people to imitate Christians in Korea should live a life of action in practice according to God s word in the Bible at home and in society They should love one another in deed and truth not just in word or in tongue 1 John 3 18 Only when this agape style life of God s love takes root in Korean society a truly biblical Christian culture will be established in Korea True Christians have freedom in the Lord Jesus Christ and live a life of faith in obedience to God and Jesus Christ refusing to be servants of the world **Small Church, Excellent Ministry** Jeffrey C. Farmer,2017-12-21 Pastors of smaller membership churches have a huge calling They are responsible for changing the world Rather than look at the small number of members in their congregations as a limitation pastors should view their congregations as an elite force able to impact their communities for the Kingdom of God Small Church Excellent Ministry is a handbook designed for pastors serving in smaller membership churches This book will help you to conduct your ministry with excellence Written by practitioners and professors the information provided in this book is on the vanguard of pastoral ministry and is useful for training pastors to be leaders of their churches **Liberating the Bible** Thomas Calnan Sorenson,2015-10-27 Liberating the Bible offers readers a handbook to help them make their way through a front to back exploration of the riches contained in the Bible Thomas Calnan Sorenson blends scholarship with a down to earth presentation in a survey of the Bible that uncovers the basics of its many books and reveals the persuasive power of its messages to nurture faith expand understanding and deepen connections to God Liberating the Bible organizes its guidance into three parts In Approaching the Bible eleven stops on the tour investigate the basics of the Bible its status in the church methods for reading and interpreting it and the grounding of its claims The second part The Old Testament groups the books of this testament and covers over sixteen stops Each of the stops delves into a book or cluster of books examining historical background organization key passages and distinctive themes and messages The third part The New Testament provides similar guidance while making eleven stops along the way If you are one of the millions who have a Bible or several on your nightstand but find yourself confused or intimidated by its size and scope then this guidebook offers its companionship It promises to serve as a seasoned and knowledgeable resource to consult as you make your trip through the Bible It will help you find a deeper

faith and stronger ties to God through the Bible's powerful witness      **Participation** David Lowry, 2022-02-25 The beauty of the world and our experience of human empathy and compassion collide with our experience of bitter discord between individuals, severe societal divisions, brutal oppression, war, and profound estrangement from our environment. All manner of rational analysis and proposed solutions have not solved these elemental problems, the basis of which is spiritual. This book focuses on the spiritual nature of participation. It is about participation in a humanity rooted in Holy Mystery in God, who is in all things. It is about what is essential to being human: the experience of transcendence expressed in faith, hope, and love. It is about being in Christ. In part, it is a meditation on the apostle Paul's insistence that we participate in Christ in whom we find our true humanity and through whom we are transformed in our relationship to ourselves, others, and the world. Being rooted in Christ, we gain discernment and power for transformative action in the world, as it is with all its wonder, beauty, and brokenness. This book moves from the inner reality of participation in Christ to the outer reality of engagement with the world.      *Publication*, 1991      **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986**, 1987      *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954*, 2003      Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 United States. The universal Church; its faith, doctrine, and constitution [by J.B. Waring]. John Burley Waring, 1866      **Make Disciples!** Terry A. Bowland, 1999 Let us make no mistake about it: Evangelism is not simply learning Bible facts. Evangelism is not simply understanding sociological information. Evangelism is taking part in God's great work of redeeming the world through Christ. It is to reach out and allow God's power and presence to extend into the lives of people through our daily lives. When we increasingly become aware of God working within us, the result will be joy, joy in our daily tasks and joy in the lives we touch. Wherever God's will is done, the ultimate result for us will be joy.      NIV, Ragamuffin Bible Brennan Manning, 2013-11-05 Do you believe that God not only loves you but that he also likes you? It's just one of the soul-searching questions posed by bestselling author Brennan Manning, who confesses he has been John the beloved, Peter the coward, and Thomas the doubter, all before the waitress brought the check. The NIV Ragamuffin Bible offers a collection of Manning's raw, painfully honest yet grace-filled devotions, meditations, and reflections of his journey limping back to like the prodigal son, his overjoyed father. When you journey through this Bible, you will likewise find yourself returning to your Heavenly Father, basking in the knowledge that God not only loves you, he delights in you. Features: Complete text of the world's most popular modern English Bible, the NIV. 104 Devotions guide you into a deeper connection to God and his Word. 250 Reflections help you understand what it means to be a child of God. 150 Quotes offer short but thoughtful insights into God's kingdom. 9-point
