New Horizons for American Labor ... Introduction by Senator Paul H. Douglas Joseph Anthony BEIRNE, 1962

Crossed Wires Dan Schiller, 2023 In *Crossed Wires* Dan Schiller who has conducted archival research on US telecommunications for more than forty years recovers the extraordinary social history of the major network systems of the United States from the nineteenth to the twenty first centuries Drawing on arrays of archival documents and secondary sources Schiller reveals that

this history has been shaped by sharp social and political conflict and is embedded in the larger history of an expansionary US political economy This authoritative and comprehensive revisionist history of telecommunications argues that business economic and regulatory concerns influenced the evolution of this industry far more than the technology **US Labour Unions Today** A. Mkrtchian,1973 Monograph on trade union trends in the USA covers economic concentration and the economic implications and social implications thereof for the working class poverty and social policy measures trade union attitudes strikes etc and describes the efforts of the us communist political party to achieve radical social change References
