New Jersey Coast Guard Stations And Rumrunners:

New Jersey Coast Guard Stations and Rumrunners Van R. Field, John J. Galluzzo, 2004 With its many inlets points and coves the coast of New Jersey stood out as a haven for rumrunners brazenly thumbing their nose at the federal government during Prohibition New Jersey was also recognized as the birthplace of the federal government's shore based units of the United States Coast Guard the organization charged at that time with stopping the flow of demon rum into America With its vivid images New Jersey Coast Guard Stations and Rumrunners revives the days when New Jersey's coasties stood toe to toe with the rumrunners of the 1920s and 1930s Machine Guns in Narragansett Bay Christian M. McBurney, 2023-07-10 During World War I and World War II Rhode Island was dotted with coastal forts filled with large caliber guns Yet they were never fired in anger By contrast from 1929 to 1933 during Prohibition U S Coast Guard vessels frequently fired machine guns at rumrunners in Narragansett Bay Machine gun fire killed three rumrunners and wounded another on the notorious Black Duck Despite the incident drawing national protests the carnage continued The Coast Guard fired machine guns at dozens more rumrunners in Rhode Island waters killing another man severely wounding two others and causing several boats to explode or sink Join author and historian Christian McBurney as he explores the use of excessive force in Narragansett Bay and other Rhode Island waters **Millville Army Air Field** John J. Galluzzo, Millville Army Air Field Museum, 2011-05-16 Millville had always been known for its glassmaking but with the outbreak of World War II the community's identity was primed to change forever A private civilian airfield gave way to the creation of America's first defense airport the training ground for the U S Army's Curtiss P 40 Warhawk and Republic P 47 Thunderbolt pilots Bright and brave young men from across the country converged on Millville in the early 1940s to learn to fly and fight for freedom Some died in training others flew into history as heroes While in Millville they lived the average lives of the country's military men playing baseball flirting with the girls at the local USO dances and attending Sunday night dinners with local families creating lifelong friendships in a time when a young man's life expectancy was in the hands of America's enemies **Cape May County, New Jersey** Jeffery M. Dorwart, 1992 New settlements appeared in the pine wilderness of the mainland and on the uninhabited Atlantic Ocean barrier islands These changes caused social and political conflicts and new development assaulted the fragile seashore environment Fishing and shipbuilding were key industries throughout the early history of Cape May County In addition familiar industries such as cranberry harvesting and nearly forgotten endeavors such as goldbeating sugar refining and cedar shingle mining played vital roles in the county's economic development Dorwart also traces the origins of the seashore resort industry through the history of the city of Cape May with its unique architectural styles and heritage as well as the founding of Wildwood Ocean City and the newer resort towns Encyclopedia of New Jersey Maxine N. Lurie, Marc Mappen, 2004 Contains nearly original articles along with illustrations and maps collecting a wealth of information about the state of New Jersey Rumrunners J. Anne Funderburg, 2016-11-18 In 1920 the 18th Amendment made the production transportation

and sale of alcohol not merely illegal it was unconstitutional Yet no legislation could end the demand for alcohol Enterprising rumrunners worked to meet that demand with cunning courage machineguns and speedboats powered by aircraft engines They out maneuvered the U S Coast Guard and risked their lives to deliver illicit liquor Smugglers like Bill McCoy the Bahama Queen and the Gulf Stream Pirate along with many others ran operations along the U S coastline until Prohibition was repealed in 1933 Drawing on legal records newspaper articles and Coast Guard files this history describes how rumrunners battled the Dry Navy and corrupted U S law enforcement in order to keep America wet *New Jersey in the Jazz Age* Joseph Bilby, Harry Ziegler, 2025-02-04 The Garden State After the Great War Post World War I life was dramatically different for New Jersey than it had been prior to the war By 1920 the war was over for the Europeans but it was still on for America until President Harding signed a paper in a local living room after a golf game Harding s out of wedlock child was born in Asbury Park and Atlantic City began the beauty contest that would become Miss America Prohibition hit what was an unwilling state and the governor tried to keep New Jersey liquor legally flowing while bootleggers and rumrunners made illegal liquor generally available Joseph Bilby and Harry Ziegler detail this frenetic era in the Garden State **Naval History**, 2020 *Delaware Prohibition* Michael Morgan, 2021-06-14 Prohibition attempted to kill John Barleycorn the personification of intoxicating drinks but in Delaware the notice of his death was premature Government agents tried in vain to stop bootleggers and rumrunners who fed the speakeasies that quenched the thirst of the people of the First State Against the backdrop of the Roaring Twenties bootleggers sped up and down the new Du Pont Boulevard while enforcement agents such as the Bible thumping Three Gun Wilson tried in vain to stop them The stock market crash and the Great Depression ended dry laws and brought about the resurrection of Barleycorn Local author Michael Morgan recounts the dramatic tales of this unique period of Delaware history Hiking New Jersey Paul Decoste, Ronald Dupont, 2009-06-02 New Jersey s stereotype as overpopulated and industrial notwithstanding there s another New Jersey worth seeing and this guide goes there This is the aptly nicknamed Garden State of preserved forests and farmland of streams and waterfalls of clean beaches and vast wetlands of endless green mountains This comprehensive informative user friendly guide describes fifty hikes for all abilities **Congressional Record** United States. Nicknamed Liquor Island Long Island was rumrunner s paradise during Prohibition With its proximity to major markets and
coastal communities for easy transit Suffolk County was awash in illegal hooch Smugglers bringing cases of booze from
offshore often secretly hid product temporarily in local garages and sheds leaving a bottle as a thank you Coded
communication crisscrossed the county on shortwave radios arranging sales and logistics Violence from criminal outfits
disrupted previously quiet towns as locals too often were swept up in dangerous unintentional engagements with bootleggers
Pour one out and join author Amy Kasuga Folk as she recounts stories from Suffolk County s Prohibition era *Study and*
