You in Me Lorraine J. Dorival, 2023-10-13 You in Me chronicles my journey of healing learning and growth from the small Caribbean Island of Dominica to Canada and recognizes the many misunderstandings encountered along the way Such misunderstandings could keep us perpetually stuck in limiting beliefs and prohibit our progression to a more productive and enjoyable life When a change of course in life is desired in order to accommodate a more successful integration in a fast developing society it is imperative that these misunderstandings be faced with probing questions as to why they occur and our participation and contributing factors in causing them Our participation may sometimes be mainly unconscious making the cause difficult to detect The effect of and on behavior is a good indicator that something is amiss and may need some mode of adjustment We all share that commonality in unconscious behavior and the poetry You in Me speaks to the reconciliation of relationships with oneself others and more importantly the spirit which gives fervor and strength to drive the unknown to awareness When brought to the light of day misunderstandings may be examined for deeper reasons and meanings and by the grace of the ever present spirit we may be renewed and replenished A conscious effort is required to bring about these restorations and You in Me addresses some of these reconciliations Therefore with passion creativity and sensitivity I invite you to join me on this engaging adventure of self discovery and evolution which sheds some light on a hopeful and brilliant tomorrow Lorraine J Dorival

Kagawa Toyohiko's War Responsibility Confession Mikio Miyagi, 2025-06-25 Kagawa Toyohiko 1888 1960 is well known as a Japanese Christian leader due to his sacrificial commitment to social reforms for the underprivileged establishing cooperatives and unions for industrial workers fishermen and farmers as well as supporting credit cooperatives hospital cooperatives and other social organizations He reformed society to eliminate an inequitable commonwealth based on his theology of redemptive love through brotherhood economics Though during the Pacific War he advised the independence

and freedom of the Far East states and sought to see his Christian idea of brotherhood economics applied to Asian states Greater East Asia Co Prosperity after the war he hoped worldwide organizations such as the United Nations would adopt it as he was convinced that economic partiality caused a worldwide conflict His war responsibility is embedded in the gap between his Christian brotherhood economic theory and the state authorities of this world which put the highest priority on their states interests even sacrificing the poor state Thus Kagawa felt responsibility for the war as he did not have enough influence to stop it

Goetz, 2010-01-01 *Clear and Definite Words* is a lucid exposure of the present confusion within theological discourse It charges and proves that avoiding or equivocating on the question of ontology is impossible It thus undermines the premise of much theological discourse today and lays the way for greater theological clarity and commitment This book goes head to head with great forcefulness and passion against anyone and anything that has served to impede the right of theology to speak with clear and definite words **Alternative Japanese Drama** Robert T. Once Iron Girls Hui Wu,2009-12-28 Available in English for the first time *Once Iron Girls* Essays on Gender by Post Mao Chinese Literary Women brings together twenty five essays by seven critically acclaimed writers whose fiction

and poetry have become classics in modern Chinese literature Poetic metaphoric and sometimes playful and satiric the essays discuss the material reality wherein Chinese women live and function Reflecting on their experiences under Mao and in post Maoist China these essays vividly demonstrate that despite equality of the sexes being the official position and women working equally demanding jobs as men women are still considered servile to their male counterparts Taken together the collection shows Chinese women struggling for identity by discussing the issues that are important in their lives Unlike Western feminists they do not want to be seen as different from their male counterparts Nor do they want to fall into Chinese terminology of being the same as men Rather these essays show that women want to be seen first and foremost as human and then as female By showcasing the politics and poetics of Chinese women s essays to an English audience Hui Wu s translations uncover the philosophy and purpose behind the literature of a unique generation of Chinese women whose life experience finds no parallel in China and certainly not in the West
