Mathewes-Green, 2007-07-01 Why are modern Christians so indistinguishable from everyone else How come Christians who lived in times of bloody persecution were so heroic while we who live in safety are not How could the first Christians fast valiantly but we feel deprived without dessert How did New Testament believers pray without ceasing How could the early Christian martyrs actually forgive their torturers What did the Christians of the first centuries know that we don't That's what this book is about **What to Do until the Lord Comes** Father Cassian, 2024-11-05 Does Christianity seem at odds with the world we live in How do we live the Christian life in the world as it is now In What to Do until the Lord Comes author Father Cassian provides answers gleaned from the ancient Eastern Orthodox Christian Church He draws on many decades of experience as a Spiritual Father to help us bridge the gap to understand and apply the teachings and ideas held by the original confession of Christianity This guide shows how practical it is to live like Christ in the complexities of the world in the twenty-first century What to Do until the Lord Comes addresses many faith issues For those unfamiliar with Orthodox Christianity or even Christianity in any form Fr Cassian offers a practical illuminating and refreshing path to both understanding and living out the Christian life Fr Cassian understands that everyone encounters God in his own particular way He helps us use what we have to grow and points the way forward to a deep and honest relationship with Christ The Divine Embrace (Ancient-Future) Robert E. Webber, 2006-10-01 One of the most popular current views on spirituality is that

there are varied paths to God In this new Ancient Future series book Bob Webber evaluates this common misunderstanding of spirituality as separated from God's story extremely self focused and shaped by our surrounding culture This challenging work offers a corrective calling us to an alternative Christian spirituality one that reveals two sides that of God's divine embrace of us and our passionate response The Divine Embrace is a fresh grounded look at true spirituality that will be embraced by pastors thinking Christians and anyone looking for an engaging and thorough treatment of this topic The Faithful Artist Cameron J. Anderson, 2016-11-10 Drawing upon his experiences as both a Christian and an artist Cameron J Anderson traces the relationship between the evangelical church and modern art in postwar America While acknowledging the tensions between faith and visual art he casts a vision for how Christian artists can faithfully pursue their vocational calling in contemporary culture Rhythms of Faithfulness Andy Goodliff, Paul Goodliff, 2018-10-31 This collection of essays by British Baptists honors the work of John Colwell amongst the Baptist community recognizing in particular the contribution he has made to Christian doctrine and ethics and more recently his involvement in the formation of The Order for Baptist Ministry OBM The book explores what we are doing in morning prayer and what it is to allow the seasons and festivals of the Christian year to shape our lives **Listening to the Beliefs of Emerging Churches** Zondervan, 2009-05-26 What are the beliefs of the new movement known as the emerging church In thought provoking debate prominent emerging leaders John Burke Mark Driscoll Dan Kimball Doug Pagitt and Karen Ward discuss their sometimes controversial views under the editorship of author and educator Robert Webber Hear what they say about their views of Scripture Christ the atonement other world religions and other important doctrines so you can come to your own conclusions about the emerging church

God the Holy Trinity (Beeson Divinity Studies) Timothy George, 2006-10-01 God the Holy Trinity brings together leading scholars from diverse theological perspectives to reflect on various theological and practical aspects of the core Christian doctrine of the Trinity Throughout the contributors highlight the trinitarian shape of spiritual formation The esteemed lineup of contributors includes Alister E McGrath Gerald L Bray James Earl Massey Avery Cardinal Dulles S J Frederica Mathewes Green J I Packer Timothy George Ellen T Charry and Cornelius Plantinga Jr This book will appeal to students church leaders and interested laity It is the second book in the Beeson Divinity Studies series **The Church in Emerging Culture: Five Perspectives** Michael Horton, Frederica Mathewes-Green, Brian D. McLaren, Erwin Raphael McManus, Andy Crouch, 2011-01-04 What should the church look like today What should be the focus of its message How should I present that message We live in as pivotal and defining an age as the Great Depression or the Sixties a period whose definition say some cultural observers includes a warning of the church's influence The result A society measurably less religious but decidedly more spiritual Less influenced by authority than by experience More attuned to images than to words How does the church adapt to such a culture Or should it in fact eschew adapting for maintaining a course it has followed these last two millennia Or something in between These are exactly the questions asked in The Church In Emerging Culture

by five Christian thinker speaker writers each who advocate unique stances regarding what the church's message should be and what methods should be used to present it as it journeys through this evolving postmodern era. The authors are Andy Crouch, Re Generation Quarterly editor in chief; Michael Horton, professor and reformed theologian; Frederica Mathewes Green, author, commentator and Orthodox Christian; Brian D McLaren, postmodernist author, pastor and Emergent senior fellow; Erwin Raphael McManis, author and pastor of the innovative and interethnic L.A.-based church Mosaic. Most unique about their individual positions is that they're presented not as singular essays but as lively discussions in which the other four authors freely and frequently comment, critique and concur. That element coupled with a unique photographic design that reinforces the depth of their at once congenial and feisty conversation gives you all access, entrance into this groundbreaking discourse. What's more, general editor Leonard Sweet, author of *SoulTsunami* and *AquaChurch* among several other acclaimed texts, frames the thought-provoking dialogue with a profoundly insightful, erudite introductory essay, practically a book within a book. *The Church In Emerging Culture* is foundational reading for leaders and serious students of all denominations and church styles.
