Radical Heroes Gramsci Freire And The Poitics Of Adult Education:

Radical Heroes Diana Coben, 2013-10-08 First Published in 1998 This book examines the ideas of two of the most controversial radical heroes of adult education Antonio Gramsci and Paulo Freire gauging their significance for the development of a radical politics of adult education in the post Soviet post apartheid new world order Gramsci offers a noble vision of the role of adult education in the creation of revolutionary Marxist hegemony but the cause he lived and died for has all but collapsed Nevertheless his distinction between common sense and good sense his theory of the intellectual and his concept of hegemony bear scrutiny today In Freire s pedagogy of the oppressed the relationship between leader and followed teacher and student is problematic and this book questions whether his pedagogy has the liberating potential he envisioned The author considers and rejects the linkage of Gramsci s and Freire s ideas in the adult education literature Nonetheless Gramsci and Freire have huge symbolic importance as radical heroes in an under theorized and marginalised field The study highlights a problem with the radical hero phenomenon when individuals become icons their ideas cease to be open and new insights do not emerge as challenge becomes inadmissible and debate dies While neither Gramsci nor Freire can provide us with answers Gramsci helps us address the difficult questions of purpose and content in the politics of adult education

Gramsci and Education Carmel Borg, Joseph A. Buttigieg, Peter Mayo, 2002 Antonio Gramsci 1891 1937 is one of the major social and political theorists of the 20th century whose work has had an enormous influence on several fields including educational theory and practice Gramsci and Education demonstrates the relevance of Antonio Gramsci s thought for contemporary educational debates The essays are written by scholars located in different parts of the world a number of whom are well known internationally for their contributions to Gramscian scholarship and or educational research The collection deals with a broad range of topics including schooling adult education in general popular education workers education cultural studies critical pedagogy multicultural education and the role of intellectuals in contemporary society

Critical Theories, Radical Pedagogies, and Global Conflicts Gustavo Fischman, 2005 We are living in a time of resurgent global conflicts and imperialistic tensions a time in which many children are being left behind by school systems that appear more concerned with developing accountability schemes and standardized models of testing than with defending the right of every child to have access to a good education The efforts of countless teachers activists and families working and living in poor areas around the world are labeled as failures entirely discredited on the basis of their expendability in relation to capital gains or simply ignored In response to these oppressive and challenging conditions this book s contributors a group of committed educators and activists working in an ethos of solidarity across geopolitical and geographical borders have advanced arguments and strategies that link educational transformation to the larger struggle to transform oppressive social relations In a clear attempt to move beyond both nostalgia and romanticism *Critical Theories Radical Pedagogies and Global Conflicts* draws from a range of viewpoints conceptual and thematic transnational and crosscultural First World and Third

World to articulate new directions for teachers and activists working to demonstrate that another education and indeed another world is possible *Using Gramsci* Michele Filippini, 2016-11-20 Thought of as one of the world's greatest political theorists Antonio Gramsci's writings push readers to interpret and change the world In *Using Gramsci* Michele Filippini enlarges upon his seminal works disentangling it from the prevailing orthodoxy in Gramscian analysis The book explores his work on ideology the individual collective organisms crisis and temporality in addition to the more traditional areas of his thought such as hegemony and civil society Through this close examination the use value of Gramscian theoretical instruments to a broad range of disciplines including political science education language cultural studies postcolonial studies anthropology and geography becomes apparent Filippini's approach explicates and emphasises the importance of one of the most popular and enduring Marxist figures *Global Perspectives on Adult Education* A. Abdi, Dip Kapoor, 2008-12-22 This book demonstrates how processes of globalization economic cultural socio political are creating new possibilities and inequities and are thereby creating corresponding roles for adult education and learning in the South Africa Asia South America that are embedded in multiple political economic and cultural projects for social change *Understanding the Adult Learner* Alisa Belzer, Brian Dashew, 2023-07-03 Adults seek out learning for very different reasons in different contexts and this book is intended to support adult educators development in responding to this rich array There is no single way to be an adult learner and so it should not be surprising that there is no single way to be an adult educator However the authors believe that all educators must demonstrate a commitment to meeting adult learners where they are Adult educators should help learners move forward not only with new content knowledge information and skills but also with new ways of making meaning and seeing themselves their role and the world This volume introduces many theories and concepts that can help adult educators do this effectively **Educating from Marx** S. Mojab, S. Carpenter, 2011-09-14 Educators have been working to develop an important body of literature on neo liberalism capitalism and imperialism This combines original empirical studies with literature review from critical adult education and feminist theory to examine the theories and practices of adult education from a Marxist Feminist perspective *Teaching Adults* Rogers, Alan, Horrocks, Naomi, 2010-06-01 **Teaching Adults Adult Literacy in a New Era** Dianne Ramdeholl, 2015-12-14 *Adult Literacy in a New Era* chronicles the history and development of The Open Book an adult literacy organisation inspired by the legendary educationalist Paulo Freire and other political educators Using participants own words and experiences Ramdeholl analyses and investigates adult literacy policy and aspects of the program's history from its beginning in 1984 to its end in 2001 Offering new insights into methodologies of reading writing and learning this book will inspire not only adult literacy students and teachers but anyone concerned with changing public policy from the bottom up **The SAGE Handbook of Qualitative Research** Norman K. Denzin, Yvonna S. Lincoln, Michael D. Giardina, Gaile S. Cannella, 2023-06-19 This new edition of the SAGE Handbook of Qualitative Research represents the sixth generation of the ongoing conversation about the

discipline practice and conduct of qualitative inquiry As with earlier editions the Sixth Edition is virtually a new volume with 27 of the 34 chapters representing new topics or approaches not seen in the previous edition To mark the Handbook's 30 year history we are pleased to offer a bonus PART VI in the eBook versions of the Sixth Edition this additional section brings together and reprints ten of the most famous or game changing contributions from the previous five editions
