Radio Talk From Sex To Socrates:

Radio Talk August Yeager, 2005-01-01 This is not a fly on the wall book There are no secrets to tell This author is not a former speech writer has never talked to a president has never been in the White House is not a diplomat and has never served in any administration But this is a good sign This author is not looking out for anybody It is a good reason to read this book An everyday American puts on the thinking cap The objective of the book is to look at the thought process of America by way of talk radio Political and social issues and the resulting opinions by the hosts and by the author make up the substance of the book The topics range widely and thus the subtitle From Sex to Socrates Eleven talk show hosts selected for their ability to think and analyze were listened to for about ten months in 2003 and early 2004 A quick look at the book's contents will outline the topics and ideas that concern talk radio For the most part the issues in the book are timeless They are not old news Decisions made on many of these topics will determine the direction America will take in the 21st century My grandpa's advice If you want to go fast slow down *Talking Dirty* Carole McKenzie, 2014-01-02 Women should be obscene and not heard John Lennon The only unnatural act is that which you cannot perform Alfred Kinsey Fat people are brilliant in bed if I'm sitting on top of you who's going to argue Jo Brand What most women want is not a man who ties you to the bed but one who unstacks the dishes while you watch The Great British Bake Off Harriet Harman Throughout the centuries talk of sex has proved irresistible producing wide ranging responses contradictory remarks denouncements and appraisals something seen as harmless by one is often condemned as damnable by another Whatever your sexual preferences *Talking Dirty* is a hugely entertaining treasury of wit on this endlessly entertaining and controversial topic *Minotaur Maze* Robert Sheckley, 2014-04-01 *Minotaur Maze* is Robert Sheckley's modern take on the myth of the Minotaur It is a tour de force of imagination fantasy and creative confusion Through brief chapters running from How Theseus Got His First Minotauring Job to I Hate to Blame Daedalus for Everything The Attack of the Self Pity Plant Daedalus Dispenses with Causality and finally Falling Through the Story we travel a maze as lethally complicated as the Minotaur's and arrive at the end breathless with wonder surprise and laughter Sheckley a master of science fiction has been called a precursor to Douglas Adams by the New York Times **Equal Rights**, 1926 **The Spectator**, 2009 **Speaking into the Air** John Durham Peters, 2012-04-26 Communication plays a vital and unique role in society often blamed for problems when it breaks down and at the same time heralded as a panacea for human relations A sweeping history of communication *Speaking Into the Air* illuminates our expectations of communication as both historically specific and a fundamental knot in Western thought This is a most interesting and thought provoking book Peters maintains that communication is ultimately unthinkable apart from the task of establishing a kingdom in which people can live together peacefully Given our condition as mortals communication remains not primarily a problem of technology but of power ethics and art Antony Anderson New Scientist Guaranteed to alter your thinking about communication Original erudite and beautifully written this book is a gem Kirkus Reviews Peters writes to

reclaim the notion of authenticity in a media saturated world It s this ultimate concern that renders his book a brave colorful exploration of the hydra headed problems presented by a rapid fire popular culture Publishers Weekly What we have here is a failure to communicate book Funny thing is it communicates beautifully Speaking Into the Air delivers what superb serious books always do hours of intellectual challenge as one absorbs the gradually unfolding vision of an erudite creative author Carlin Romano Philadelphia Inquirer Motion Picture Daily ,1972 **Learning to be Human: The Educational Legacy of John MacMurray** Michael Fielding,2016-04-14 The educational writings of John Macmurray one of the finest 20th century philosophers of his generation have a special relevance for us today In similar circumstances of international crisis he argued for the central importance of education addressing fundamental issues of human purpose how we lead good lives together the emphasis on wisdom rather than knowledge alone the advancement of a truly democratic culture and the overriding importance of community in human flourishing This remarkable collection of articles from leading international scholars includes the hitherto unpublished John Macmurray lecture Learning to be Human and brings together invited contributions from a range of fields and disciplines e g philosophy of education moral philosophy care ethics history of education theology religious education future studies and learning technologies and a number of countries across the world e g Australia the UK and the USA Countering overemphasis on technique and its typical separation from wider human purposes emblematic of much of our current malaise this book asks what it might mean to take the education of persons seriously and how such a perspective helps us to form judgments about the nature and worth of contemporary education policy and practice This book was originally published as a special issue of the Oxford Review of Education **The Kennedy Chronicles** Kennedy,2013-07-30 Kennedy s off the wall memoir reliving the pop music and the madness as an MTV VJ in the 1990s I am Kennedy from MTV and no matter where I go someone has a story to tell me about the time we grew up together Known to millions simply by her middle name Kennedy helped bring the cutting edge of culture into our living rooms during the 1990s through her outrageous segments as an MTV VJ host of Alternative Nation and on the spot correspondent for MTV News She interviewed everyone from fame averse Seattle rock musicians to vapid celebrities and politicians asking the taboo questions no one else would as she navigated between true artists and phony poseurs In The Kennedy Chronicles she gives us a backstage pass at the last golden years of the cable network that defined a generation As only Kennedy can she takes us back to unforgettable moments such as Nirvana s seminal performance on MTV Unplugged the unbridled bacchanalia of the MTV Beach House and Woodstock 94 festival and the game changing Rock the Vote campaign We read of priceless moments on and off set with such performers as Bjork Pearl Jam Weezer No Doubt Nine Inch Nails Radiohead Oasis and the Red Hot Chili Peppers And Kennedy dishes on behind the scenes antics with MTV colleagues including Jon Stewart Bill Bellamy Kurt Loder and Tabitha Soren Straddling the line between witness and participant Kennedy recounts a blitz of surreal encounters Dragging Stewart to a strip club Getting naked with Jenny McCarthy Playing dice on the men s room floor with Michael

Jordan Wrestling with Trent Reznor Taking Puck Rainey from The Real World to church and living to regret it Making out in a coffin with Dave Navarro Dodging calls from Courtney Love Serving as John Rzeznik s muse for the Goo Goo Dolls hit song Name And there was that incident with New York Mayor Rudy Giuliani at the Video Music Awards Finally Kennedy intersperses her riotous narrative with priceless candid interviews with Navarro Henry Rollins Billy Corgan Pat Smear of Nirvana Matt Cameron of Soundgarden and Pearl Jam former VJ John Sencio and more In her characteristically edgy and irreverent voice Kennedy delivers a juicy and revealing narrative perfect for Gen X and beyond and for anyone who wants to know what really went on at MTV Halliwell's Film Guide Leslie Halliwell,1986
