Spanish Women Writers and the Essay Kathleen Mary Glenn, Mercedes Mazquiarán de Rodríguez, 1998 Never before has a book examined Spanish women and their mastery of the essay In the groundbreaking collection *Spanish Women Writers and the Essay* Kathleen M Glenn and Mercedes Mazquiarán de Rodríguez help to rediscover the neglected genre which has long been considered a masculine form Taking a feminist perspective the editors examine why Spanish women have been so drawn to the essay through the decades from Concepción Arenal's nineteenth century writings to the modern works of Rosa Montero Spanish women historically denied a public voice have discovered an outlet for their expression via the essay As essayists they are granted the authority to address subjects they personally deem important discuss historical and sociopolitical issues and denounce female subordination This genre which attracts a different audience than does the novel or poem allows Spanish women writers to engage in a direct dialogue with their readers Featuring twelve critical investigations of influential female essayists *Spanish Women Writers and the Essay* illustrates Spanish women writers command of the genre their incorporation of both the ideological and the aesthetic into one concise form and their skillful use of various strategies for influencing their readers This fascinating study which provides English translations for all quotations will appeal to anyone interested in nineteenth and twentieth century Spanish literature comparative literature feminist criticism or women's studies *World Literature and Postcolonial Studies*, 2023-04-17 What is the role of literature in our global landscape today How do local authors respond to the growing worldwide power of English and the persisting effects of the colonial systems that paved the way for globalization today These questions have often been approached very differently by postcolonialists and by students of world literature but over the past two decades a developing dialogue between these divergent approaches has produced robust scholarship and sometimes fractious debate as issues of language politics and cultural difference have come to the fore Drawing on a wide variety of cases from medieval Wales to contemporary Syria and Australia and on works written in Arabic Basque English Hindi and more this collection explores the mutual illumination that can be gained through the interaction of postcolonial and world literary perspectives *The International Novel* Annabel Patterson, 2014-09-30 Annabel Patterson here turns her well known concern with political history in early modern England into an engine for investigating our own era and a much wider terrain The focus of this book is broadly nationalism and internationalism today approached not theoretically but through the lens of fiction Novels are uniquely capable of dealing with abstract problems by embodying them in the experience of persons thereby rendering them more real Patterson takes twelve novels from almost all over the world India Africa Turkey Crete the Balkans Palestine Afghanistan South America and Mexico novels which illustrate the dire effects of some of the following imperialism partition

annexation ethnic and religious strife boundaries redrawn by aggression the virus of dictatorships the vulnerability of small countries and the meddling of the Great Powers All are highly instructive and excellent reads *Subject Catalog* Library of Congress,1982 **The Oxford Handbook of British and Irish War Poetry** Tim Kendall,2007-02-22 The Handbook ranges widely and in depth across 20th century war poetry incorporating detailed discussions of some of the key poets of the period It is an essential resource for scholars of particular poets and for those interested in wider debates Contributors include some of the most important international poetry critics of our time
