Postmodern Media Christopher Sharrett, 1999 This anthology examines a number of issues related to violence within the media landscape Violence has been a topic of continued concern within American culture and society Although there have

been numerous sociological and historical studies of violence and its origins there is relatively little systematic analysis of violence within media representation even as this issue becomes preeminent within public discourse This anthology examines a number of issues related to violence within the media landscape using various methodologies to suggest the implications of the increasing obsession with violence for postmodern civilization **Going for the KO** GUSTAVO VIDAL

MANZANARES,2024-01-15 The stellar moments of boxing seem to take place in public under blinding spotlights and thousands of eyes fixed on tense muscles But it is not like that everything begins to take shape much earlier In loneliness Sweating to exhaustion in gyms with the smell of basement armpit jogging in fields and parks between shadows and silences of cold dawns Weight diet rest no nights out Sacrifice sacrifice sacrifice That is where success begins to germinate The staging is nothing more than the accumulation of effort and sacrifice almost always worked in solitude almost always in the midst of incomprehension Can a more similar metaphor to life be constructed than those offered by boxing *Surprise, I Am Still Here, To Tell My Story, After Many Years* Robert Ray Swan,2022-01-12 He was called into the Army by the US Army Draft by being number one on the draft schedule in the town of Albia Iowa He was just graduating from high school and was waiting to go to college The army gave him one week to enlist or be drafted He went and took he entrance test and scored 140 He went into the medical field He took a twenty week training at Fort Polk Louisiana and a twelve weeks training at Fort Sam Houston Texas at medical school basic I did not tell you about his childhood or his other struggles in life It could play a big role how his life will be in Vietnam He spends four and a half years in Vietnam Why is the big question This soldier become a very brave and one of the greatest medics in Vietnam history His courage and diligence were able to help save many soldiers lives He was able to deliver nine babies under enemy fire His survival technics helped him live to see freedom where others gave up on him Read the book You will see how brave he is **Violent Affect** Marco Abel,2007-01-01

Art Rebels Paul Lopes,2019-06-11 How creative freedom race class and gender shaped the rebellion of two visionary artists Postwar America experienced an unprecedented flourishing of avant garde and independent art Across the arts artists rebelled against traditional conventions embracing a commitment to creative autonomy and personal vision never before witnessed in the United States Paul Lopes calls this the Heroic Age of American Art and identifies two artists Miles Davis and Martin Scorsese as two of its leading icons In this compelling book Lopes tells the story of how a pair of talented and outspoken art rebels defied prevailing conventions to elevate American jazz and film to unimagined critical heights During the Heroic Age of American Art where creative independence and the unrelenting pressures of success were constantly at odds Davis and Scorsese became influential figures with such modern classics as *Kind of Blue* and *Raging Bull* Their careers also reflected the conflicting ideals of and contentious debates concerning avant garde and independent art during this

period In examining their art and public stories Lopes also shows how their rebellions as artists were intimately linked to their racial and ethnic identities and how both artists adopted hypermasculine ideologies that exposed the problematic intersection of gender with their racial and ethnic identities as iconic art rebels Art Rebels is the essential account of a new breed of artists who left an indelible mark on American culture in the second half of the twentieth century It is an unforgettable portrait of two iconic artists who exemplified the complex interplay of the quest for artistic autonomy and the expression of social identity during the Heroic Age of American Art
