Raiding The Gene Pool The Social Construction Of Mixed Race:

Raiding The Gene Pool Jill Olumide, 2002-02-20 Defining the mixed race condition as referring to the experiences of those who obstruct the social purposes of the construction of race Olumide medical sociology Royal Holloway U of London UK seeks to explore commonalities of those who challenge the social divisions of race and makes links to the challenging of other social divisions especially gender Distributed by Stylus Annotation copyrighted by Book News Inc Portland OR

International Perspectives on Racial and Ethnic Mixedness and Mixing Rosalind Edwards, Suki Ali, Chamion Caballero, Miri Song, 2012-06-14 People from a mixed or inter racial and ethnic background and people partnering and parenting across different racial and ethnic backgrounds are of increasing political public and intellectual interest internationally Contributors to this interdisciplinary collection interrogate notions of mixedness and mixing and challenge stereotypical assumptions They advance debates in the field through illuminating the complexity of specific historical trajectories administrative practices and lived experience Recurrent themes woven throughout the chapters include boundaries and categorisation in terms of administration and government and also of lived experience the explicit and implicit politics of mixedness and mixing in terms of nation state interests agenda and policies as well as on the ground social relations the ways that mixedness and mixing shift in meaning and implications across time and place shaped by different national regional and or local contexts This volume shows that who is and is not mixed is contested and understandings of mixedness and mixing however conceived need to be situated in the larger complex of ideas about race and its classification *International Perspectives on Racial and Ethnic Mixedness and Mixing* is an invaluable book for students and scholars of race and ethnicity *Migration, Ethnicity, Race, and Health in Multicultural Societies* Raj S. Bhopal, 2014 This book discusses the concepts of migration race and ethnicity and demonstrates how these can be applied in scientific research policy making health service planning and health promotion Extensive examples are used to demonstrate the application of the theory

Mixed Family Life in the UK M. Nakamura Lopez, 2017-09-03 This book offers a nuanced picture of mixed family life in the UK Specifically the book explores how parents from different backgrounds create a place of belonging for their children while also negotiating difference and attempting to transmit various aspects of their cultures including religion hobbies language and food to their mixed children Based on data collected from 26 months of fieldwork the author concludes that the intergenerational transmission of culture instead of being tied to the idea of national culture is actually more organic and fluid allowing individuals to share their cultures from traditions and customs to preferences and habits with the next generation As mixedness increasingly becomes the norm in our global society the book will be of interest to students and scholars of race ethnicity and family studies as well as social workers school teachers counsellors and parents and kin of mixed children **Off White** Michelle Fine, Lois Weis, Linda Powell Pruitt, April Burns, 2012-11-12 With a fascinating new introduction on the proliferation and development of the field of whiteness studies and updated essays throughout this much

anticipated second edition continues to redefine our understanding of race and society Also includes three maps **Red and Yellow, Black and Brown** Joanne L. Rondilla, Rudy P. Guevarra, Paul Spickard, 2017-07-03 Red and Yellow Black and Brown gathers together life stories and analysis by twelve contributors who express and seek to understand the often very different dynamics that exist for mixed race people who are not part white The chapters focus on the social psychological and political situations of mixed race people who have links to two or more peoples of color Chinese and Mexican Asian and Black Native American and African American South Asian and Filipino Black and Latino a and so on Red and Yellow Black and Brown addresses questions surrounding the meanings and communication of racial identities in dual or multiple minority situations and the editors highlight the theoretical implications of this fresh approach to racial studies Color Struck Julius O. Adekunle, Hettie V. Williams, 2010-02-24 Color Struck Essays of Race and Ethnicity in Global Perspective is a compilation of expositions on race and ethnicity written from multiple disciplinary approaches including history sociology women's studies and anthropology This book is organized around a topical chronological framework and is divided into three sections beginning with the earliest times to the contemporary world The term race has nearly become synonymous with the word ethnicity given the most recent findings in the study of human genetics that have led to the mapping of human DNA Color Struck attempts to answer questions and provide scholarly insight into issues related to race and ethnicity **The Biopolitics of Mixing** Jintana Haritaworn, 2016-03-23 Debates over who belongs in Europe and who doesn't increasingly speak the language of mixing but how are the figures commonly described as mixed actually embodied The Biopolitics of Mixing invites us to reckon with the spectres of pathologization past and present placing the celebration of mixing beside moral panics over terrorism and trafficking and a post race multiculturalism that elevates some as privileged members of the neoliberal community whilst ghosting others from it Drawing on a broad archive including rich qualitative interviews conducted in Britain and Germany media and policy debates popular culture race based research and queer of colour theories this book imagines into being communities in which people and places normally kept separate can coexist in the same reality As such it will appeal to scholars across a range of sociological and cultural studies including critical race ethnic and migration studies transnational gender and queer studies German and European studies Thai and Southeast Asian studies and studies of affect performativity biopolitics and necropolitics It should be read by all those interested in thinking critically on the intersections of race class gender sexuality and disability *Sex and Race in the Black Atlantic* Daniel McNeil, 2010-01-27 Drawing on a wide range of sources and a diverse cast of characters this book is the first to place the self fashioning of mixed race individuals in the context of a Black Atlantic and gives particular attention to the construction of mixed race femininity and masculinity during the twentieth century **Multiple Identities** Paul Spickard, 2013-04-12 In recent years Europeans have engaged in sharp debates about migrants and minority groups as social problems The discussions usually neglect who these people are how they live their lives and how they identify themselves Multiple

Identities describes how migrants and minorities of all age groups experience their lives and manage complex often multiple identities which alter with time and changing circumstances The contributors consider minorities who have received a lot of attention such as Turkish Germans and some who have received little such as Kashubians and Tartars in Poland and Chinese in Switzerland They also examine international adoption and cross cultural relationships and discuss some models for multicultural success
