Railroads The Free Enterprise Alternative:

Railroads Daniel Overbey,1982-11-19 **Extractives, Manufacturing, and Services** David O. Whitten,1997-04-22

The second volume in the Handbook of American Business History series this book offers concise histories of extractive manufacturing and service industries as well as extensive bibliographic essays pointing to the leading sources on each industry and bibliographic checklists Supplementing other bibliographic materials in business history this volume provides researchers with a much needed path through the vast array of material available in the library and on the Internet Indicating which resources to check and which to bypass the book is a guide to a sometimes overwhelming amount of information Each of the book s chapters provides a concise industry history beginning with the industry s rise to importance in the U S and continuing to the present The bibliographic essays provide a narrative outline of the leading sources published or made available in archives libraries or museum collections since 1971 when Lovett s American Economic and Business History Information Sources was published Each discussion concludes with a bibliographic checklist of the titles mentioned in the essay as well as other titles In a rapidly expanding information society researchers teachers and students may be easily overwhelmed by the exhaustive material available in print and electronically What is useful and what can be ignored is a strategic question and few know where to begin This book provides a guide Options for Reshaping the Railway Neil E. Moyer,Louis S. Thompson,1992 Changing transport demands and growing competition from trucks autos and air transport are forcing the monolithic railway to change Options for change must be adapted to different national and other circumstances with a suitable tradeoff between efficiency of production and effectiveness in meeting market needs *The Railroad Antimonopoly Act of 1985* United States. Congress. Senate. Committee on the Judiciary,1986 Hearing on a bill to amend the Sharman Act to prohibit a rail carrier from denying to shippers of certain commodities with intent to monopolize use of its track which affords the sole access by rail to such shippers to reach the track of a competing railroad *Chinese Railways in the Era of High Speed* Zhenhua Chen,Kingsley E. Haynes,2015-09-07 This book reflects on experiences in other countries and makes recommendations for improving the capability and capacity of institutions and organizations in order to achieve sustainable development of the Chinese high speed railway HSR system *Railroad History on American Postage Stamps* Anthony J. Bianculli,2004-10-01 Covering a span of almost two centuries Railroad History on American Postage Stamps tells the stories behind the many United States postage stamps that portray railroad history Almost 200 stamps depicting railroading highlights including land grants the completion of the transcontinental railroad railroad heroes from John Henry to Casey Jones and equipment from famous locomotives to workaday freight cars are described in fascinating vignettes In addition a major chapter covers railroad issues labor and the law There is even a section identifying many famous individuals with surprising railroad associations including Irving Berlin Nelly Bly John Wayne Samuel Clemens Emily Dickinson Will Rogers and Cary Grant Extensively researched by the author over a period of more than two years the book

treats the reader to a treasure trove of little known yet interesting facts that capture the reader's attention from the first page to last Includes an extensive bibliography and Scott Number index **The Oxford Encyclopedia of Economic History** Joel Mokyr, 2003 What were the economic roots of modern industrialism Were labor unions ever effective in raising workers living standards Did high levels of taxation in the past normally lead to economic decline These and similar questions profoundly inform a wide range of intertwined social issues whose complexity scope and depth become fully evident in the Encyclopedia Due to the interdisciplinary nature of the field the Encyclopedia is divided not only by chronological and geographic boundaries but also by related subfields such as agricultural history demographic history business history and the histories of technology migration and transportation The articles all written and signed by international contributors include scholars from Europe Latin America Africa and Asia Covering economic history in all areas of the world and segments of economies from prehistoric times to the present The Oxford Encyclopedia of Economic History is the ideal resource for students economists and general readers offering a unique glimpse into this integral part of world history *Vertical Restructuring of the Infrastructure Sectors of Transition Economies* Russell Pittman, 2001 **Trains and Technology: Track and structures** Anthony J. Bianculli, 2001 *Getting There* Stephen B. Goddard, 1996-11-15 From the glory days of the railroad to today's gridlocked six lane highway *Getting There* dramatizes America's shift from rail to road transportation how it has robbed Americans of the choice of travel options enjoyed by Europeans and why it threatens the nation's economic future Stephen B Goddard reveals how government joined automakers and roadbuilders to nearly destroy the rails and why the 21st century will witness high tech remedies and a railroad resurgence
