With My Hand in His Heather Tuttle, 2020-09-22 When I was experiencing my first semesters of college, the professors would hand out a syllabus outlining what would be expected of me to accomplish in class throughout that semester. As I read through each one, my heart would pound and my hands would sweat as I felt my inadequacy in meeting the requirements for the class. I saw that I clearly lacked the knowledge, experience, and skills to be successful, and it made me want to turn and run from the classroom. However, with time, I learned that by the time each assignment was due, I had been given what I needed in order to successfully meet those requirements, no matter the difficulty. I believe Heavenly Father has a plan for each of us, a syllabus of sorts. Part of his plan includes facing unimaginable trials, things we would exclaim we could never do, never endure. It is with and through these challenges that if we allow God to grow and strengthen us, giving us power to endure and making us more than we thought we could be. Each challenge acts as a springboard which moves us to another level of ability in forgiveness, patience, faith, empathy, gratitude, humility, prayer, and so many more attributes and skills. This book contains my stories of trial, faith, and miracles in my son Jonah's fight to live and heal after a life-threatening traumatic brain injury which left him in a coma. It also contains those earlier experiences of my life that the Lord used to build my abilities to endure, strengthen my relationship with Him, and teach me how He moves and communicates with me in my life. Whoever said God doesn't give us anything we can't handle was so very wrong. We are given many things we couldn't possibly endure without our Heavenly Father walking beside us, guiding us and strengthening us to bear those things we couldn't possibly imagine we could. These stories are of my very profound and tender walk with the Lord, with my hand in His.

Time on My Hands Giorgio Vasta, 2013-04-02 When does a game stop being a game? And what would cause a young boy to commit an act of savage violence? In *Time on My Hands* by Giorgio Vasta, the year is 1978 and a chilling drama is unfolding in Rome. Members of a leftist terrorist group known as the Red Brigades have kidnapped the former Italian prime minister Aldo Moro and are holding him in a secret prison while broadcasting their demands to the public. Far from Rome, in Palermo, Sicily, a trio of eleven-year-old schoolboys are following Moro's abduction with intense interest. To their minds, the terrorists are warriors striking a blow at the stifling conformity and propriety of everyday Italian life. Just like the Red Brigades, the boys give themselves code names: Nimbus, Radius, and Flight. They shave their heads, develop a secret language, and begin a life of escalating crime in worshipful imitation of their heroes. But when Moro's body is discovered in the trunk of a car riddled with bullets, and as the stakes of the boys' game grow higher, Nimbus, the most innocent of the three, must decide just how far he is willing to go.
