Rainey Lloyd J. Guillory, 2001-06 Rainey was born during the great depression in a rural country in Arkansas She was born of a sickly prostitute mother who lived with a grandmother on a small hard scrabble piece of farmland Their situation was so dire with the mother knowing she had not long to live and the grandmother too old to attempt to raise a child under such difficult circumstances the mother reluctantly offers Rainey up for adoption This was not uncommon during the depression when children were shunted off to relatives or neighbors Given first to another farm family which by today's standards would be considered dysfunctional she runs away at the age of six She eventually ends up with a group of women mostly old maid schoolteachers who make some attempt to restore a degree of normalcy to the child's life This is the nearest thing to a functional family she would ever know but an unfortunate and ill advised wartime marriage once again turns her on the wrong road of life She goes through a series of misfortunes including a jail term before she eventually meets the love of her life But once again fate is cruel to her because he is married She has an illegitimate child by him and knowing he cannot marry her leaves him with no forwarding address She returns to the area of her childhood where he now single eventually finds her and in true romance fashion they are brought together and supposedly live happily ever after The Afro-American Woman Sharon Harley, Rosalyn Terborg-Penn, 1997 Civil rights activists educators writers artists and workers these are the women of The Afro American Woman Struggles and Images an excellent anthology of essays that provides a more accurate image of the Black woman and her place in history and in the cultural development of our society Originally published in 1978 The Afro American Woman includes essays that highlight historical experiences common to Black women The anthology also features essays that focus on early activists Anna J Cooper Nannie Burroughs and Charlotta A Bass This book is a long out of print valuable reference source It was the first written by Black academics which analyzed these women's experiences from a historical and Black nationalist perspective **Great African-American Women in America history vol II** Henry Epps, 2012-09-04 great african american women in america history vol II continues talking about the great contributions of the great women of color **The History of Southern Women's Literature** Carolyn Perry, Mary Weeks-Baxter, 2002-03-01 Many of America's foremost and most beloved authors are also southern and female Mary Chesnut Kate Chopin Ellen Glasgow Zora Neale Hurston Eudora Welty Harper Lee Maya Angelou Anne Tyler Alice Walker and Lee Smith to name several Designating a writer as southern if her work reflects the region's grip on her life Carolyn Perry and Mary Louise Weeks have produced an invaluable guide to the richly diverse and enduring tradition of southern women's literature Their comprehensive history the first of its kind in a relatively young field extends from the pioneer woman to the career woman embracing black and white poor and privileged urban and Appalachian perspectives and experiences The History of Southern Women's Literature allows readers both to explore individual authors and to follow the developing arc of various genres across time Conduct books and slave narratives Civil War diaries and letters the antebellum postbellum and

[The Embodiment of Disobedience](#) Andrea Elizabeth Shaw,2006-07-27 Despite the West s privileging of slenderness as an aesthetic ideal the African Diaspora has historically displayed a resistance to the Western European and North American indulgence in fat anxiety *The Embodiment of Disobedience* explores the ways in which the African Diaspora has rejected the West s efforts to impose imperatives of slenderness and mass market fat anxiety Author Andrea Shaw explores the origins and contradictions of this phenomenon especially the cultural deviations in beauty criteria and the related social and cultural practices Unique in its examination of how both fatness and blackness interact on literary cultural planes this book also offers a diasporic scope that develops previously unexamined connections among female representations throughout the African Diaspora

Staging the Blues Paige A. McGinley,2014-09-10 Singing was just one element of blues performance in the early twentieth century Ma Rainey Bessie Smith and other classic blues singers also tapped joked and flaunted extravagant costumes on tent show and black vaudeville stages The press even described these women as actresses long before they achieved worldwide fame for their musical recordings In *Staging the Blues* Paige A McGinley shows that even though folklorists record producers and festival promoters set the theatricality of early blues aside in favor of notions of authenticity it remained creatively vibrant throughout the twentieth century Highlighting performances by Rainey Smith Lead Belly Sister Rosetta Tharpe Sonny Terry and Brownie McGhee in small Mississippi towns Harlem theaters and the industrial British North this pioneering study foregrounds virtuoso blues artists who used the conventions of the theater including dance comedy and costume to stage black mobility to challenge narratives of racial authenticity and to fight for racial and economic justice

Music, Memory, Resistance Sandra Pouchet Paquet,Patricia Joan Saunders,Stephen Stuempfle,2007 Calypsonians have long been the voice of the people delivering the complaints criticisms and even the solutions to political leaders In its earliest manifestations calypso music emerged in response to a cultural climate that demanded creative modes of expression that could both resist and record political and historical changes taking place in Trinidad and Tobago Since the 1920s and 1930s calypsonians typically have composed songs that chronicle their observations and opinions on current events focusing on specific occurrences from local scandals to current affairs while also examining broader trends Not only has calypso served as an unofficial record of historical events it emerged as a cultural

weapon that yielded tremendous sway within the general audiences of the Caribbean region This collection includes contributions from calypsonians critics novelists and poets alike all engaged in representing Caribbean culture in its myriad forms It represents an array of convergences across critical perspectives political and social agendas generations and national boundaries The work of numerous calypsonians and other singers are explored including Sparrow Kitchener Chalkdust Denise Belton and writers such as Samuel Selvon V S Naipaul Jean Rhys Errol John Paul Marshall Earl Lovelace and Lashkmi Persaud The comparative analyses provide an interdisciplinary approach to Cultural Studies making the volume essential reading for students scholars and calypso enthusiasts

Georgia Women Kathleen Ann Clark, Ann Short

Chirhart, 2014-07-15 Women were leading actors in twentieth century developments in Georgia yet most histories minimize their contributions The essays in the second volume of Georgia Women edited by Ann Short Chirhart and Kathleen Ann Clark vividly portray a wide array of Georgia women who played an important role in the state's history from little known Progressive Era activists to famous present day figures such as Pulitzer Prize winning author Alice Walker and former First Lady Rosalynn Carter Georgia women were instrumental to state and national politics even before they achieved suffrage and as essays on Lillian Smith Frances Pauley Coretta Scott King and others demonstrate they played a key role in twentieth century struggles over civil rights gender equality and the proper size and reach of government Georgia women's contributions have been wide ranging in the arena of arts and culture and include the works of renowned blues singer Gertrude Ma Rainey and such nationally prominent literary figures as Margaret Mitchell Carson McCullers and Flannery O'Connor as well as Walker While many of the volume's essays take a fresh look at relatively well known figures readers will also have the opportunity to discover women who were vital to Georgia's history yet remain relatively obscure today such as Atlanta educator and activist Lugenia Burns Hope World War II aviator Hazel Raines entrepreneur and carpet manufacturer Catherine Evans Whitener and rural activist and author Vara A Majette Collectively the life stories portrayed in this volume deepen our understanding of the multifaceted history of not only Georgia women but also the state itself

Resisting

History Barbara Ladd, 2012-01-02 In a major reinterpretation Resisting History reveals that women as subjects of writing and as writing subjects themselves played a far more important role in shaping the landscape of modernism than has been previously acknowledged Here Barbara Ladd offers powerful new readings of three southern writers who reimagined authorship between World War I and the mid 1950s Ladd argues that the idea of a new woman released from some of the traditional constraints of family and community more mobile and participating in new contractual forms of relationality precipitated a highly productive authorial crisis of gender in William Faulkner As new women themselves Zora Neale Hurston and Eudora Welty explored the territory of the authorial sublime and claimed for themselves and other women new forms of cultural agency Together these writers expose a territory of female suffering and aspiration that has been largely ignored in literary histories In opposition to the belief that women's lives and dreams are bound up in ideas of community and pre

contractual forms of relationality Ladd demonstrates that all three writers Faulkner in *As I Lay Dying* Welty in selected short stories and in *The Golden Apples* and Hurston in *Tell My Horse* place women in territories where community is threatened or nonexistent and new opportunities for self definition can be seized And in *A Fable* Faulkner undertakes a related project in his exploration of gender and history in an era of world war focusing on men mourning and resistance and on the insurgences of the masses the feminized others of history in order to rethink authorship and resistance for a totalitarian age Filled with insights and written with obvious passion for the subject *Resisting History* challenges received ideas about history as a coherent narrative and about the development of U S modernism and points the way to new histories of literary and cultural modernisms in which the work of women shares center stage with the work of men **Texas Rain** Jodi

Thomas, 2006-11-07 New York Times bestselling author Jodi Thomas delivers a tender tale of the Old West a handsome Texas Ranger and a mysterious woman fleeing a terrible fate in the first powerful novel in the *Whispering Mountain* series Honest straightforward and ruggedly handsome Travis McMurray is also more than a little bit busted the result of an ambush during his service as a Texas Ranger And beautiful Rainey Adams is in a fix of her own on the run from an arranged marriage she'll do just about anything to keep her freedom The first time they meet she steals a kiss and his horse The second time she's an angel of mercy who eases him through a terrible fever and then disappears When Travis recovers he's determined to track down this intriguing woman and bring her back to the *Whispering Mountain Ranch* as his bride But this renegade may be too much for even the toughest Ranger to handle
