was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea The Rainmaker John Grisham,2005-09-27 1 NEW YORK TIMES BESTSELLER A taut and terrific page turner Entertainment Weekly from the master of the courtroom thriller Great fun to read The complex plotting is Grisham s major accomplishment Los Angeles Times In development as a USA Network series starring John Slattery It s summer in Memphis The sweat is sticking to Rudy Baylor s shirt and creditors are nipping at his heels Once he had aspirations of breezing through law school and punching his ticket to the good life Now he doesn t have a job or a prayer except for one an insurance dispute that leaves a family devastated and opens the door for a lawsuit if Rudy can find a way to file it By the time Rudy gets to court a heavyweight corporate defense team is there to meet him And suddenly he s in over his head plunged into a nightmare of lies and legal maneuverings A case that started small is exploding into a thunderous million dollar war of nerves skill and outright violence a fight that could cost one young lawyer his life or turn him into the biggest rainmaker in the land Patricia Ann Lynch,2004-01-01 Designed specifically for young readers the Mythology A to Z series explores the world s most important myths and legends in an accessible and entertaining manner Each volume includes vividly written entries on the major figures places stories objects and themes of a given mythology A vast continent Africa is the home of the first humans and the birthplace of many cultures ranging from nomadic bands to farmers to sophisticated civilizations With four major language families and myriad peoples Africa is also the source of a diverse and engaging body of myth African Mythology A to Z is a clearly written reference guide to this lore Containing 42 illustrations two maps a time line a bibliography an index and extensive cross references African Mythology A to Z is a comprehensive and accessible reference guide for anyone interested in learning more about various African myths traditions and beliefs **Preludes** Christine Downing,2005-05 These essays are clearly not about play as unseriousness not about fun and games a point that should be abundantly demonstrated by the reference to the death camps of the Holocaust They are about the space the Spielraum necessary for the wheel of life to turn soulfully Christine Downing s essays may be felt to function as a possible prelude to the play of a truly ludic imagination which like Buber s slow medicine quietly enters the soul working into the heart awakening a secret melody to be noticed only later Preludes indeed David L Miller Author of Three Faces of God and Hells and Holy Ghosts The Stolen Bible Gerald O. West,2016-08-09 The Stolen Bible tells the story of how Southern Africans have interacted with the Bible from its arrival in Dutch imperial ships in the mid 1600s through to contemporary post apartheid South Africa The Stolen Bible emphasises African agency and distinguishes between African receptions of the Bible and African receptions of missionary colonial Christianity Through a series of detailed historical geographical and hermeneutical case studies the book analyses Southern

African receptions of the Bible including the earliest African encounters with the Bible the translation of the Bible into an African language the appropriation of the Bible by African Independent Churches the use of the Bible in the Black liberation struggle and the ways in which the Bible is embodied in the lives of ordinary Africans
