Farnsworth, 2017-12-11 The Grand Western Railroad Game By Robert S Farnsworth The Grand Western Railroad Game by Robert S Farnsworth is a fascinatingly detailed story of the historical importance of Western railroads It has been meticulously written to educate the reader on the intricacies involved in the creation and growth of the Rock Island System over the Empire Years The railroad s premium passenger train service even inspired the popular song The Rock Island Line is a Mighty Fine Line To quote the author I wrote this book not from just the viewpoint of a rail fan hundreds of whom have diligently photographically documented the railroad s passage through time but from the viewpoint of a former employee and from the insights gained from a broad education in both the university and in the experience of a practiced transportation planner I hope that the reader will learn from the stories told here that the workers tried valiantly to do their jobs that the line s managers were forced to play with the hand that was dealt to them from a less than full deck and that investors expected to get a reasonable return on the often gigantic sums paid into the corporation I hope that the information contained within these covers leads others toward more detailed studies of the railroads and of the conditions in which they survived if not prospered The Boston Globe Index ,1999 **You're Not Going to Believe This...** Chris Fry, 2018-01-22 What would be the title of the next chapter of your life if someone shares with you the knowledge that Jesus paid it all for you to overcome life s challenges How about if someone told you that God is working behind the scenes on your behalf and working everything out for your good with encouraging love He has reestablished for you in the name of the sacrifice of His Son My desire today is to challenge your thinking to come up higher and set down with Jesus a while and learn about Him God has already prepared for your journey of transformation strategies and information from His Word to overcome everything your adversary has placed in your path Through life highway you may not believe this but He believes in you and Christ has qualified you for the victory in Him When God looks at you He sees you as a son and a daughter clothed in favor blessings and a successful leader of the faith Take hold of Him today and to those who knew your story and might not believe this you can look at you now and see what the Lord has done and its marvelous in His sight About the Author An ordained minister of the Gospel since 2015 Chris has a passion for seeing a transformation over those who have never intimately met the true and faithful eternal author of the Word King Jesus Also See believers who have met Him to rise and operate in their
