Revelation Down To Earth Making Sense Of The Apocalypse Of John:

Revelation Down to Earth Edwin Walhout, 2000 Dr Edwin Walhout's lifelong interest in the book of Revelation comes to a mature climax in this volume which shows convincingly how and why this elusive Christian scripture provides a comprehensive world and life view for understanding the world in which we live Arguing that the orientation of Revelation is present not future a perspective that brings balance to much current writing on the topic Walhout explains John's enigmatic visions in Revelation in pastoral down to earth terms He carefully describes for readers what the apostle John saw and he relates these compelling visions to Jesus the gospel and the church today According to Walhout John was deeply concerned for the churches under his care even though he was writing to them in exile and he transcribed his visions in order to encourage them in their current persecution and trials Through these strange yet powerful symbolic images the churches were meant to grasp how God was working through Jesus by means of the gospel and the power of Christ's Spirit and how they in turn might cope in troubled times From this perspective the challenging visions of Revelation discussed here as septets the Seven Churches the Seven Seals the Seven Trumpets the Seven Bowls take on fresh and highly relevant meaning The implications of Revelation for the future can be seen but only as the result of what is happening in the present John's first century present and also our own Walhout's study shows the book of Revelation to contain a magnificent theology of history with Jesus Christ directing humanity irresistibly toward its ultimate goal the new Jerusalem where sin is no more

Rainbow, 2008-10-15 To serve God and Christ faithfully in the midst of a pagan society that exalts power wealth and pleasure is the tenor of the prophetic summons to the church in the book of Revelation Unfortunately this simple message as potent today as it was at the end of the first century is often obscured by misguided if sincere interpreters The present book explores the background issues and lays out the principles that inform a sound approach to this enigmatic writing its historical and cultural setting its literary structure its symbolic code its core theological concepts its scheme of last things and its preachable and teachable points In dialogue with dispensationalism on the one hand and with the skeptical criticism of it on the other The Pith of the Apocalypse derives clues for cracking the Apocalypse from the book itself viewed against the sweep of the biblical prophetic tradition that flowed into it through the lens of methods widely accepted in mainstream New Testament scholarship Readers will return to the book of Revelation itself with enhanced confidence penetration and understanding *Revelation* Mwaniki

Karura,2024-10-24 This commentary helps the reader of the book of Revelation to navigate through the challenges that have so far complicated interpretation of the book It walks the reader into the four vision halls Patmos symbolic heaven symbolic wilderness and the symbolic high mountain Like a trained tour guide it illuminates the nature and purpose of every symbol and simulation of the things that are and the things that are to come It identifies strategic acts embedded in the visionary simulations as the major communicative devices that the divine author used to evoke the intended reader responses

HEAVEN Michael G. Maness,2004-12-01 In heaven we shall know everlasting rest and the full measure of our inheritance Though no eye has seen what God has prepared for us from Revelation 21 22 we can understand a little of what heaven will feel like We shall know a new freedom economy purity peace and so much more Those will be the simple experiences The greater experiences will be in everlasting love most especially in an everlasting marriage and an enduring intimate community Likewise we shall know a growing and everlasting security within our grand heritage within God s promises and in the work of Christ Yet the greatest experience of all is also the hardest to understand because it is the farthest removed from our earthly experience The greatest experience of all will be that for the rest of our everlasting loving lives we will share in the very life and glory of our dynamic and loving God our loving Father and Abba The greatest experience in heaven will be the very life and light that we share with God Himself so very personal and loving to the uttermost

Joy in Our Weakness Marva J. Dawn,2002-07-08 Neither a commentary on the book of Revelation nor a devotional work though it offers aspects of both Joy in Our Weakness is instead a theological and practical guide that ushers readers into the very presence of Christ and His Lordship over the powers of evil Marva Dawn writes compassionately for those who suffer for this book was born out of her own struggles with physical limitations and chronic illness and it is intended to help the whole Church learn how to find Joy in every circumstance of life especially in trials and sufferings After outlining some important foundational principles in three introductory chapters Dawn guides readers through the whole book of Revelation pointing out the errors of those who try to calendarize the end of the world and instead delineating how The Revelation reveals Christ s Lordship exposes the workings of the powers and sustains those who suffer until evil is ultimately defeated Now thoroughly revised for a wider readership Joy in Our Weakness highlights The Revelation s original purpose to comfort afflicted suffering believers and spells out a biblically grounded theology of weakness offering a rare gift to the Church today A wealth of insight and encouragement truly awaits the readers of these pages

Elenchus of Biblica ,2004 **Choice** ,2000 **CURRENT CONTENTS January 7, 2002 Volume 24 Number 1** ,2002 John's Gospel and Intimations of Apocalyptic Catrin H. Williams, Christopher Rowland, 2014-03-27 John s Gospel has traditionally been regarded as the least apocalyptic document in the New Testament This exciting new collection redresses the balance by exploring the ways in which the apocalyptic literature of Second Temple Judaism has contributed to the theology and outlook of John s Gospel Given that John like the Jewish apocalyptic texts is primarily concerned with the theme of revelation the contributors examine how apocalyptic ideas can help to explain the Johannine portrayal of Jesus as the messenger sent from heaven to reveal the divine mysteries as well as the Gospel s presentation of the activity of the Spirit its understanding of evil and the intended effects of this apocalypse in reverse on its readers and hearers The highly distinguished contributors include John Ashton Christopher Rowland April DeConick Judith Lieu and Jorg Frey

Christianity Down To Earth Edwin Walhout, 2015-06-16 Examine four major mind sets in history showing how they have

influenced Christianity Enlightenment Philosophy of modern times has spawned four theological patterns with which we are still struggling today This book calls us back to the theistic mind set of the Bible and to an examination of our theological traditions If you have philosophical interests this is the book for you *A Heavenly Chorus* Justin Jeffcoat Schedtler,2014-10-30 The claim that Revelation s hymns function as did Classical tragic choral lyrics insofar as they comment upon or interpret the surrounding narrative has become axiomatic in studies of Revelation Justin Jeffcoat Schedtler marks an advance in this line of inquiry by offering an exegetical analysis of Revelation s hymns alongside a presentation of the forms and functions of ancient tragic choruses and choral lyrics Evaluating the hymns in light of the varieties and complexities of ancient tragic choruses he demonstrate that they are not best evaluated in terms of choral lyrics generally but in terms of dramatic hymns in particular insofar as they constitute mythological theological reflections on the surrounding narrative and function to situate the surrounding dramatic activity in a particular mythological theological contexts The Mystery of God, the Final Episode Paul Winkler,2016-01-26 In this eye opening commentary Paul Winkler unlocks the Scriptures to reveal the mystery of God and how it was fulfilled just as Jesus promised within one generation of Christs time on earth Winkler condenses intensely technical studies from around the world and across time to present an easy to read verse by verse discussion of the entire book of Revelation His masterful inclusion of Scriptures from both the Old and New Testaments will leave readers feeling confident instead of confused and able to apply kingdom promises to their lives today His work supports the preterist prophecy already fulfilled viewpoint If one gives an answer before he hears it is folly and shame The one who states his case first seems right until the other comes and examines him Proverbs 18 13 17 ESV

International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences ,2003 **A New History of Early Christianity** Charles Freeman,2009-01-01 Tracing the astonishing transformation that the early Christian church underwent from sporadic niches of Christian communities surviving in the wake of a horrific crucifixion to sanctioned alliance with the state Charles Freeman shows how freedom of thought was curtailed by the development of the concept of faith The imposition of correct belief and an institutional framework that enforced orthodoxy were both consolidating and stifling Uncovering the church s relationships with Judaism Gnosticism Greek philosophy and Greco Roman society Freeman offers dramatic new accounts of Paul the resurrection and the church fathers and emperors **BOOK JACKET** **Rooted and Grounded** Ryan D. Harker,Janeen Bertsche Johnson,2016-01-28 For many of us the connection between the ecological crisis and humanity s detachment from the land is becoming increasingly clear In biblical terms adam humanity has severed itself from the adamah soil and we creation are reaping the consequences This collection of essays and the conference from which it took shape calls the church to root itself more deeply in the agrarian biblical text and ecclesial tradition in order to remember and freshly imagine ways of living on and with the land that are restorative reconciling and faithful to the triune God s invitation to new life in Christ

When we listen attentively to and patiently learn from the biblical text church history and theology the land itself can become a conversation partner and we are summoned to recognize that the gospel is reserved not simply for humanity but for the whole of creation **Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur** ,2003
