Summary of Corey Robin's The Reactionary Mind Everest Media,2022-04-05T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 A political party may find that it has had a history before it is fully aware of or agrees on its permanent tenets Its fundamental beliefs will be found only by careful examination of its behavior throughout its history and by examining what its more thoughtful and philosophical minds have said on its behalf 2 Modern politics is the story of the march of democracy in which men and women have fought for their rights and freedoms But behind that march there has always been a counter march led by conservative ideas 3 Occasionally the subordinates of a world protest their conditions and make demands They cease to be servants or supplicants and become agents speaking and acting on their own behalf This infuriates their superiors 4 American labor history is filled with similar complaints from the employing classes and their allies in government not that unionized workers are violent or unprofitable but that they are independent and self organizing **The Folk Lore and Provincial Names of British Birds** Charles Swainson,1886

Summary of Corey Robin's The Enigma of Clarence Thomas Everest Media,2022-08-08T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The classic American autobiography narrates a pilgrim s progress originating in chaos and ending in clarity But for Clarence Thomas his life story is more like an un ironic Henry Adams never reaching illumination and mastery 2 In American autobiographies the countryside is often a place of horror while the city is an answer to the rural However this is not the case in African American autobiographies where the city is often a source of racism and hostility 3 Thomas s dislike of black liberals stems from the fact that he believes they are the product of light skinned privilege He believes that because light skinned black elites have the skills and cultural capital to represent the race they see themselves as the public face and natural leaders of the black community 4 After moving from rural Pin Point to urban Savannah Thomas attended all male Holy Cross in 1968 one of nineteen black men recruited by the legendary Father John Brooks His peers were far more hostile towards him than he was towards them Robin's Puzzle William H.C. Hatteroth III,2019-10-16 The story teller continues his tale with more mystery and adventure After foiling a plot to steal a secret weapon from England Robin returns home for the first time in many years His visit is cut short when a mysterious box is found by Robin s lifelong friend and teacher Springfield This box cannot be opened in a normal way or broken into without destroying its contents This box must contain something of great value to others and so a perilous journey to France begins *Student and Schoolmate* ,1867 Poor Robin's Prophecies Benjamin Wardhaugh,2012-10-25 From the reign of Charles II to the early 19th century a curious Almanac part teach yourself mathematics part political satire promoted the use of science in everyday life and trades Benjamin Wardaugh tells the story of the rumbustious Poor Robin of Saffron Walden and the rise of popular science in Georgian England **Glover's Illustrated Guide and Visitors' Companion through the Isle of Man** Matthew GLOVER,1865 Sri Lanka at the Crossroads of History Zoltán

Australian Bird Names Ian Fraser, Jeannie Gray, 2019-09-02 This second edition of Australian Bird Names is a completely updated checklist of Australian birds and the meanings behind their common and scientific names, which may be useful, useless, or downright misleading. For each species, the authors examine the many and varied common names and full scientific name with derivation, translation, and a guide to pronunciation. Stories behind the name are included, as well as relevant aspects of biology, conservation, and history. Original descriptions translated by the authors have been sourced for many species. As well as being a book about names, this is a book about the history of the ever-developing understanding of birds, about the people who contributed to this understanding, and most of all, about the birds themselves. This second edition has been revised to follow current taxonomy and understanding of the relationships between families, genera, and species. It contains new taxa, updated text, and new vagrants, and will be interesting reading for anyone with a love of birds, words, or the history of Australian biology and bird watching.

Ridsen, 2014-01-10 This collection of essays analyzes film representations of the Crusades, other medieval East-West encounters, and the modern inheritance of encounters between orientalist fantasy and apocalyptic conspiracy. From studies of the filmic representations of popular figures such as El Cid, Roland, Richard I, and Saladin to examinations of such topics as Templar romance and the role of set design, location, and landscape, the essays make significant contributions to our understanding of orientalist medievalism in film. The tragedy unfolds with a spellbinding flashback, unveiling the tragic circumstances that threaten to define 16-year-old Alice's future. First, the revelation of her pregnancy; second, the discovery by her father. Now orphaned, Alice finds herself thrust into the care of her only living relative, her tormented and alcoholic uncle, Robin. As the play oscillates between unyielding despair and uproarious comedy, Robin's turbulent past as a once-celebrated comedian seeks to raze the meek cuffs of their intertwined fates. Further calamity ensues when Robin's ex-wife meets a grim fate within his home amidst a series of comically unfortunate events. The media frenzy surrounding this new bereavement compounds the duo's distress, testing their resilience and straining their fragile bond. As Robin's innocence is vindicated, questions loom over the future of his relationship with Alice. While he grapples with his own demons, Alice is forced into premature adulthood, wrestling with unhealed wounds and unanswered questions.
