juvenile to the adult bird via courtship song breeding feeding migration and ultimately death At the same time we trace the robin s relationship with us how did this bird one of more than 300 species in its huge and diverse family find its way so deeply and permanently into our nation s heart and its social and cultural history It s a story that tells us as much about ourselves as it does about the robin itself No other bird is quite so ever present and familiar so embedded in our culture as the robin But how much do we really know about this bird There is no doubt that Moss s book with its charming cover and quaint illustrations will make it into many a stocking this year The Times [The Story of Robin Gallant](#) T. K.

Mamand,2015-09-17 This is the story of a chick called Robin Gallant who along with his brothers and sisters a wicked fox stole because of their parents negligence But Robin alone escapes and ends up living in a care home for other neglected chicks The wicked fox attacks the care home and takes Robin and some other chicks who lived there with him But using his intelligent and careful actions Robin escapes again and rescues his friends from the brutal paws and fangs The wicked fox vows to take revenge and makes a cunning plan He attacks while Robin is playing in the street with other baby animals and chicks But his plan fails and the police arrest him The police take the wicked fox to the court where the jury finds him guilty and the judge issues a death sentence to restore the peace and safety of all baby animals and chicks in town With his cunning and craftiness the fox puts all the court members and visitors in fear of death and manages to escape from his punishment and leave all the court members in fear of their own lives One needs to read this book to find out how Robin was abducted on the night before he was born and eventually escaped Robin was abducted again and escaped once more and the fox was arrested and left the court in fear for their lives so they let him go free Im sure that your kids will find this book very interesting
