Roche, a Company History Hans Conrad Peyer,1996 **Roche** Hans Conrad Peyer,1996 *The Age of Anxiety* Andrea Tone,2008-12-30 A critical study of America s tranquilizer culture ranges from the 1950s to the present day as it looks at Americans increasing dependence on pills and prescriptions to ensure peace of mind traces the growth of the billion dollar anti anxiety business and assesses the economic cultural and social influence of pharmaceuticals *The History of Foreign Investment in the United States, 1914-1945* Mira WILKINS,Mira Wilkins,2009-06-30 Mira Wilkins the foremost authority on foreign investment in the United States continues her magisterial history in a work covering the critical years 1914 1945 Wilkins includes all long term inward foreign investments both portfolio by individuals and institutions and direct by multinationals across such enterprises as chemicals and pharmaceuticals textiles insurance banks and mortgage providers other service sector companies and mining and oil industries She traces the complex course of inward investments presents the experiences of the investors and examines the political and economic conditions particularly the range of public policies that affected foreign investments She also offers valuable discussions on the intricate cross investments of inward and outward involvements and the legal precedents that had long term consequences on foreign investment At the start of World War I the United States was a debtor nation By the end of World War II it was a creditor nation with the strongest economy in the world Integrating economic business technological legal and diplomatic history this comprehensive study is essential to understanding the internationalization of the American economy as well as broader global trends **The European Yearbook of Business History** Wilfried Feldenkirchen,Terry Gourvish,2019-04-26 First published in 1999 this volume aims to reflect on the changing structure experience and aspirations of European business as it approaches the Millennium including chapters in issues including business scandals in the Weimar Republic the evolution of management consultancies in Portugal and Spain and the British Public Sector The yearbook exploits these changes by serving as a forum for debate in Europe and aims to bring work on individual countries to a wider European audience Responding to the challenge of globalization cooperation within a single European market and an increasing interest in corporate governance and environmental issues the yearbook broadens to include socio political issues along with stimulating new types of scholarship among European business historians and new preservation strategies by business archivists **The SAGE Encyclopedia of Cancer and Society** Graham A. Colditz,2015-08-12 The first edition of the Encyclopedia of Cancer and Society was published in 2007 and received a 2008 Editors Choice Award from Booklist It served as a general non technical resource focusing on cancer from the perspective of the social and behavioral sciences exploring social and economic impacts the business of cancer advertising of drugs and treatment centers how behavior change could offer great potential for cancer prevention environmental risks food additives and regulation the relation between race and ethnicity and cancer risk socioeconomic status controversies both scientific and political in cancer treatment and research country by country entries

on cancer around the world and more Given various developments in the field including new drug treatments political controversies over use of the vaccines Gardasil and Cervarix with young girls to prevent cervical cancer and unexpected upticks in the prevalence of adult smoking within the U S following decades of decline the SAGE Encyclopedia of Cancer and Society Second Edition serves as an updated and more current encyclopedia that addresses concerns pertaining to this topic Key Features Approximately half of the 700 first edition articles revised and updated 30 new entries covering new developments since 2006 Signed entries with cross references Further Readings accompanied by pedagogical elements New Reader s Guide Updated Chronology Resource Guide Glossary and through new Index The SAGE Encyclopedia of Cancer and Society Second Edition serves as a reliable and precise source for students and researchers with an interest in social and behavioral sciences and seeks to better understand the continuously evolving subject matter of cancer and society

The Oxford Handbook of International Business Alan M. Rugman, 2003 This handbook synthesises some literature of the last 40 years in 28 chapters The coverage is split into the following areas the history and theory of the multinational enterprise the political and policy environment of international business

European Business, Dictatorship, and Political Risk, 1920-1945 Christopher Kobrak, Per H. Hansen, 2004 For much of the twentieth century the prevalence of dictatorial regimes has left business especially multinational firms with a series of complex and for the most part unwelcome choices This volume which includes essays by noted American and European scholars such as Mira Wilkins Gerald Feldman Peter Hayes and Wilfried Feldenkirchen sets business activity in its political and social context and describes some of the strategic and tactical responses of firms investing from or into Europe to a myriad of opportunities and risks posed by host or home country authoritarian governments during the interwar period Although principally a work of history it puts into perspective some commercial dilemmas with which practitioners and business theorists must still unfortunately grapple

Drugged Richard J. Miller, 2014 Miller takes readers on an eye opening tour of psychotropic drugs describing the various kinds how they were discovered and developed and how they have played multiple roles in virtually every culture
