

Moses Strikes the Rock

Full story can be found in Numbers 20:1-12

The people in the wilderness were afraid to drink the water without Moses and Aaron met with God for help.

The Lord told Moses to take the staff, gather the people and speak to the rock before them and it would pour out water to drink.

Moses took the staff as instructed by the Lord. He and Aaron gathered the people together in front of the rock.

There was no water for the community to drink so the people turned against Moses and Aaron.

Even though

water came out of the rock, the Lord kept Moses from

entering the promised land because he did not trust and obey what the Lord said.

Moses spoke to the people to help them to drink water for the whole of the community. The rock was struck by the staff and the people were able to drink.
