## Rock Gardening For Amateurs:

**Rock Gardening for Amateurs** Harry Higgott Thomas,1914      *Rock Gardening for Amateurs* H. H.

Thomas,2015-06-04 Excerpt from *Rock Gardening for Amateurs* To have written a book on rock gardening for amateurs a few years ago would probably have proved futile since comparatively few amateurs were interested They were indifferent because ignorant of the charms and the possibilities of rockeries and of the adaptability of alpine plants The present popularity of rock gardening and its wide appeal to all classes of flower lovers are due to the fact that amateurs have begun to realise that the miniature plants from the high mountains and it is for their accommodation that rock gardens are made are intensely fascinating and on the whole easy to grow This result is doubtless owing in great degree to the discovery of new and beautiful kinds and to the prominence given to rock plants at flower shows throughout the country However this may be rock gardening enjoys far greater popularity now than ever before and garden lovers have found that a simple rockery can be just as delightful as an elaborate one Alpine flowers should make an especial appeal to the possessor of a small garden for it is possible to grow so many of them in a restricted area Quite a small rockery will accommodate from one to two hundred alpins and the more kinds one grows the greater is the enjoyment they vary so remarkably in growth in form and colour of leaf and blossom and in their needs as to afford unending delight to the gardener About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      Rock Gardening for Amateurs H. H. Thomas,1932      **Rock Gardening for Amateurs** Harry Higgott Thomas,191?      **Rock Gardening for Amateurs** Thomas H. H. (Harry Higgott),2019-03-04 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      **Gardening for Amateurs** Harry Higgott Thomas,1915      **Rock Gardening for**

**Amateurs** Harry Higgott Thomas,1924      **Rock Gardening for Amateurs** Harry Higgott Thomas,Samuel Arnott,2008-12
