Library of Congress

Rock Island Diesel Locomotives 1930-1980:

Rock Island Diesel Locomotives, 1930-1980 Louis A. Marre, 1982 **The Rock Island Line** Bill Marvel, 2021-12-22

Explore the rich history of the legendary railroad that spanned the American Midwest in this beautifully illustrated volume. Beginning operations in the mid nineteenth century the Rock Island Line served farms and small town America for more than 140 years. One of the earliest railroads to build westward from Chicago it was the first to span the Mississippi advancing the frontier bringing settlers into the West and hauling their crops to market. Rock Island's celebrated Rocket passenger trains also set a standard for speed and service with suburban runs as familiar to Windy City commuters as the Loop. For most of its existence the Rock battled competitors much larger and richer than itself. When it finally succumbed the result was one of the largest business bankruptcies ever. Today as its engines and stock travel the busy main lines operated by other carriers the Rock Island Line lives on in the hearts of those whom it employed and served.

A Mighty Fine Road H. Roger Grant, 2021-12-22

Grant has once again hit a home run with a detailed but readable history of the Chicago Rock Island and Pacific, a major Midwestern railroad. Carlos A. Schwantes, St. Louis Mercantile Library Professor Emeritus, traces the Chicago Rock Island's grueling ten year ultimately unsuccessful battle to merge with the Union Pacific and the Rock Island's final liquidation in 1981. But today long after its glory days and eventual demise the Mighty Fine Road has left behind a living legacy of major and feeder lines throughout the country. In his latest work railroad historian H. Roger Grant offers an accessible gorgeously illustrated and comprehensive history of this iconic American railroad. This handsome well illustrated book merits the attention of any reader interested in the history of Iowa. And just as important the book reminds us of the importance of railroads to the history and vitality of American society. All aboard Iowa City Press Citizen. **A Mighty Fine Road** lays out the amazing yet heartbreaking history of the railroad I loved. The historical opportunities and disappointments of the Rock Island is clearly explained in Grant's book with visionaries keeping the dream moving forward yet damaged and constrained by greed and lack of vision with the next management regime. Dan Sabin, President Iowa Northern Railway Company.

Historic Railroads of Nebraska Michael M. Bartels, James J. Reisdorff, 2002

The advance of Union Pacific Railroad tracklayers across Nebraska was part of America's great adventure of the 19th century. It marked the beginning of the era of the iron horse in Nebraska, a time when the whistle of an approaching train became synonymous with prosperity and contact with the outside world. **Historic Railroads of Nebraska** takes a photographic journey down the tracks of the five major railroads and various short lines that helped Nebraska progress into a national center of agriculture and business. The trip begins with the formative years of Nebraska towns that were established along railroad lines in the 19th century. It then travels through the 20th century and documents the major changes and challenges that the railroad industry faced. Through over 200 photographs this book chronicles the era of streamlined passenger trains, rustic steam locomotives, and a bustling Omaha Union Station. The journey makes stops at railroad landmarks, significant cities, the state's only railroad tunnel, and the

legendary North Platte Canteen Out of Steam Jeffrey W. Schramm, 2010 About the Author Jeff Schramm is an associate professor of history at Missouri University of Science and Technology Book Jacket **Seventy-five Years of Railroad History**, 1997 **Railroad History**, 1997 *Iowa and Some Iowans* Betty Jo Buckingham, 1988 *Illinois History* Ellen M. Whitney, Illinois State Historical Library, 1995-02-22 Cosponsored by the Illinois State Historical Library and the Illinois State Historical Society this bibliography lists more than 4 600 books articles and manuscript sources Drawing on the publications of the sponsoring organizations as a guide and to form the core of the volume the editors include the major historical publications related to Illinois Following a chronology of Illinois history entries are organized in both chronological and topical chapters The volume provides the only extensive bibliography on Illinois history currently available Covering the entire span of Illinois history from prehistory to the present the chronological section includes chapters on such major periods as the early exploration and territorial periods the Civil War era the 19th century and the Depression era Topical chapters include broad topics such as economic history education environment and native Americans The volume also includes a section devoted to biography and one covering general and regional histories and reference sources Subject Catalog Library of Congress, **Subject Catalog, 1982** Library of Congress, 1982 Bibliographic Guide to Technology New York Public Library.
