Rockefeller of New York

Executive Power
in the Statehouse

A sympathetic yet critical look
at Nelson A. Rockefeller's
performance as governor
of New York—

Rockefeller Of New York Executive Power In The Statehouse

Laurence M. Hauptman

Rockefeller Of New York Executive Power In The Statehouse:

Rockefeller of New York Robert H. Connery, 2019-01-24 This book is at once a history of Nelson A Rockefeller's fifteen year governorship and a balanced assessment of his performance. Reviewing in depth the major public policies initiated by the Rockefeller administration in New York between 1959 and 1973, the authors pinpoint the governor's successes and failures and use them to probe the extent and limits of state executive power in our country today. Robert H. Connery and Gerald Benjamin appraise the massive efforts that were made across many complex policy areas: higher education, mental hygiene, drug control, low and middle income housing, mass transportation, conservation, and land use planning. During the Rockefeller years, New York maintained its position as one of the nation's most progressive states. Rockefeller's great strengths, the authors say, lay in the quality of his leadership and in the unflinching way in which he drove the state to confront the major problems of his time, but they are critical of him for trying to do too much too fast. The failure was one of perspective, they write. It resulted from Rockefeller's inability to accept the limits of his circumstances and thus to accept the cumulative consequences of his decisions. Rockefeller gave Connery and Benjamin complete access to his own papers and to those of the Executive Chamber. In addition, the authors gathered information by extensive interviews with political leaders and state officials of both parties as well as with journalists. They offer a compelling, rounded view of a controversial chief executive and a vigorous account of the ongoing dynamic process of government.

Governing New York State Jeffrey M. Stonecash, 2001-02-08 An indispensable guide to New York State's politics, political institutions, and public policies.

The Oxford Handbook of New York State Government and Politics Gerald Benjamin, 2012-09-03 New York remains the Empire State. Its trillion dollar economy makes the state a national and often world leader in banking, finance, publishing, soft services, law, accounting, insurance, consulting, higher education, culture, and the arts. With more than one in five of its residents having immigrated from elsewhere, New York State is an ethnic and social harbinger for an increasingly diverse nation. Recent years have found it like many other big states challenged to achieve effective governance. How is, can, or should such a state be governed? What is its history? What is its future? *The Oxford Handbook of New York State Government and Politics* offers an unusually comprehensive, detailed, and systematic study of this unique and influential state. The thirty-one chapters in *The Oxford Handbook of New York State Government and Politics* assemble new scholarship in key areas of governance in New York, document the state's record in comparison to other US states, and identify directions for future research. Following editor Gerald Benjamin's introduction, the handbook chapters are organized in five sections that look at the state constitution, state political processes, state governmental institutions, intergovernmental relations, and management and policy areas. Chapters address a wide array of topics, including political parties, campaign finance, policy, public opinion, polling, elections, and election management, lobbying, and interest group systems, the state legislature, the governorship, the judiciary, the state's foreign policy, education, health care policy, public safety, economic development, transportation policy, energy policy, and more.

A final chapter compiled by the state archivist consists of a most extensive annotated bibliography of resources on state history state political history the state constitution and state political processes Chapter authors include both scholars of New York State and current and former state officials *Laurance S. Rockefeller* Robin W. Winks,2013-04-15 Despite his status as a scion of one of the wealthiest and most famous families in the United States and an enormously successful businessman in his own right Laurance S Rockefeller is unknown to all but a small circle of Americans Yet while he has been neither Vice President nor Governor nor chairman of the world s largest bank his contribution to society has been at least as great as that of his more famous brothers In *Laurance S Rockefeller Catalyst for Conservation* noted historian Robin W Winks brings Laurance to the forefront offering an intimate look at his life and accomplishments While Rockefeller has played a vital role in the business world as one of the most astute venture capitalists of our time providing seed money for among other endeavors Eastern Airlines Intel Corporation and Apple Computers his driving passion throughout his life has been the environment In addition to the millions of dollars he has donated and the numerous conservation organizations he has helped to found he served under five consecutive presidents in environmental advisory capacities Perhaps most significantly Rockefeller served under Presidents Eisenhower and Kennedy as chairman of the Outdoor Recreation Resources Review Commission ORRRC brilliantly orchestrating an assessment of the recreation and conservation needs and wants of the American people and the policies and programs required to meet those needs The reports issued by the Commission represent a groundbreaking achievement that laid the framework for nearly all significant environmental legislation of the following three decades Winks uses a combination of historical insight and extensive access to Rockefeller and government archives to present the first in depth examination of Laurance Rockefeller s life and work His deftly argued and gracefully written volume explains and explores Rockefeller s role in shaping the transition from traditional land conservation to a more inclusive environmentalism It should compel broader interpretation of the history of environmental protection and is essential reading for anyone concerned with the past or future of conservation in America *The Government and Politics of New York State* Joseph F. Zimmerman,2008-03-27 In this updated edition of his classic text Joseph F Zimmerman offers a balanced presentation of the institutions and political processes of the Empire State He begins with an overview of the state and offers chapters on federal state and interstate relations state local relations the constitution political parties elections and interest groups the state legislature the governor the fourth branch the departments and agencies of the executive branch the judiciary and state finance including state local fiscal relations Zimmerman emphasizes the legal foundations of the state as they influence greatly the behavior of leading public officers and interest groups Most importantly constitutional restrictions on the state legislature and local governments are examined as well as the ingenious ways by which several restrictions upon the state legislature have been circumvented *Renaissance Lawman* Martin Alan Greenberg,2020-02-03 *Renaissance Lawman* The Education and Deeds of Eliot H Lumbard details the life education and public service career of

Eliot Howland Lombard A lawyer who most of his life lived and worked in Manhattan and whose legal career spanned more than fifty years beginning in the early 1950s Lombard is easily identified as a renaissance lawman for having gained considerable expertise in the operations of the political and justice systems and for proceeding to capitalize on this knowledge to become both an advocate and initiator of progressive reforms for criminal justice His contributions on behalf of public safety have been largely forgotten but throughout this intriguing biography Martin Alan Greenberg successfully juxtaposes many of Lombard s professional activities with many of the major historical developments and challenges of his time The chronicled events emphasize what motivated the people in his generation to behave as they did since the world today is a much different place than what Americans were experiencing in the first three decades after WW II Cultural and technological changes have combined to make our present day world quite different from over a half century ago Renaissance Lawman proves to be especially rewarding to a wide range of readers interested in police work criminal justice history public service leadership and legal ethics There are no other comparable books on the market Lombard certainly had a unique legal career and his impactful contributions have seldom if ever been duplicated even if his contributions on behalf of public safety have been largely forgotten **Governing New York State** Robert F. Pecorella, Jeffrey M.

Stonecash, 2006-02-16 Essays on New York State government and politics **On His Own Terms** Richard Norton Smith, 2014-10-21 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE BOSTON GLOBE BOOKLIST AND KIRKUS REVIEWS From acclaimed historian Richard Norton Smith comes the definitive life of an American icon Nelson Rockefeller one of the most complex and compelling figures of the twentieth century Fourteen years in the making this magisterial biography of the original Rockefeller Republican draws on thousands of newly available documents and over two hundred interviews including Rockefeller s own unpublished reminiscences Grandson of oil magnate John D Rockefeller Nelson coveted the White House from childhood When you think of what I had he once remarked what else was there to aspire to Before he was thirty he had helped his father develop Rockefeller Center and his mother establish the Museum of Modern Art At thirty two he was Franklin Roosevelt s wartime coordinator for Latin America As New York s four term governor he set national standards in education the environment and urban policy The charismatic face of liberal Republicanism Rockefeller championed civil rights and health insurance for all Three times he sought the presidency arguably in the wrong party At the Republican National Convention in San Francisco in 1964 locked in an epic battle with Barry Goldwater Rockefeller denounced extremist elements in the GOP a moment that changed the party forever But he could not wrest the nomination from the Arizona conservative or from Richard Nixon four years later In the end he had to settle for two dispiriting years as vice president under Gerald Ford In **On His Own Terms** Richard Norton Smith re creates Rockefeller s improbable rise to the governor s mansion his politically disastrous divorce and remarriage and his often surprising relationships with presidents and political leaders from FDR to Henry Kissinger A frustrated architect turned master builder an avid collector of art and an

unabashed ladies man Rocky promoted fallout shelters and affordable housing with equal enthusiasm From the deadly 1971 prison uprising at Attica and unceasing battles with New York City mayor John Lindsay to his son's unsolved disappearance and the grisly theories it spawned the punitive drug laws that bear his name and the much gossiped about circumstances of his death Nelson Rockefeller's was a life of astonishing color range and relevance On His Own Terms a masterpiece of the biographer's art vividly captures the soaring optimism polarizing politics and inner turmoil of this American Original Praise for On His Own Terms An enthralling biography Richard Norton Smith has written what will probably stand as a definitive Life On His Own Terms succeeds as an absorbing deeply informative portrait of an important complicated semi heroic figure who in his approach to the limits of government and to government's relation to the governed belonged in every sense to another century The New Yorker A splendid biography a clear eyed exhaustively researched account of a significant and fascinating American life The Wall Street Journal A compelling read What makes the book fascinating for a contemporary professional is not so much any one thing that Rockefeller achieved but the portrait of the world he inhabited not so very long ago The New York Times On His Own Terms has perception and scholarly authority and is immensely readable The Economist [New York Politics](#) Edward V Schneier, Brian Murtaugh, 2015-01-28 Most New Yorkers have very little knowledge of how influence is wielded in Albany This acclaimed book offers a chance to look behind those closed doors The authors an Albany based political scientist and a former State Assembly member now joined by an expert on political blogging and networking infuse their discussion of institutions and processes with the drama and significance of real power politics Completely revised and updated with extensive new material the book covers recent political developments and electoral contests as well as all the basics constitutional issues historical economic social and demographic factors the functioning of executive legislative and judicial institutions urban local and special district governments parties interest groups and bureaucracies and finance budgets health education and welfare programs Throughout the authors are attentive to the many paradoxes and dualities that distinguish political social and economic life in the Empire State **New York** Michael N. Danielson, Jameson W. Doig, 1982-09-15 This volume is the fourth in the Franklin K Lane series on the governance of major metropolitan regions The series is sponsored by the Institute of Governmental Studies and the Institute of International Studies University of California in Berkeley Readers of these volumes and other relevant literature will no doubt agree with the authors of this book that similar patterns are found in New York London Toronto Stockholm and indeed in every other major metropolitan region in the United States and in other advanced industrial societies The presence of such common factors and trends although they assume different configurations in various metropolitan regions has been demonstrated by the work of many scholars including Peter Hall Brian Berry Marion Clawson Jean Gottmann Larry Bourne and William Robson as well as by the authors of the other Franklin K Lane books Donald Foley Albert Rose and Thomas Anton In the present volume Michael Danielson and Jameson Doig have described and analyzed the cultural economic

political and other social forces shaping development in the New York region They present a picture of a region singular in its attractions problems geographic scope magnitude of development and complexity of the network of organizations involved in its governance

New York State: Peoples, Places, and Priorities Joanne Reitano, 2024-04-30 Now in its second edition New York State Peoples Places and Priorities is an accessibly written book that explores the ever shifting dynamics of New York State history in a single volume The text is organized both chronologically and topically balancing political economic social and cultural history It discusses key figures groups movements and controversies upstate and downstate Each chapter is divided into teachable digestible sections that examine the major developments and challenges of that period with timelines and lists of online resources to aid student understanding The new edition brings New York State's history into the present with coverage of recent political and economic developments the Covid 19 pandemic immigration and global warming Throughout the book material was added concerning the American Revolution the Civil War women's rights and environmental justice Artwork maps charts and textboxes illuminate the state's rich history Analytical questions accompanying figures and texts encourage deeper engagement with the past Designed for undergraduates this book is a concise and updated account of New York State's history over the centuries with a wealth of resources to benefit students and instructors alike

Vice Presidents L. Edward Purcell, 2010 The majority of our vice presidents have been people of extraordinarily high aspiration ability and achievement For some the vice presidency was the deflating end of a political career for others the office was a stepping stone to the presidency

Failed State Seymour P. Lachman, 2017-02-07 Failed State is both an original account of a state legislature in urgent need of reform and a call to action for those who would fix it Drawing on his experiences both in and out of state government former New York State senator Seymour P Lachman reveals and explores Albany's hush hush top down processes illuminating the hidden secretive corners where the state assembly and state senate conduct the people's business and spend public money Part memoir and part expos Failed State is a revision of and follow up to Three Men in a Room published in 2006 The focus of the original book was the injury to democratic governance that arises when three individuals governor senate majority leader and assembly speaker tightly control one of the country's largest and most powerful state

governments Expanding on events that have occurred in the decade since the original book's publication *Failed State* shows how this scenario has given way to widespread corruption among them the convictions of two men in the room the senate and assembly leaders as well as a number of other state lawmakers All chapters have been revised and expanded new chapters have been added and the final chapter charts a path to durable reform that would change New York's state government from its present day status as a national disgrace to a model of transparent more effective state politics and governance

Formulating American Indian Policy in New York State, 1970-1986 Laurence M. Hauptman, 1988-07-08 This is the first descriptive analysis of how American Indian policies are made both at the statewide and at agency levels Pertinent to all states the study describes New York's historic policies and emphasizes that improving Indian lifestyles or attracting Indians to government employment is handicapped by their overall distrust of state intentions a distrust caused by the continued impasse on American Indian land claims Employing archival records never before used as well as a plethora of interviews with state officials and American Indians over a fifteen year period Hauptman concludes that critical policy changes are needed to build lasting trust

Governing New York State, Sixth Edition Robert F. Pecorella, Jeffrey M. Stonecash, 2012-12-04 New York contains greater diversity than almost any other state This diversity creates extensive social and political conflict within the state *Governing New York State Sixth Edition* provides expert assessment of how these conflicts are organized and represented and how the political process and political institutions work in an effort to resolve them Contributors explore the role of political parties and interest groups in representing these concerns They also review the nature of the legislature the governor the courts and public authorities as well as how these institutions play a role in making decisions Finally the impact of politics is analyzed for the policy areas of intergovernmental fiscal relations welfare health and local education The sixth edition of *Governing New York State* provides an excellent summary of the political process and most of the major policy controversies in the state

The Growth of American Government Ballard C. Campbell, 1995 This ambitious well written book will be a useful resource for scholars an excellent overview a fine readable introduction that presents its analysis in a straightforward manner free from ideological baggage Congress The Presidency A refreshingly unorthodox narrative Campbell explains in plain language how government grew His stance is neither liberal nor conservative but simply well informed and reasonable Walter Nugent University of Notre Dame The canvas is large but one comes away from the book with an understanding of what has happened the factors contributing to these developments and their consequences Strongly recommended Samuel McSeveney Vanderbilt University Ballard Campbell has synthesized an amazing range of material federal state and even local studies from history political science economics and assorted other specialized studies The product is a strikingly comprehensive and readable history of the rise of government in the USA Even better it provides a coherent explanation of why the state grew so large Richard Jensen University of Illinois Chicago His overview chapter 2 should be a compulsory assignment for any seminar on modern political culture *The Journal of American*

History Campbell's book is a marvelous multidisciplinary synthesis that builds on the findings of historians of national state and local government along with those of economists and political scientists to provide a coherent account of the rise of modern American governing structures *Journal of Interdisciplinary History* The book should be useful in the classroom even for freshmen classes in U S history and government *American Historical Review* Readable and refreshingly unorthodox Campbell provides a coherent explanation of how and why government has become so large His book deserves inclusion in any undergraduate bibliography covering the development of American government *Political Studies Association* This engaging survey of the growth of government in America in the last century focuses on the evolution of public policy and its relationship to the constitutional and political structure of government at the federal state and local levels *Black Silent Majority* Michael Javen Fortner, 2015-09-28 Aggressive policing and draconian sentencing have disproportionately imprisoned millions of African Americans for drug related offenses Michael Javen Fortner shows that in the 1970s these punitive policies toward addicts and pushers enjoyed the support of many working class and middle class blacks angry about the chaos in their own neighborhoods **Being Governor** Thad L. Beyle, Lynn Roy Muchmore, 1983 This book examines the changing role of the governor in our federal system giving particular attention to recent developments The expansion of gubernatorial responsibilities into managerial executive and intergovernmental positions has taken place at the same time that the governor's role as leader of his political party has declined In discussing the contemporary role of governors the editors provide a view of how the office functions on a day to day basis The editors base their data on personal experience interviews with governors former governors and staff on site visits and responses to a series of nineteen surveys of governors and their staff conducted between 1976 and 1981 The research was undertaken by the Center for Policy Research of the National Governors Association *Getting Tough* Julilly Kohler-Hausmann, 2017-05-02 The politics and policies that led to America's expansion of the penal system and reduction of welfare programs In 1970s America politicians began getting tough on drugs crime and welfare These campaigns helped expand the nation's penal system discredit welfare programs and cast blame for the era's social upheaval on racialized deviants that the state was not accountable to serve or represent *Getting Tough* sheds light on how this unprecedented growth of the penal system and the evisceration of the nation's welfare programs developed hand in hand Julilly Kohler Hausmann shows that these historical events were animated by struggles over how to interpret and respond to the inequality and disorder that crested during this period When social movements and the slowing economy destabilized the U S welfare state politicians reacted by repudiating the commitment to individual rehabilitation that had governed penal and social programs for decades In its place they championed strategies of punishment surveillance and containment The architects of these tough strategies insisted they were necessary given the failure of liberal social programs and the supposed pathological culture within poor African American and Latino communities Kohler Hausmann rejects this explanation and describes how the spectacle of enacting punitive policies

convinced many Americans that social investment was counterproductive and the underclass could be managed only through coercion and force *Getting Tough* illuminates this narrative through three legislative cases New York's adoption of the 1973 Rockefeller drug laws Illinois's and California's attempts to reform welfare through criminalization and work mandates and California's passing of a 1976 sentencing law that abandoned rehabilitation as an aim of incarceration Spanning diverse institutions and weaving together the perspectives of opponents supporters and targets of punitive policies *Getting Tough* offers new interpretations of dramatic transformations in the modern American state

Enjoying the Beat of Term: An Emotional Symphony within **Rockefeller Of New York Executive Power In The Statehouse**

In a world taken by monitors and the ceaseless chatter of quick communication, the melodic beauty and emotional symphony developed by the published word frequently disappear into the backdrop, eclipsed by the relentless sound and distractions that permeate our lives. Nevertheless, set within the pages of **Rockefeller Of New York Executive Power In The Statehouse** a wonderful literary value full of natural emotions, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, that charming masterpiece conducts viewers on a mental journey, skillfully unraveling the concealed tunes and profound impact resonating within each cautiously constructed phrase. Within the depths of the touching evaluation, we can investigate the book's main harmonies, analyze its enthralling publishing model, and submit ourselves to the profound resonance that echoes in the depths of readers' souls.

Rockefeller Of New York Executive Power In The Statehouse Introduction

In today's digital age, the availability of Rockefeller Of New York Executive Power In The Statehouse books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rockefeller Of New York Executive Power In The Statehouse books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rockefeller Of New York Executive Power In The Statehouse books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rockefeller Of New York Executive Power In The Statehouse versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rockefeller Of New York Executive Power In The Statehouse books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rockefeller Of New York Executive Power In The Statehouse books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain,

meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rockefeller Of New York Executive Power In The Statehouse books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rockefeller Of New York Executive Power In The Statehouse books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rockefeller Of New York Executive Power In The Statehouse books and manuals for download and embark on your journey of knowledge?

FAQs About Rockefeller Of New York Executive Power In The Statehouse Books

What is a Rockefeller Of New York Executive Power In The Statehouse PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rockefeller Of New York Executive Power In The Statehouse PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rockefeller Of New York Executive Power In The Statehouse PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rockefeller Of New York Executive Power In The Statehouse PDF to another file**

format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rockefeller Of New York Executive Power In The Statehouse PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
