**Finding North** T. Orrin, 2012-09-29 There are times in your life when you realize you are lost Times in your life when you realize you long to be found For Corey Caines he has spent most of his life trying to find that place that appreciates his heart his joy The day he meets a mysterious gruff stranger he discovers that perhaps there is a place like that for him That he too can find his north *Irresistible Love* Joe White, 2020-01-07 *Irresistible Love* will help you on your journey to draw closer to Jesus It's your invitation to hitchhike with an author who has spent decades counseling and encouraging millions of men women and students of all ages in their quest for intimacy inner peace purpose and fulfillment This book is full of fascinating stories of people finding the love of God and learning what it means to grow closer to God through hardship Read this book Watch your faith grow And fall deeper in love with Jesus than you've ever dreamed possible [German Rocketeers in the Heart of Dixie](#) Monique Laney, 2015-01-01 This thought provoking study by historian Monique Laney focuses on the U S government assisted integration of German rocket specialists and their families into a small southern community at the end of World War II In 1950 Wernher von Braun and his team of rocket experts relocated to Huntsville Alabama a town that would celebrate the team despite their essential role in the Nazi war effort a decade earlier for their contributions to the U S Army missile program and later to NASA's space program Based on oral histories provided by members of the African American and Jewish communities the rocketeers families and co workers friends and neighbors Laney's book demonstrates how the histories of German Nazism and Jim Crow in the American South intertwine in narratives about the past This is a critical reassessment of a singular time that links the Cold War the Space Race and the Civil Rights era while addressing important issues of transnational science and technology and asking Americans to consider their country's own history of racism when reflecting on the Nazi past **The House Across the Street** R. K. Byers, 2019-09-26 The book's theme

concerns a young adolescent boy growing up and discovering the world of sex and love His success and failures result in his creating his own choices sometimes against his own character leanings often in accordance with his changing biology During this period he sporadically stands apart and examines what is happening as if out of time analyzing its sense and nonsense from a different dimension The sociological and psychological implications alone make this book an exciting read something akin to Carl Jung meeting Max Weber In addition the theological difficulties from the day take on a life of their own explaining how some of us ended up where we are today The philosophical issues of the day too take on a humorous new life in this seminal work Whether you grew up in the age or not boy or girl it s difficult not being able to walk next to him and understand oneself in a very new way Mr Byers tells stories with the buoyancy of Thomas Wolfe the subtle quirkiness of William Faulkner and the grace of Flannery O Connor Even in its heaviest moments you never want to put the work down caught as one is between wondering whether where it is headed and wishing it would go in another direction Anyone curious about the sixties especially how the era affected their beliefs as well as the present age would enjoy reading this book

*A Warrior's Heart* Tim Mehl, 2017-02-12 *A Warrior s Heart* is the spiritual autobiography of Tim G Mehl In it he shares about his struggles with ADD ADHD as a child in a time when schools and parents did not know how to handle a child with these issues This along with a difficult home life created feelings of self worthlessness and a low self esteem that led him toward the hippie movement of the 60s His story takes you through those hippie years along with the beginning of drug use and eventually dropping out of high school to enlist in the United States Navy He goes into great detail of the verbal abuse he sustained by his father as well as the serious respiratory illness of his mother who passed away just five days before his fifteen birthday When suicide seemed to be the only answer for his pain and hurt he found the love of God on the very day that he decided to kill himself He shares the incredible things that the Lord did in him for him and through him which eventually led him to become a peace officer with almost a thirty year law enforcement career He shares stories of God s protection even when he wasn t walking his Christian witness Near death experiences and how God protected him and kept him safe on the streets throughout his career as well as during his 10 year assignment working undercover Tim also shares his healing from the wounds and scars left by his feelings of failure rejection and worthlessness that penetrated deep into his heart By learning to forgive and receive forgiveness Tim takes you through his discovery of understanding and knowing God as his heavenly Father who has never rejected him or thought of him as a failure or worthless Becoming an ordained minister in 2004 God is using Tim and his wife Myrth in various areas of ministry within their church I have no doubt whatsoever that there are young people out there who are going through some of the exact things that I went through If this book about my testimony can reach just one person for Jesus Christ then everything that I ever went through was worth it I d do it all over again if just one person comes to know Jesus as Lord and Savior

*No Worse Enemy* Ben Anderson, 2012-03-01 The most comprehensive and gripping account of the Afghan war by a BBC journalist The war in Afghanistan is over ten years old It

has cost countless lives and hundreds of billions of pounds. Politicians talk of progress but the violence is worse than ever. In this powerful and shocking exposé from the front lines in Helmand province, leading journalist and documentary maker Ben Anderson's HBO Panorama and Dispatches shows just how bad it has got. Detailing battles that last for days only to be fought again weeks later, Anderson witnesses IED explosions and sniper fire amid disturbing incompetence and corruption among the Afghan army and police. Also revealing the daily struggle to win over the long-suffering local population who often express open support for the Taliban. No Worse Enemy is a heartbreaking insight into the chaos at the heart of the region. Raising urgent questions about our supposed achievements and the politicians' desire for a hasty exit, Anderson highlights the vast gulf that exists between what we are told and what is actually happening on the ground. A product of five years' unrivalled access to UK forces and US Marines, this is the most intimate and horrifying account of the Afghan war ever published.

**Marvel Guardians of the Galaxy: Space Riot** Pat Shand, 2017-05-09. Star Lord, Gamora, Drax the Destroyer, Rocket Raccoon and Groot are back and ready to expose intergalactic corruption in this new gripping space adventure. On the last leg of a month-long expedition to the farmland planet Spiralite, the Guardians run into a blockade of drones that impound their ship and see them imprisoned again. Despite Gamora's suspicions about Spiralite's involvement, the Guardians quickly find a way to complete their mission. But when they arrive at the drop-off planet, things take a bizarre turn: the original deal maker has no recollection of their agreement, and the planet's citizens are acting strangely robotic. Searching for answers, the Guardians find themselves embroiled in a hidden war that soon spirals into a galaxy-wide conspiracy that even Rocket Raccoon couldn't make up. Told in the voice of each wily misfit, Pat Shand's hilarious action-packed **Marvel Guardians of the Galaxy: Space Riot** delivers a chaotic escapade that Guardians fans won't soon forget.

**2000 American Alpine Journal**, Published annually since 1929. The American Alpine Journal is internationally recognized as the world's finest journal of its kind. The latest volume of climbing's journal of record offers the most complete picture available of who did what in 1999. Conrad Anker relates the triumph and tragedy of the Mallory discovery high on the slopes of Mount Everest, while Renny Jackson and Valeri Babanov recount impressive Alaskan climbs, and Slovenian climbers report on the hardest and boldest climbs of the year. If it happened in the world of climbing, it's in the AAJ. Founded in 1902, the American Alpine Club is the leading national organization devoted to mountaineering and rock climbing, to the conservation and study of mountainous regions, and to representing the interests of the American climbing community. The AAC is based in Golden, Colorado.
