

Rock's Wild Things

THE TROGGS FILES

Alan Clayson & Jacqueline Ryan

"From the outset the band was primitive. While British music was getting mellow and expanding its horizons, The Troggs used the most elementary three-chord power riffs, with lyrics expressing little more than a need to get laid."

Rocks Wild Things The Troggs Files:

Rock'n'Roll's Strangest Moments Mike Evans,2014-03-28 Rock music since its pre history in blues country music and 40s and early 50s pop through to the well publicised excesses of touring bands of today has left a legacy of thousands of weird and wonderful stories in its wake We ve all read about the Who s Keith Moon driving a Rolls Royce into a hotel swimming pool but far more bizarre tales of on the road mayhem have never been widely told Likewise Svengali like managers have manipulated starstruck musicians since rock began though hanging your well known client from a third floor window was a less usual way of ensuring their loyalty And just where was the stalled hotel lift in which all four Beatles according to legend were turned on to marijuana There are the unsung heroes of rock pioneering eccentrics who helped make the music what it is and ended up as mere footnotes in the history books Men such as UK producer Joe Meek who created seminal classics from a bed sit above a cleaners on the Holloway Road and the New York DJ who originally coined the phrase rock n roll and died in alcoholic poverty Not to mention the stories behind the stars when Debbie Harry was a Playboy Bunny Paul Simon wrote Homeward Bound on Widnes railway station in Lancashire and the Gallagher brothers so they claim were petty thieves

Rock Band Name Origins Greg Metzger,2015-03-20 This book details the origins of the names of 240 musical acts focusing on the most popular groups and a few individual performers from the 1960s through today Even casual music fans will recognize almost all of the acts discussed A few one hit wonders are included simply because their name is so unusual Mungo Jerry for example that they warrant a place in the study Each entry focuses on the meaning and or origin of the act s name what it had been called previously and any other names that were considered and rejected during the naming process Also included are facts and figures about the act s history and place in the rock music pantheon the year the act was formed the names of original members and later members of note and the act s best known hit The book lists bands alphabetically to give the casual reader the opportunity to open it to any page and read at leisure the historian the ability to easily pinpoint the subject of his or her research or the die hard rock fan the chance to learn from A to Z the name origins of the biggest acts in rock and pop music history

Brian Jones Alan Clayson,2004-02-02 Brian Jones the legend and icon is familiar to generations of rock fans but the reality of his life has always remained mysterious Granted godlike status alongside giants like Jim Morrison Jimi Hendrix and Janis Joplin Jones was more than the Stones ill fated pretty boy Set against the dramatic backdrop of the swingin sixties Alan Clayson s biography reveals an extremely talented musician and a surprisingly driven man whose creative energies propelled him to fame even as they prepared him for an early drink and drug fuelled demise Clayson interviewed many of Jones s family and contemporaries for this in depth portrait Clayson examines the many spheres of Brian Jones life from assessing his contributions in the crucial early years of The Rolling Stones to the rumors that Jones was murdered by a bodyguard

Gathered From Coincidence Tony Dunsbee,2015-03-01 Combining the personal memories and critical analysis of a self confessed pop addict with a wealth of contemporary documentary evidence Gathered From Coincidence reconstructs a truly momentous era to tell the story of the music of the Sixties year by year By tracing in parallel the origins and development of the recording careers of major talents on both sides of the Atlantic the Beatles the Rolling Stones the Beach Boys Bob Dylan Dusty Springfield and many more besides this account shows how they traded creativity with one another All the great Sixties hits as well as a host of less well known gems are described in the context of the charts of the day tracking the ups and downs of different trends as they came and went such as rock n roll rhythm blues psychedelia modern folk the concept

album or supergroups But beyond this each chapter also places the music in a broader historical and cultural setting of landmark events at home and abroad the space race the Profumo affair the Cold War Vietnam the growth of satire to show how as the decade unfolded the paths of pop and current affairs drew ever closer together If you thought the Sixties were just about the fleeting dreams of hippies in the Summer of Love then think again This book will open your eyes to a far reaching imaginative legacy and how it came to shape pop music as a dazzling art form in its own right *Charlie Watts* Alan Clayson,2011-08-01 Often appearing as a mere onlooker who didn't really want to be there Charlie Watts the silent Stone embraced fame reluctantly Yet ironically if any one of the Stones could have made it big without the rest it surely would have been Watts who showed as much early promise as an artist as he did a jazz drummer Understated and seemingly underwhelmed Watts provided a stark contrast to the brash Keith Richards and the bohemian Brian Jones and was in some ways an unlikely candidate for the drummer's stool Forty years later however he is regarded by many as the one factor that has kept the band going bringing vitality to their music as well as artistry to their album covers Charlie Watts remarkably the first biography of the drummer continues Alan Clayson's study of The Rolling Stones with an intriguing insight into the life of the man who has been keeping time for the Stones for over four decades Alan Clayson is a noted writer and author of many musical biographies including The Beatles Box biography set **The Troggs Files** Alan Clayson,Jacqueline Ryan,2000 Traces the history of the band from its founding in 1964 by Reg Presley and Ronnie Bond through the hitmaking years of Wild Thing and I Can't Control Myself through the years of struggle to today's renaissance Drawing on interviews with band members past and present plus unlimited access to Reg Presley the book presents the whole Troggs story and is spiced by many amusing anecdotes including the truth behind The Troggs Tapes the infamous compilation of studio chat said to have inspired the Spinal Tap rockumentary **Sixties British Pop, Outside In** Gordon Thompson,2024 Itchycoo Park 1964 1970 the second volume of Sixties British Pop Outside In explores how London songwriters musicians and production crews navigated the era's cultural upheavals by reimagining the pop music envelope Thompson explores how some British artists conjured up sophisticated hybrid forms by recombining elements of jazz folk blues Indian ragas and western classical music while others returned to the raw essentials Encouraging these experiments youth culture's economic power challenged the authority of their parents generation Based on extensive research including vintage and original interviews Thompson presents sixties British pop not as lists of discrete people and events but as an interwoven story **The International Who's Who in Popular Music 2002** Andy Gregory,2002 TheInternational Who's Who in Popular Music 2002offers comprehensive biographical information covering the leading names on all aspects of popular music It brings together the prominent names in pop music as well as the many emerging personalities in the industry providing full biographical details on pop rock folk jazz dance world and country artists Over 5 000 biographical entries include major career details concerts recordings and compositions honors and contact addresses Wherever possible information is obtained directly from the

Rocks Wild Things The Troggs Files Introduction

In today's digital age, the availability of Rocks Wild Things The Troggs Files books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rocks Wild Things The Troggs Files books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rocks Wild Things The Troggs Files books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rocks Wild Things The Troggs Files versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rocks Wild Things The Troggs Files books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rocks Wild Things The Troggs Files books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rocks Wild Things The Troggs Files books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals,

making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rocks Wild Things The Troggs Files books and manuals for download have transformed the way we access information.
