Kent, 1933 In the Eye of the Storm Frances Kathryn Pohl, 1995 THE SCHILLER COLLECTION OF SOCIAL COMMENTARY ART is unequaled in America Cohesive in theme and monumental in scope it consists of over five hundred works that reflect the tumultuous eras that rocked our nation s history between 1930 and 1970 the Great Depression World War II McCarthyism the Civil Rights Movement and the Vietnam War In The Eye of the Storm highlights seventy one of the paintings drawings and prints collected by Philip J and Suzanne Schiller over the past twenty years The works in this volume embrace an astounding range of styles and subject matter These range from social realism to magic realism and social surrealism by such masters as Ben Shahn Philip Evergood Jack Levine Moses Soyer Jacob Lawrence Ivan Albright Romare Bearden Jared French George Grosz Rockwell Kent Peter Saul and George Tooker among others As this century draws to a close these images provoke discussion about our nation s recent past and suggest lessons on how to shape its future Not a narrowly focused study of political art here the reach of social commentary is broad and open Going beyond the immediate issues of the day this four decade overview reveals a unique perspective on both art and history in modern America Frances

K Pohl examines the works in a chronological context interweaving eloquent social history with incisive aesthetic criticism Philip J Schiller's introduction offers insight into the mind of a knowledgeable collector deeply committed to the work's humanist theme Andrea Swanson Honor's carefully researched biographies of the artists enhance this edition's value as an important scholarly reference An exhibition organized by the American Federation of Arts featuring sixty two of the works from the Schiller collection selected by Ms Honor begins touring the United States in October 1995
