Roda Roda Erzahlt:

Roda Roda erzählt Alexander Roda Roda,1925 A Companion to Twentieth-Century German Literature Raymond Furness, Malcolm Humble, 2003-09-02 Containing entries on over four hundred authors of fiction poetry and drama from Germany Austria and Switzerland this invaluable work of reference presents material of a range and depth that no other book on the subject in English attains For the second edition the entries have been updated to include the most recent works of German literature A number of new entries have been added dealing in particular with the East German literary scene and the changing literary landscape after reunification In addition to basic biographical facts the Companion offers summaries information on involvement in literary groups and political developments schools and movements critical terms and aspects of the other arts including film **Moderate Modernity** Jochen Hung, 2023-02-06 Focusing on the fate of a Berlin based newspaper during the 1920s and 1930s Moderate Modernity The Newspaper Tempo and the Transformation of Weimar Democracy chronicles the transformation of a vibrant and liberal society into an oppressive and authoritarian dictatorship Tempo proclaimed itself as Germany's most modern newspaper and attempted to capture the spirit of Weimar Berlin giving a voice to a forward looking generation that had grown up under the Weimar Republic's new democratic order. The newspaper celebrated modern technology spectator sports and American consumer products constructing an optimistic vision of Germany's future as a liberal consumer society anchored in Western values. The newspaper's idea of a modern democratic Germany was undermined by the political and economic crises that hit Germany at the beginning of the 1930s The way the newspaper described German democracy changed under these pressures Flappers American fridges and modern music the things that Tempo had once marshalled as representatives of a German future were now rejected by the newspaper as emblems of a bygone age The changes in Tempo s vision of Germany's future show that descriptions of Weimar politics as a standoff between upright democrats and rabid extremists do not do justice to the historical complexity of the period Rather we need to accept the Nazis as a lethal product of a German democracy itself The history of Tempo teaches us how liberal democracies can create and nurture their own worst enemies Der Hodscha Nasreddin Albert Wesselski, 2018-04-05 Reproduction of the original Der Hodscha Nasreddin by Albert Wesselski Red Vienna, White Socialism, and the **Blues** Robert B. McFarland, 2015 Reveals Ann Tizia Leitich American correspondent for Austrian newspapers in the 1920s and 1930s as an important cultural mediator between the two countries The Universal Jewish Encyclopedia ... Isaac Landman, Simon Cohen, 1943 Bibliographien. Schriftsteller, Publizisten und Literaturwissenschaftler in den USA John M. Spalek, Konrad Feilchenfeldt, Sandra H.
