Rodney King Case:

Understanding the Riots, 1992 Coverage of the 1992 L A riots by the Los Angeles Times *The Rodney King Case*, 1993 The Rodney King Case, 1993 **The Crisis**, 1992-04 The Crisis founded by W E B Du Bois as the official publication of the NAACP is a journal of civil rights history politics and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color For nearly 100 years The Crisis has been the magazine of opinion and thought leaders decision makers peacemakers and justice seekers It has chronicled informed educated entertained and in many instances set the economic political and social agenda for our nation and its multi ethnic citizens **ABA Journal**, 1991-07 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association **The Contested Murder of Latasha Harlins** Brenda Stevenson, 2013-07-23 Helicopters patrolled low over the city filming blocks of burning cars and buildings mobs breaking into storefronts and the vicious beating of truck driver Reginald Denny For a week in April 1992 Los Angeles transformed into a cityscape of rage purportedly due to the exoneration of four policemen who had beaten Rodney King It should be no surprise that such intense anger erupted from something deeper than a single incident In The Contested Murder of Latasha Harlins Brenda Stevenson tells the dramatic story of an earlier trial a turning point on the road to the 1992 riot On March 16 1991 fifteen year old Latasha Harlins an African American who lived locally entered the Empire Liquor Market at 9172 South Figueroa Street in South Central Los Angeles Behind the counter was a Korean woman named Soon Ja Du Latasha walked to the refrigerator cases in the back took a bottle of orange juice put it in her backpack and approached the cash register with two dollar bills in her hand the price of the juice Moments later she was face down on the floor with a bullet hole in the back of her head shot dead by Du Joyce Karlin a Jewish Superior Court judge appointed by Republican Governor Pete Wilson presided over the resulting manslaughter trial A jury convicted Du but Karlin sentenced her only to probation community service and a 500 fine The author meticulously reconstructs these events and their aftermath showing how they set the stage for the explosion in 1992 An accomplished historian at UCLA Stevenson explores the lives of each of these three women Harlins Du and Karlin and their very different worlds in rich detail Through the three women she not only reveals the human reality and social repercussions of this triangular collision she also provides a deep history of immigration ethnicity and gender in modern America Massively researched deftly written The Contested Murder of Latasha Harlins will reshape our understanding of race ethnicity gender and above all justice in modern America

High-Profile Crimes Lynn S. Chancer, 2010-02-15 O J Simpson The Central Park jogger Bensonhurst William Kennedy Smith Rodney King These are more than crimes and criminals more than court cases They are cultural events that for better or worse gave concrete expression to latent social conflicts in American society In High Profile Crimes Lynn Chancer explores how these cases became conflated with larger social causes on a collective level and how this phenomenon has

affected the law the media and social movements An astute and incisive chronicle of some of the most polarizing cases of the 1980s and 1990s High Profile Crimes shows that their landmark status results from the overlapping interaction of diverse participants The merging of legal cases and social causes Chancer argues has wrought ambivalent effects on both social movements and the law On the one hand high profile crimes offer important opportunities for emotional expression and raise awareness of social issues But on the other hand social problems cannot be resolved through the either or determinations that are the goals of the legal system creating frustration for those who look to the outcome of these cases for social progress Guilt or innocence through the lens of the media leads to either defeat or victory for a social cause a confounding situation that made the O J Simpson case for example unable to resolve the issues of domestic violence and police racism that it had come to symbolize Based on nearly two hundred interviews Chancer s discussions of the infamous Central Park jogger and Bensonhurst cases as well as the rape trials of William Kennedy Smith and Mike Tyson the assault cases of Rodney King and Reginald Denny and finally the O J Simpson murder trial provide a convincing multidimensional and innovative analysis of the most charged public dramas of the last two decades

A History of the Nation of Islam Dawn-Marie Gibson,2012-04-23 This book provides a fascinating unparalleled look at the Nation of Islam including its history the complexity of its views towards orthodox Muslims women and other minorities and the trajectory of the group after the 1995 Million Man March The release of the Federal Bureau of Investigation s extensive archive of surveillance files interviews and firsthand accounts has made it possible to reveal the truth behind the myths and misperceptions about the Nation of Islam This comprehensive resource catalogues the times places and people that shaped the philosophies from its formative years through to its present incarnation The definitive source on the subject A History of The Nation of Islam Race Islam and the Quest for Freedom draws on over a dozen interviews along with archival and rarely used sources The book departs from the usual Malcolm X centric treatment of the subject and instead examines the early leadership of Fard Muhammad challenges conventional views on Malcolm X and explores the present day internal politics of the movement post Louis Farrakhan s retirement

Politics in Black and White Raphael J. Sonenshein,2018-06-05 This book reaches deep into the past of the city of Los Angeles and carries through to the dramatic events that have recently received global attention the Rodney King beating and the uprising in South Central L A Tracing the evolution of an extraordinary biracial coalition in Los Angeles behind Mayor Tom Bradley Raphael Sonenshein shows how crossover politics and racial violence coexist in urban America While challenging the prevailing pessimism about biracial coalitions in general he also compares their relative successes in Los Angeles to their disheartening failures in New York City What emerges is a probing look at a crucial issue of politics in the United States can whites and minorities find common ground

The Grammar of Criminal Law George P. Fletcher,2019-09-30 To understand the international legal order in the field of criminal law we need to ask three elementary questions What is international law What is criminal law And what happens to these two fields when they are joined together Volume Two of The Grammar of

Criminal Law sets out to answer these questions through a series of twelve dichotomies such as law vs justice intention vs negligence and causation vs background events that invite the reader to better understand the jurisprudential foundations of international criminal law The book will appeal to anyone interested in the future of international cooperation in a time of national retrenchment and will be of interest to students scholars and policymakers around the world **Archives of the Insensible** Allen Feldman,2015-12-08 In Archives of the Insensible anthropologist Allen Feldman presents a genealogical critique of the sensibilities and insensibilities of contemporary warfare Feldman subjects the law to a strip search interrogating diverse trials and revealing the intersecting forms of bodily and psychic subjugation that they display Throughout ethnographic specificities are treated philosophically and political philosophy is treated ethnographically through deconstructive description Among the cases he examines are the interrogation of Ashraf Salim at the Combatant Status Review Tribunal at Guantanamo the kangaroo court of American soldiers who murdered Gul Mudin an Afghani noncombatant Gerhard Richter s forensic paintings of the disputable suicides of a Red Brigade cell in Stammheim prison Radovan Karadzic s forensic allegations against the corpses attributed to his shelling of a market in Sarajevo the trial of the police officers who beat Rodney G King and the latter s judicial lynching by video montage Jean Luc Godard s film class at Sarajevo where visual facts are indicted for no longer speaking for themselves and Jacques Derrida standing naked before his cat while awaiting apocalyptic judgment Through his analysis of these and several other cases Feldman shows how state power arises ex nihilo in the chasm between violent events themselves and the space where political meaning is made He aims to reverse sovereign logic the whole task of which is to transform what Foucault called the enigmatic dispersion of human events into certified facts on which state violence is grounded In contrast Feldman relies on the disorientation that arises from micrological description as theory in an attempt to retard the hyperaccelerated time of war and media **Punishing Hate** Frederick M. Lawrence,2009-07-01 Lawrence poses the question Should bias crimes be punished more harshly than similar crimes not motivated by bias He answers strongly in the affirmative as do many scholars and citizens but he is the first to provide a solid theoretical grounding for this intuitive agreement and a detailed model for a bias crimes statute based on the theory

Transmission Peter d'Agostino,David Tafler,1995 The essays in this volume investigate the impact of all media including the emerging technologies on the social cultural economic and political climate in the context of aesthetic values and issues of gender race and class Transmission examines the array of forces moving the contemporary video landscape forward comparing the past with the present as well as the future as it looks at the impact of video on commercial television the relationship of media to the social causes it mis represents and the effects of new communication tools on participating constituents **In Contempt** Christopher Darden,2016-03-18 1 New York Times Bestseller For more than a year Christopher Darden argued tirelessly for the prosecution giving voice to the victims in the O J Simpson murder trial In Contempt is an unflinching look at what the television cameras could not show behind the scenes meetings the deteriorating relationships

between the defense and prosecution teams the taunting baiting and pushing matches between Darden and Simpson the intimate relationship between Darden and Marcia Clark and the candid factors behind Darden's controversial decision for Simpson to try on the infamous glove and much more Out of the sensational frenzy of the trial of the century comes this haunting memoir of duty justice and the powerful undertow of American racism A stunning masterpiece told with brutal honesty and courage

When Police Kill Franklin E. Zimring, 2017-02-20 Franklin Zimring compiles data from federal records crowdsourced research and investigative journalism to provide a comprehensive fact based picture of how when where and why police use deadly force He offers prescriptions for how federal state and local governments could reduce killings at minimum cost without risking officers' lives

The Theory and Practice of Political Communication Research Mary E. Stuckey, 1996-01-01 Focusing on theoretical and methodological insight this book brings together scholars from a variety of fields whose research is guided by diverse analytical approaches Instead of focusing on what divides scholars the authors explore areas of intellectual community building a more systematic and rigorous understanding of political communication By broadening and deepening understanding of the field this book provides insight into political processes that would otherwise be lacking

Contemporary Controversies and the American Racial Divide Robert C. Smith, Richard Seltzer, 2000-05-30 Contemporary Controversies and the American Racial Divide is a detailed study of some of the most racially divisive issues America has encountered in the past decade Smith and Seltzer employ more than forty surveys to explore race based public opinion differences on high profile controversies including the Rodney King and O J Simpson cases the arrest trial jailing and subsequent reelection of Washington D C Mayor Marion Barry the Million Man March and Louis Farrakhan and the Clarence Thomas Anita Hill controversy The authors also look at race based opinion differences on the inner city crack cocaine epidemic and the spread of AIDS among the American populace The divisions in opinion between blacks and whites on these controversies are explained in terms of the distinctive historical and cultural experiences of the different races and the gaps gulfs and chasms in their contemporary social and economic conditions While also noting significant commonalities in opinion across the color line the book focuses on racial differences and their sources and in a concluding chapter advances suggestions as to how the nation might overcome its racial divisions This innovative study is a unique rich contextualized dynamic analysis of race opinion unlike anything else in literature

Promises to Keep Greg Dimitriadis, Dennis Carlson, 2003-05 For all of its promise public education in the twentieth century never lived up to its democratic potential This book takes a serious look at the slow erosion of the fuller democratic meaning of a public education and a public life

Five Fires David Wyatt, 1998 Using his background in cultural history and literature David Wyatt focuses this history of California on five events that swept through the state altering its physical and political landscape Five Fires provides a unique framework for understanding the recent developments in California and will prove an important contribution to the history of American culture

Photos Canadian Critical Race Theory Carol A.

Aylward,2025-07-17T00:00:00Z The growth of the Critical Race Theory genre began in Canada when scholars of colour in Canada began to articulate a dissatisfaction with the existing Canadian legal discourse which failed to include an analysis of the role that race and racism has played in the political and legal structures of Canadian society This book is about the role that race and racism play in the theory and practice of law It shows how Canadian Black lawyers and others are beginning to seriously consider the role of race in litigation and to develop critical race litigation strategies to address the issue The author documents how a growing body of work designed to move us beyond theory to practical application is being developed to help recognize the complex relationships among race racism and the law
