Martinson, 2013-12-01     The Kuwait Petroleum Corporation and the Economics of the New World Order Mary Ann Tetreault, 1995-01-30 Economic and strategic power is not the exclusive province of powerful developed countries Kuwait has used its main resource oil to integrate itself into the world economy as an autonomous actor rather than as a dependent commodity exporter This daring economic strategy enabled Kuwait to claim military support from governments hosting its direct investments overseas in 1990 91 following its invasion by Iraq Based on five years of research including interviews with more than 200 people Dr Tetreault's book analyzes the development of the Kuwait Petroleum Corporation in the context of domestic regional and world politics Contrary to current thinking she argues that multinational vertical integration under state ownership can be an optimal strategy for oil exporting developing countries particularly those whose resource endowments are otherwise highly limited This book is directed toward executives in natural resource industries economic and strategic planners in public and private institutions and those charged with the formulation and implementation of national international and transnational economic policy in addition it is of interest to academics specializing in political economy development industrial organization regional and domestic politics and international relations     ABA Journal , 1968-02 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association     **Oil and Ideology** Roger M. Olien, Diana Davids Hinton, Diana Davids Olien, 2000 A synthesis of cultural business gender and intellectual history exploring how the negative image of America's petrol industry was created It shows how this image helped shape policy toward the industry in ways that were sometimes at odds with the goals of reformers and the public interest     *Taking on the Trust: How Ida Tarbell Brought Down John D. Rockefeller and Standard Oil* Steve Weinberg, 2009-08-10 This dual biography tells the story of how Ida Minerva Tarbell an ambitious reporter brought down John D Rockefeller the tycoon at the head of Standard Oil Adapted from back cover     **The Prize** Daniel Yergin, 2012-09-11 The Prize recounts the panoramic history of oil and the struggle for wealth power that has always surrounded oil This struggle has shaken the world economy dictated the outcome of wars and transformed the destiny of men and nations The Prize is as much a history of the twentieth century as of the oil industry itself The canvas of this history is enormous from the drilling of the first well in Pennsylvania through two great world wars to the Iraqi invasion of Kuwait and Operation Desert Storm The cast extends from wildcatters and rogues to oil tycoons and from Winston Churchill and Ibn Saud to George Bush and Saddam Hussein The definitive work on the subject of oil and a major contribution to understanding our century The Prize is a book of extraordinary breadth riveting excitement and great importance     *Henry Demarest Lloyd and the Empire of Reform* Chester McArthur Destler, 2016-11-15

This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas

**Democracy and the Origins of the American Regulatory State** Samuel DeCanio,2015-10-27 Political scientist Samuel DeCanio examines how political elites used high levels of voter ignorance to create a new type of regulatory state with lasting implications for American politics Focusing on the expansion of bureaucratic authority in late nineteenth century America DeCanio s exhaustive archival research examines electoral politics the Treasury Department s control over monetary policy and the Interstate Commerce Commission s regulation of railroads to examine how conservative politicians created a new type of bureaucratic state to insulate policy decisions from popular control

*Antimonopoly and American Democracy* Daniel A. Crane,William J. Novak,2023 Americans today worry about concentrated power in private industry to an extent not seen in generations Not only do they find diminished diversity of service providers and producers but they are disquieted by the power of a few large companies to shape and constrain democratic processes Americans across the political spectrum from former President Donald Trump to Massachusetts Senator Elizabeth Warren have sounded alarms about the overlarge power of business in both public and private life While many of the technologies and industries that worry Americans are new the concerns they ve raised are not unprecedented Antimonopoly and American Democracy traces the history of antimonopoly politics in the United States arguing that organized action against concentrated economic power comprises an important American democratic tradition While prevailing narratives tend to treat monopoly as a risk to people mainly in their roles as consumers by causing prices to increase for example this study broadens the conversation recounting ways in which monopolism can hurt ordinary people without directly impacting their wallets From the pre revolutionary era to the age of Big Tech the volume explores the effects that historical monopolies have had on democracy by using their wealth and influence to dominate electoral politics and regulation Chapters also highlight a range of sites of economic concentration from land ownership to media reach and attempts at combating them from labor organizing to constitutional revision Featuring original scholarship from some of the world s leading experts in American economic political and legal history Antimonopoly and American Democracy offers important lessons for our contemporary political moment in which fears of concentrated wealth and influence are again on the rise

Titan Ron Chernow,2007-12-18 National Book Critics Circle Award Finalist From the acclaimed award winning author of Alexander Hamilton here is the essential endlessly engrossing biography of John D Rockefeller Sr the Jekyll and Hyde of American capitalism In the course of his nearly 98 years Rockefeller was known as both a rapacious robber baron whose Standard Oil Company rode roughshod over an industry and

a philanthropist who donated money lavishly to universities and medical centers He was the terror of his competitors the bogeyman of reformers the delight of caricaturists and an utter enigma Drawing on unprecedented access to Rockefeller's private papers Chernow reconstructs his subject's troubled origins his father was a swindler and a bigamist and his single minded pursuit of wealth But he also uncovers the profound religiosity that drove him to give all he could his devotion to his father and the wry sense of humor that made him the country's most colorful codger Titan is a magnificent biography balanced revelatory elegantly written     Alternative Tracks Gerald Berk,1997-07-23 Berk concludes that our understanding of historical political economy must take markets technologies and organizational forms as the contingent outcomes of such constitutional politics rather than as premeditated contexts for state and economic development     *Industrial Organization and Public Policy* Vernon Arthur Mund,Ronald H. web object detection perform classification object detection transfer learning using convolutional neural networks cnns or convnets create customized detectors object detection is a computer vision technique for locating instances of objects in images or videos object detection algorithms typically leverage machine learning or deep

**object detection and recognition code examples matlab** - Aug 16 2023

web find out about new features in matlab and computer vision toolbox designed to address many of the challenges faced when designing object detection and recognition systems get started with these application examples with matlab code that s ready to run or modify detecting objects in cluttered scenes

*generate code for object detection matlab simulink* - Mar 31 2022

web this example shows how to generate c code using matlab coder from matlab applications that use image processing toolbox functions the example describes how to setup your matlab environment and prepare your matlab code for code generation

**designing object detectors in matlab student lounge** - Feb 10 2023

web apr 11 2019 connell d souza is back guest blogging and tells us about object detection in matlab a few weeks ago i visited florida atlantic university s team owltonomous who compete in robonation student competitions like roboboast robotx and from 2019 onwards robosub as well our discussions spanned a range of topics including

**object detection matlab simulink mathworks** - Jun 14 2023

web object detection perform classification object detection transfer learning using convolutional neural networks cnns or convnets create customized detectors object detection is a computer vision technique for locating instances of objects in images or videos object detection algorithms typically leverage machine learning or deep

getting started with object detection using deep learning - Jan 09 2023

web getting started with object detection using deep learning object detection using deep learning provides a fast and accurate means to predict the location of an object in an image deep learning is a powerful machine learning technique in which the object detector automatically learns image features required for detection tasks

**object detection github topics github** - Jul 15 2023

web aug 29 2023 object detection star here are 77 public repositories matching this topic language matlab sort most stars cs chan exclusively dark image dataset star 462 code issues pull requests

**detect objects using the viola jones algorithm matlab** - Oct 06 2022

web description example detector vision cascadeobjectdetector creates a detector to detect objects using the viola jones algorithm detector vision cascadeobjectdetector model creates a detector configured to detect objects defined by

*what is object detection matlab simulink mathworks* - Jul 03 2022

web learn more about object detection what it is why it matters and how you can build machine learning and deep learning models for object detection with matlab

*matlab how to perform rcnn object detection on custom* - May 01 2022

web i m trying to perform object detection with rcnn on my own dataset following the tutorial on matlab webpage based on the picture below i m supposed to put image paths in the first column and the bounding box of each object in the following columns but in each of my images there is more than one object of each kind

**matlab object detection and tracking stack overflow** - Feb 27 2022

web oct 25 2015 i m doing a research project on object detection using my a digital camera some suggestion on how to build and program the matlab code in particular i have a picture of one object say a screen of my laptop than i rotate the laptop and i

*image object detection with red laser stack overflow* - May 13 2023

web mar 13 2013 1 i want to do object detection with a laser in matlab when i point the laser at an object i can detect that object however because the color of my laser is red when the laser is pointed at a red object i can not detect that object here is my process first i separate red objects using different methods

**code generation for object detection using yolo v3 matlab** - Jan 29 2022

web computer vision toolbox model for yolo v3 object detection this example shows how to generate cuda mex for a you only look once yolo v3 object detector yolo v3 improves upon yolo v2 by adding detection at multiple scales to

**object detection with 10 lines of code towards data science** - Jun 02 2022

web jun 16 2018 in this tutorial i will briefly introduce the concept of modern object detection challenges faced by software developers the solution my team has provided as well as code tutorials to perform high performance object detection

*motion based multiple object tracking matlab simulink* - Mar 11 2023

web this example created a motion based system for detecting and tracking multiple moving objects try using a different video to see if you are able to detect and track objects try modifying the parameters for the detection assignment and deletion steps

*training data for object detection and semantic segmentation* - Dec 08 2022

web object detectors use one of several computer vision toolbox object detectors for a list of detectors see object detection for object detectors specific to automated driving see the automated driving toolbox object detectors listed in visual perception automated driving toolbox

**pdf study of object detection implementation using matlab** - Sep 05 2022

web aug 16 2016 it demonstrates the basic block diagram of object detection and explains various predefined functions and object from different toolboxes that can be useful at each level in object detection

*mohamedharmoush object detection and recognition using matlab* - Aug 04 2022

web the goal of this project is to build an object recognition system that can detect objects from an input image and identifying the detected objects on the image by drawing a rectangle around each object on the image and classify it to be one from a 5 objects cat laptop apple helicopter and car

getting started with object detection using deep learning matlab - Dec 28 2021

web use an object detector in the computer vision toolbox to load the pretrained model and detect objects in a test image the table lists the names of the pretrained models names of the corresponding support packages and the object detectors in computer vision toolbox
