

# Rogers Rangers

**Phillip Thomas Tucker**

## **Rogers Rangers:**

Robert Rogers Jennifer Quasha, 2001-08-15 Traces the life of Robert Rogers an American hero of the French and Indian War who created a set of rules for fighting that is still taught in the military today Journals of Major Robert Rogers Robert Rogers, Franklin Benjamin Hough, 1883 Ranger Raid Phillip Thomas Tucker, 2021-06-01 A figure of legendary almost mythic proportions Robert Rogers is widely considered the father of U S Army Rangers He gained his fame during the French and Indian War fighting in the American and Canadian wilderness for the British colonies and the English Empire against the French and Indians but a decade later during the Revolution he was almost a man without a country During the American Revolution George Washington didn't trust him indeed he had Rogers arrested in 1776 nor did the British who desperate gave him a command anyway and Rogers was pivotal in arresting and executing American spy Nathan Hale However Rogers saga begins in the French and Indian War in what was a true American Odyssey Ranger Raid digs deep into Rogers most controversial battle the raid on St Francis in Canada during the French and Indian War On October 4 1759 Rogers and 140 Rangers raided the Native American town of St Francis Canada as part of British general Jeffery Amherst's plan to gain intelligence in the St Lawrence region At the time and for many decades thereafter this was seen as a great victory but now it seems like more of a massacre Phillip Thomas Tucker refreshes this story combining the biography of Robert Rogers the history of his Rangers and the history of the native peoples in this region to tell a new story of the St Francis raid and its influence in the French and Indian War the Revolutionary War and ever after **The History of Rogers' Rangers** Burt Garfield Loescher, 1946 **Journals of Robert Rogers of the Rangers** Robert Rogers, 2005-11 The thrilling true account of a famous woodsman scout guerilla leader during the formative years of the American Nation In the evocative pages of Rogers own journal we are taken through a landscape of dark untrodden forest where danger from hostile Indians and the French Army threaten every step Famous exploits of guerilla warfare are graphically told including battles and ambushes on America's lakes the devastating Fight on Snowshoes and the raid against the Abanakee's village at St Francis recounted across time by Rogers himself **Rogers Rangers and the Search for the River Ourigan** James Trump, 2017-07-05 Thirty six years before Lewis and Clark set out on their voyage of discovery Major Robert Rogers Commandant of Fort Michilimackinac launched his own expedition in search of the elusive Northwest Passage He was certain this water route across the continent existed The key however was finding the River Ourigan so named by the western Indians and said to run from the Shining Mountains to the Great Western Ocean Lack of funds to sustain the mission and Rogers arrest alleging he was conspiring with the French to betray the British Crown which were proven false forced the expedition to turn back Now with the backing of King George Rogers assembles a coalition of investors creating the Far West Company whose success depends on the opening of a new trading empire west of the Mississippi River and over the Shining Mountains Upon returning to Fort Michilimackinac Rogers leads a battalion of Rangers in search of the fabled passage

leading to the riches of the Pacific Ocean and the Far East Travel with Major Rogers and his men through the interior of the continent and experience the wonders and dangers they encounter along the way Does the passage really exist Join the expedition to find out     The history of Rogers' rangers Burt Garfield Loescher,1946     *Journals of Robert Rogers of the Rangers* Robert Rogers, Franklin Benjamin Hough, 2016-10-20 Journals of Robert Rogers of the Rangers is the firsthand accounts of American frontiersman Robert Rogers He led the Rogers Rangers during the French and Indian War     **Journal of Robert Rogers, the Ranger** Robert Rogers, 1933     **The History of Rogers' Rangers** Burt Garfield Loescher, 2009-05 This collectible classic much sought after by connoisseurs of colonial American military history is once again in print Originally published in 1969 it constitutes Volume II of Burt Loescher's meticulously researched History of Rogers Rangers This     **A True Ranger** Gary S. Zaboly, 2004-10-01 The American frontier in the 1730s was a dangerous place to be Life was hard for white settlers and marauding Indians would as soon scalp as trade with them Into this harsh environment was born Robert Rogers a boy who would grow up to be a brilliant leader of men and become one of the most charismatic if flawed characters of his era Over the course of his colorful career Rogers was a frontiersman farmer trapper Ranger leader Indian fighter and friend speculator merchant London socialite and commandant of the most important fur trading post in the West of the 1760s It was during the French and Indian War that he set down the Rangers Standing Orders on survival and guerilla warfare which was to prove his lasting legacy and is still used by US Special Forces today He also fraternized with the highest ranking officers of the British Army in North America and was twice received at Court in England And as if all this weren't enough he launched a search for the elusive Northwest Passage as immortalized in the film of that name starring Spencer Tracey but his many successes were often counterbalanced and sometimes ruined by a variety of personal challenges that seemed to be always nipping at his heels This remarkable man who ended his years in penury in London is as little understood today as he was in his own time and has long deserved a comprehensive and fair biography Gary Zaboly's minutely researched book seeks to remedy this omission presenting a dispassionate and accurate account of Rogers rollercoaster life without recourse to moral judgment     Ranger Allan Nevins, 2011-08 The most famous ranger and the father of covert warfare As the age of sail progressed the great nations of Europe understood that the lands and wealth of the globe were within the grasp of their imperial ambitions Which nation would win most became a race that inevitably would culminate in a struggle to establish who could gain and hold most The principal contestants were France and Britain and their bitter age old rivalry would lead to a final conflict in the middle years of the 18th century the Seven Years War which would be fought on bloody fields in Europe Asia and significantly in the New World of the Americas There colonists of each nation struggled to build lives among the indigenous Indian tribes of the eastern woodlands Here was a war subject to the severest weather conditions fought among deep forests on lakes and in huge tracts of unmapped wilderness Regular troops of both nations were engaged together with militias raised among local populations combined with the savage element of

Iroquois and Huron Indian allies Cometh the moment cometh the man and the man for that moment was Robert Rogers This was not the place for the formal battle lines of uniformed regulars Here the principal advantage lay in stealthily gained intelligence surprise and the hit and run tactics of the ambushade So the special forces fighter was born and the men who shared his skills were bonded together as units in the form of independent companies of rangers who could melt into the forest subsist on it do their silent work and reappear as silently This is a biography of their most famous and successful commander Rogers was no two dimensional hero he was a man suited to his time and his war tough resourceful ruthless and allegedly dishonest and unscrupulous His successes were often marred by reverses of the most disastrous kinds His career spanned two wars and in the second of them whilst he remained true to his allegiances the fact that he was on the losing side contributed much to his downfall This book a record of the life of a man whose influence on the nature of warfare to the present day is immense makes riveting reading for all those interested in the French and Indian War and American War of Independence Leonaure editions are newly typeset and are not facsimiles each title is available in softcover and hardback with dustjacket our hardbacks are cloth bound and feature gold foil lettering on their spines and fabric head and tail bands

**The History of Rogers' Rangers** Burt Garfield Loescher, 2009-05-01 This rare 1946 classic the indispensable companion to Volume II Genesis Rogers Rangers The First Green Berets is based chiefly on the Loudoun Manuscripts Here is the history of the very beginning of Rogers Rangers the elite military unit that set t **Robert Rogers of the Rangers** John R. Cuneo, 1959 In this sympathetic biography Robert Rogers appears as a true hero of the French and Indian War the St Francis Raid Pontiac's Conspiracy and the fruitless search of the Northwest Passage in the Hudson Bay A controversial man in his own time and even today his life was as turbulent as the times in which he lived Loved by his men but often in conflict with authority court martialed on a charge of treason always pursued by creditors his career zig zagged erratically from fame to obscurity Basing his account on much original research Mr Cuneo sheds new light on the days when white men and Indians scalped one another Rogers Rangers and the Raid on Fort Michilimackinac 1758 James Trump, 2014-12-01 After a stunning set of victories against the French forts on the lower Great Lakes Major Robert Rogers sets his sights on the strategic fur trading post of Fort Michilimackinac Hoping to capture this guardian of the Straits of Mackinac he conceives a plan for a swift raid by his rangers and a detachment of Royal Americans garrisoning Fort Detroit Follow Rogers and his rangers as they make their way to the upper country by whaleboat dodging the French and their Indian allies along the way Can Rogers surprise the French and Indians and take Fort Michilimackinac for the English Crown Join Major Robert Rogers on the raid to find out **The History of Rogers' Rangers: Genesis; Rogers' rangers, the first Green Berets; the corps and the revivals, Apr. 6, 1758-Dec. 24, 1783** Burt Garfield Loescher, 1969 **Frontier Rangers of Colonial New England** Anthony Phillip Blasi, 2025-04-22 Warfare in the Wilderness Few images reflect the character of hardy New Englanders like that of the eighteenth century colonial ranger Rugged characters such as Robert Rogers Israel Putnam and

John Stark spent much of their lives carving a living out of the harsh wilderness of the region while later proving themselves in battle against seasoned Abenaki warriors The Wright and Porter families fought throughout western New England from skirmishes in Charlestown New Hampshire to climactic battles on Lake Champlain and Lake George From the bloody King Philip s War battlefields of Massachusetts to the fight for the wilderness of New Hampshire and Vermont author Anthony Blasi explores the journey from frightened homesteader to toughened wilderness warrior Rogers' Rangers Harold McGill Jackson,1953 **Ben Comee** Michael Joseph Canavan,1899 Roger's Rangers Evelyn Everett-Green,2015-03-02 Have you not heard of Robert Rogers the New Hampshire Ranger Well you will hear his name many times before this war is closed He has gathered about him a band of bold and daring spirits He has lived in the forest from boyhood He has been used to dealings with both English and French settlers He speaks the language of both But he is staunch to the heart s core He is vowed to the service of his country He moves through the forests over the lakes across the rivers None can say where he will next appear He seems everywhere he spies upon the foe He appears beneath the walls of their forts snatches a sleepy sentry away from his post and carries him to the English camp where information is thus gleaned of the doings of the enemy He and his band are here there and everywhere We had hoped to have seen them here by this Colonel Armstrong sent a message praying him to come and help him to attack a pestilent nest of savages which is the curse of his life We had hoped you were the forerunners of his band when you appeared But in these troublous times who can tell whether the messenger ever reached his destination

The Top Books of the Year Rogers Rangers The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. Rogers Rangers : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
