Kennedy,2022-08-16 Faerie the land of blood magic and betrayal At last the fae lord Rogue has won everything He has me in his home his bed and I m desperately in love with him despite my best efforts and better judgment Did I mention I m pregnant As our child grows inside me the one I m pledged to give to him I still have no idea what will happen after the birth Though Rogue is attentive in every way a woman could wish for bringing me delirious pleasure and gifts beyond price he still won t or can t tell me what game he s playing Or what the viciously sadistic Queen Titania has to do with our many bargains I m most afraid that if he betrays us I ll never be able to forgive him Even though I can t stop loving him As war threatens everything we ve built as my body swells with the enchanted pregnancy I become more certain with every day that the true enemy lurks within our castle walls And that the man I ve vowed eternal commitment to may be the last person I can trust

Rogue's Possession: An Adult Fantasy Romance Jeffe Kennedy,2022-07-26 One does not break an oath to the fae But I am getting much better at finding and exploiting the loopholes I may have promised the ruthlessly sensual fae lord Rogue that he can sire my firstborn child but I never said when And I m not giving into his will eroding attempts to seduce me until he tells me what will happen to my child Which he refuses to do So I m holding out against his allure no matter how he tantalizes me because the one way to protect my child is to make sure they re never born Unfortunately Rogue is as wily as he is persistent and soon I find myself in more bargains I must give him a kiss every day and sleep by his side at night Even as I travel through Faerie perfecting my sorceress skills and seeking the answers to the questions Rogue won t or can t answer he is constantly by my side working his way through my defenses He refuses to let me go Most terrifying of all I m finding I don t want him to *Payday Lending* Carl Packman,2014-09-16 Payday Lending looks at the growth of the high cost credit industry from the early payday lending industry in the early 1990s to its development in the US as a highly profitable industry around the world
