Diaries of an English Rogue Abroad Kevin Courtney,2013-01-18 This book is about my brother Kevin Courtney who died tragically aged 30 in 1998 during his time in Hong Kong Kevin was a born traveller and upon his many travels he always kept a diary along with hundreds of photos and postcards sent home to his parents Kevin a huge risk taker and a go getter always liked to travel to places off the beaten track and go explore places in which some people could only dream about Were you a back packer in the nineties Maybe you met him This book includes his diaries of his first world trip from India to Asia Australia where he had a warrant out for his arrest and was also arrested on another matter New Zealand and Northern America travelling for 450 days inclusive his travels to Africa which led to imprisonment jailed Central and Southern America and then the most dangerous of all the trek through the Darien Gap Jungle These diaries reflect his far from boring

personality with his witty and very amusing tales It shows his great sense for adventure the risks he was willing to take the dangerous gambles the awkward situations he faced he was just so fearless This book will make you smile and shock you at the same time This is his story of his travels in his own words     Canadian Motor Boat ,1927
