Shadow Medicine John S. Haller, Jr., 2014-07-08 Can Evidence Based Medicine EBM and Complementary and Alternative Medicine CAM find common ground A distinguished historian of medicine John S Haller Jr explores the epistemological foundations of EBM and the challenges these conceptual tools present for both conventional and alternative therapies As he explores a possible reconciliation between their conflicting approaches Haller maintains a healthy scientific skepticism yet finds promise in select complementary and alternative CAM therapies Haller elucidates recent research on the placebo effect and shows how a new engagement between EBM and CAM might lead to a more productive medical practice that includes both the objectivity of evidence based medicine and the subjective truth of the physician patient relationship Haller s book tours key topics in the standoff between EBM and CAM how and why the double blinded randomized clinical trial RCT came to be

considered the gold standard in modern medicine the challenge of postmodern medicine as it counters the positivism of evidence based medicine and the politics of modern CAM and the rise of the National Center for Complementary and Alternative Medicine He conducts an in depth case study of homeopathy explaining why it has emerged as a poster child for CAM and assesses CAM s popularity despite its poor performance in clinical trials Haller concludes with hope showing how new experimental protocols might tease out the evidentiary basis for the placebo effect and establish a foundation for some reconciliation between EBM and CAM

Healing at the Borderland of Medicine and Religion Michael H. Cohen,2007-09-06 One of the transformations facing health care in the twenty first century is the safe effective and appropriate integration of conventional or biomedical care with complementary and alternative medical CAM therapies such as acupuncture chiropractic massage therapy herbal medicine and spiritual healing In *Healing at the Borderland of Medicine and Religion* Michael H Cohen discusses the need for establishing rules and standards to facilitate appropriate integration of conventional and CAM therapies The kind of integrated health care many patients seek dwells in a borderland between the physical and the spiritual between the quantifiable and the immeasurable Cohen observes But the present environment fails to present clear rules for clinicians regarding which therapies to recommend accept or discourage and how to discuss patient requests regarding inclusion of such therapies Focusing on the social intellectual and spiritual dimensions of integrative care and grounding his analysis in the attendant legal regulatory and institutional changes Cohen provides a multidisciplinary examination of the shift to a more fluid pluralistic health care environment
