

# Role of Congress in foreign policy, part 1

In broadly focused foreign policy outputs:

- **Congress** enacts public laws which affect more than a single individual.
- The War Powers Resolution (1973) was Congress's attempt to reinsert itself in war-making; the president needs congressional approval to continue any military campaign beyond 60 days.
- Foreign policy and defense budgets are parts of the discretionary budget, the section of the national budget that Congress vets and decides on each year.

## **Role Of Congress In Foreign Policy:**

*Congress, the Executive, and Foreign Policy* Francis Orlando Wilcox, Council on Foreign Relations, 1971 As the news reports indicate there is open often vehement disagreement between Congress and the executive branch on the powers they share and their responsibilities in making foreign policy This persistent and corrosive issue has been abetted by the Vietnam war and its frustrations The doubts and divisions besetting the American people as reflected in the Congress have led in turn the re examination of the U S Position in world affairs and the substance of our foreign policy Mr Wilcox s book deals not with national interest and priorities but with the context in which they are considered and procedures by which they might be resolved In describing the present role of Congress he illustrates the deterioration of executive legislative relations which had been reasonably good for some fifteen years after World War II under the pressure of events in the 1960 s Principally however he addresses himself to improving the relations between Capitol hill and the White House to restoring that complex yet delicate balance on which our governmental system depends Consultation meaning actively seeking Congressional opinion and advice before decisions are reached is the key to better relations For this providing Congress with adequate flow of information is basic A more effective organization of congress itself is overdue to cope with the demands of time secrecy and disclosure coordination the seniority system and proper legislative review The war power has to be reassessed and the use of executive agreements restricted Congress being an elected body is naturally responsive to public opinion Wilcox looks at this relationship in terms of elections and changing electorates the media lobbyists and pressure groups and the President s role as opinion maker Under the Constitution Congress is the forum for public debate To fulfill its obligations Congress must bring to bear on foreign policy questions an informed judgement of its own reached in public with the benefit of open debate and discussion and thereby help form as broad a national consensus as possible in support of the policies eventually arrived at Publisher Congress and the Foreign Policy Process Cecil V. Crabb, Jr., Glenn J. Antizzo, Leila S.

Sarieddine, 2000-02-01 In this highly original and thoroughly informed study Cecil V Crabb Jr Glenn Antizzo and Leila S Sarieddine identify and examine recurring modes or patterns of legislative behavior over the span of America s diplomatic experience Although congressional involvement in foreign policy making has received much scholarly attention this work is groundbreaking in that it focuses on those patterns of congressional conduct that have repeated themselves over time and on the basis of experience will probably continue to occur Thus it creates a large predictable framework of legislative activity concerning America s problems abroad to which students of U S foreign policy can relate Congress s actions in any era The authors identify four models of legislative conduct congressional assertiveness and activism in foreign affairs congressional acquiescence in diplomatic leadership by the president a bipartisan approach and a division of labor model in which both the president and Congress play significant but essentially different roles In examining each of these modes the authors explore the circumstances and factors that gave rise to each pattern and evaluate its positive and negative results for the overall
