ROLEMASTER STANDARD RULES™

I.C.E.

The *Rolemaster Standard System* is a detailed, state-of-the-art FRP system that adds realism and depth to your campaign without sacrificing playability. The *Rolemaster Standard Rules* are the cornerstone of this system and provide all the rules and guidelines that you need to play in one of the most realistic FRP systems available. Experience the ultimate in fantasy role playing, *Rolemaster*.

The *Rolemaster Standard Rules* provide:

• A wide range of character creation choices—20 professions, 16 cultures & races, and 36 training packages (spy, loremaster, diplomat, scout, etc.).

• Material for unique character backgrounds, including: a wide variety of background options, a comprehensive system of talents and flaws, and a system of role traits.

• A system of temporary and potential stats determined by using both assigned and random elements.

• A skill development system that allows a character to develop ability in skills without absolute restrictions. Each skill is grouped with, similar skills in a *skill category*. In addition to developing individual skills, each skill category can be developed, improving all of the skills in that category.

• Complete, consolidated guidelines for resolving actions: moving maneuvers, static maneuvers (a table for each skill category), extraordinary spell casting attempts, and attacks (melee, missile, and spell).

• Action sequencing based on how fast a character attempts to perform an action: as a snap action (quick with a penalty), as a normal action, or as a deliberate action (slow with a bonus).

Get Real, Get Rolemaster!

The latest in the evolution of role playing. Now provided in a convenient 3-hole punch format, the *Rolemaster Standard System* contains four basic parts:

• *Rolemaster Standard Rules*™: This is it!
• *Arms Law*™: The complete *Rolemaster* melee and missile combat system!
• *Spell Law*™: The complete *Rolemaster* magic system (over 2,000 spells)!
• *Gamemaster Law*™: The definitive guide for GMs of all systems!

Arms Law and *Spell Law* are designed for use with the *Rolemaster Standard System*, but each is fully compatible with older versions of *Rolemaster*.

In addition, you can test the waters. For those who have been intimidated by the system in the past:

• *Rolemaster — The Basics*™: This boxed set contains all the basic information needed to learn the *Rolemaster* system.
• *Rolemaster — Player Guide*™: A must for all players! This covers all the basic information that a *Rolemaster* player needs to know.

ROLEMASTER
THE STANDARD SYSTEM

Adopting the Melody of Expression: An Emotional Symphony within **Rolemaster Standard Rules Ice 55**

In some sort of eaten by displays and the ceaseless chatter of quick interaction, the melodic elegance and emotional symphony created by the published word usually diminish in to the back ground, eclipsed by the constant sound and distractions that permeate our lives. But, situated within the pages of **Rolemaster Standard Rules Ice 55** a marvelous literary value brimming with organic feelings, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, this captivating masterpiece conducts viewers on a mental trip, well unraveling the hidden songs and profound impact resonating within each cautiously crafted phrase. Within the depths of the emotional review, we can explore the book is key harmonies, analyze its enthralling publishing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
