Rolf Boldrewood:

Rolf Boldrewood Rolf Boldrewood, 2023-12-11 Thomas Alexander Browne 1826 1915 was an Australian writer who sometimes published under the pseudonym Rolf Boldrewood He is best known for his 1882 bushranging novel *Robbery Under Arms* Browne spent some twenty five years as a squatter and about the same time as a government official but his third career as author extended over forty years In 1865 he wrote two articles on pastoral life in Australia for the *Cornhill Magazine* and he also began to contribute articles and serial stories to the *Australian* One of these *Ups and Downs A Story of Australian Life* was published in book form in London in 1878 It was re issued as *The Squatter's Dream* in 1890 *Robbery Under Arms* Rolf Boldrewood, 1889 *Rolf Boldrewood* Paul De Serville, 2000 Rolf Boldrewood was one of the best known novelists of 19th century Australia and the first to present specifically Australian characters *Robbery Under Arms* became a household name and is still in print Boldrewood's alter ego Thomas Alexander Brown was a pioneer squatter civil servant and writer with a career in many ways far grimmer than most of his fiction *In Bad Company and Other Stories* Rolf Boldrewood, 2020-07-27 Reproduction of the original *In Bad Company and Other Stories* by Rolf Boldrewood **The Squatter's Dream** Rolf Boldrewood, 2019-12-06 In Rolf Boldrewood's *The Squatter's Dream* the narrative unfolds in the context of 19th century Australia capturing the raw landscapes and societal dynamics of a burgeoning colonial society The novel deftly employs a realist literary style blending vivid descriptions and sharp observations to explore the lives of squatters who illegally occupy land on the fringes of civilization Through a rich tapestry of character interactions and social commentary Boldrewood examines themes of ambition land ownership and the tension between the consequences of colonization and the idealism of aspiration Rolf Boldrewood born Thomas Alexander Browne was a prominent Australian novelist and a key figure in the literary landscape during his time His experiences as a pastoralist and his intimate familiarity with the Australian frontier painted a unique perspective in his writing allowing him to authentically portray the struggles and triumphs of colonial life Boldrewood's background and deep understanding of both the land and its people influenced him to capture the reality of a society in flux making *The Squatter's Dream* a seminal work in Australian literature I highly recommend *The Squatter's Dream* to readers interested in Australian history and colonial narratives This novel not only provides an engrossing story but also offers insightful reflections on the complex relationships between people and land serving as an important commentary on the dreams and disillusionments that define the human experience **Plain Living A Bush Idyll** Rolf Boldrewood, 2020-07-24 Excerpt Mr Stamford was riding slowly wearily homeward in the late autumnal twilight along the dusty track which led to the Windmill station The life of a pastoral tenant of the Crown in Australia is for the most part free pleasant and devoid of the cares which assail so mordantly the heart of modern man in cities But striking exceptions to this rule are furnished periodically A dry season in the bush vernacular supervenes In the drear months which follow the flower fades the grass withereth as in the olden Pharaoh days The waters are forgotten of the footstep the flocks

and herds which in the years of plenty afford so liberal an income so untrammelled an existence to their proprietor are apt to perish if not removed Prudence and energy may serve to modify such a calamity No human foresight can avert it In such years a revengeful person could desire his worst enemy to be an Australian squatter For he would then behold him hardly tried sorely tormented a man doomed to watch his most cherished possessions daily fading before his eyes nightly to lay his head on his pillow with the conviction that he was so much poorer since sunrise He would mark him day by day compelled to await the slow advancing march of ruin hopeless irrevocable which he was alike powerless to hasten or evade If he were a husband and a father his anxieties would be ingeniously heightened and complicated The privations of poverty the social indignities which his loved ones might be fated to undergo would be forever in his thoughts before his eyes darkening his melancholy days disturbing his too scanty rest Such was the present position such were the prospects of Harold Stamford of Wind hgil As he rode slowly along on a favourite hackney blood like but palpably low in condition with bent head and corrugated brow it needed but little penetration to note that the iron had entered into his soul

The Last Chance: A Tale of the Golden West Rolf Boldrewood, 2022-06-13 In The Last Chance A Tale of the Golden West Rolf Boldrewood the nom de plume of Thomas Alexander Browne crafts an immersive narrative that explores the rugged and enigmatic terrain of Australia's outback during a time of burgeoning exploration and settlement As one of his later works the narrative may not have gained the same level of fame as Robbery Under Arms yet it delivers literary richness and a detailed portrayal of the landscape that many have hailed as his opus magnum Boldrewood's literary style weaves together adventure vivid description and frontier ethos offering a window into a vanished but once vibrantly wild world Situating itself within the canon of Australian colonial literature the novel holds its own boasting an authenticity that resonates with the epoch it seeks to capture Rolf Boldrewood brought to his writing the depth of his own varied experiences which included roles as a squatter gold digger and police magistrate These facets of his life lent a certain veracity to his depictions of frontier life and The Last Chance is no exception The novel's authentic representation of the rugged untamed Australian outback stems from his intimate knowledge of the landscape and the types of characters that it forged during the 19th century Boldrewood's work not only entertains but also acts as a chronicler of an era encapsulating the spirit of adventure and the heart of the colonial experience in Australia Scholars and aficionados of historical adventure novels will find The Last Chance A Tale of the Golden West a highly recommended read It offers a window into the pioneering spirit of Australian history capturing the imagination with its lively storytelling and rich descriptive language This book promises not just a journey through the untamed Australian frontier but also a deep dive into the literary legacy that Rolf Boldrewood has left behind For readers eager to immerse themselves in the essence of a bygone era Boldrewood's less celebrated masterpiece awaits to transport them to a world of both historical import and breathtaking adventure

Rolf Boldrewood, 2020-08-04 Reproduction of the original War to the Knife by Rolf Boldrewood Rolf Boldrewood Alan Brissenden, 2003 *Babes in the Bush* Rolf Boldrewood, 2020-09-28 What letter are you holding in your hand all this time my dear said Captain Howard Effingham to his wife during a certain family council Really I had almost forgotten it A foreign postmark I suppose it is from your friend Mr Sternworth in Australia or New Zealand Sternworth lives in New South Wales not New Zealand returned he rather testily I have told you more than once that the two places are a thousand miles apart by sea Yes it is from old Harley When he was chaplain to our regiment he was always hankering after a change from routine duty Now he has got it with a vengeance He was slightly eccentric but a better fellow a stauncher friend never stepped Don't people go to Australia to make money asked Rosamond Effingham a girl of twenty with eldest daughter plainly inscribed upon her thoughtful features I saw in a newspaper that some one had come home after making a fortune or it may have been that he died there and left it to his relatives Sternworth has not made a fortune He is not the man to want one Still he seems wonderfully contented and raves about the beauty of the climate and the progress of his colony Let me read his letter out pleaded the anxious wife softly and with a gesture of assent the father and daughter sat expectant Mrs Effingham had the gift of reading aloud with effect which with that of facile clear cut composition came to her as naturally as the notes of a song bird which indeed her tuneful voice resembled The letter is dated from Yass what a funny name a native one I suppose in New South Wales and June the 20th 1834 Nearly six months ago Does it take all that time to come What a long long way off it must be Now then for the contents My dear Effingham I have not written for an age though I had your last in reply to mine in due course partly because after my first acknowledgment I had nothing particular to say nor any counsel to offer you suitable for the situation in which you appear to have landed yourself When you were in the old regiment you were always a bad manager of your money and the Yorkshireman had to come to your assistance with his hard head more than once I thought all that sort of thing was over when you succeeded to a settled position and a good estate I was much put out to find by your last letter that you had again got among the shallows of debt I doubt it is chronic with you But it is a serious matter for the family If I were near you I would scold you roundly but I am too far off to do it effectually **Nevermore** Rolf
