The Billionaire's Christmas Vows Gina Robinson, 2015-11-10 What do you get a billionaire for Christmas? No one is feeling the holiday stress more than I am. Six months pregnant, I'm married to Seattle billionaire Justin Green. But it's not real. We've never actually said our vows to each other. This year I want to surprise Justin with a real wedding. **THE BILLIONAIRE'S CHRISTMAS VOWS** is a fun, light standalone billionaire contemporary romance with a marriage of convenience trope and a happily ever after. This Christmas all I want to give Justin is something money can't buy. Christmas Eve wedding vows complete with a legal marriage license. But that's easier said than done. Do you know how hard it is to find a state you can get married in complete with a real marriage license when you're theoretically already married? Adding to my stress, Justin is planning his own surprise. And I have the awful feeling it just might get in the way of mine. Travelin' Man Tom Weschler, Gary Graff, 2009 Tom Weschler spent more than ten years from the late 1960s through the 1970s in the Bob Seger camp working as tour manager and photographer.

during Seger's hard gigging, heavy traveling, reputation making early days. Weschler's behind-the-scenes photographs document the frustrations and triumphs of recording, performing, songwriting, and building the Seger empire before the breakthroughs of *Live Bullet* and *Night Moves*. *Travelin' Man* collects Weschler's early photos with additional images leading into the present. Weschler and award-winning music journalist Gary Graff annotate the images with Weschler's recollections of the events, and Graff provides additional background on Seger's career in an introduction, timeline, and cast of characters section. Weschler's photographs and stories pull back the curtain on seldom-seen aspects of Seger's career, including time in the studio, recording, Mongrel's early struggles to get radio airplay, and small shows at schools and shopping malls. Weschler captures Seger's personality on stage and at home and reveals the colorful personalities of those people he worked and performed with, including Alice Cooper, Bruce Springsteen, Glenn Frey, and KISS. He takes readers inside Seger's headquarters in Birmingham, Michigan, and practice space in Rochester, Michigan, introducing them to renowned manager Punch Andrews and the various members of Seger's bands. Weschler's photos feature highlights like Seger's show at the Pontiac Silverdome in 1976, his first gold record in 1977, the first meeting between Seger and Bruce Springsteen in 1978, and Seger's induction to the Rock and Roll Hall of Fame in 2004. *Travelin' Man* also contains art from eight Seger album covers that Weschler designed, a foreword by John Mellencamp, an afterword by Kid Rock, and a comprehensive discography. Seger fans and readers interested in music and biography will enjoy the one-of-a-kind story in *Travelin' Man*.

Music Classification Systems Mark McKnight, 2002-04-16 Due to the distinctive nature of music as a separate language that non-musicians are often unable to read or understand, the cataloging and classification of music materials frequently present special challenges. In response to this often problematic situation, this volume is designed to introduce the principles of music classification to beginning music catalogers as well as to non-specialist catalogers and those who only occasionally deal with music materials. It will surely relieve the stress level for general catalogers by providing practical guidelines as well as clarifying and explaining the most commonly used classification systems in the United States: the Dewey Decimal Classification (DDC), the Library of Congress Classification (LCC), and the Alpha Numeric System for Classification of Recordings (ANSCR). Also included is a general historical overview of music classification from early attempts to organize specific collections to the efforts of Oscar Sonneck and others to adapt fundamental principles of classification to the distinctive characteristics of music materials, as well as a discussion of the special needs of the users of those materials.

Popular Music Perspectives B. Lee Cooper, 1991 In thirteen essays, this book probes ideas and themes that are prominent in contemporary song lyrics. The essays take social change, human interaction, technology, and intellectual development as points of departure for specific examinations of public education, railroads, death, automobiles, and rebels. The essays also examine humor, traditions, and historical events found in answer songs, cover recordings, nursery rhyme adaptations, and novelty tunes.

Christmas Have you wondered if Christmas is really a pagan holiday Did marketers invent Santa Claus And what does a Christmas tree have to do with anti slavery We ll learn which traditions come from the Bible and where other traditions derive Have you ever considered who Jesus was named after Or why Jesus s genealogy is traced to Joseph if he s not Jesus s biological father We ll answer questions like these surrounding Jesus s legacy Maybe you ve asked what was the Bethlehem star Or have you heard that there wasn t an inn or innkeeper With these kinds of inquiries we ll look at the circumstances surrounding Jesus s birth Do we know if the magi were kings astrologers or magicians Or could you name the oldest person that met baby Jesus By interacting with these people who met Jesus on that first Christmas we ll join the cast of characters around the manger As we explore the stories and traditions of Christmas together we ll ruin some past misconceptions but in the process I promise that we ll rediscover Jesus
