

Rollicking Recollections

The rip-roaring teenage memoirs of an English Boy in Kenya

More humorous snapshots of a boy growing up in Kenya, and the people he meets on his way to adulthood form a joyous and often engrossing celebration of life in general.

"The book covers the emergence of the young adult years of my life from 1940, the attitudes I adopted, and events I and my family experienced, together with tales about some of the famous and infamous characters we met. My own adventures in which I faced serious injury and even death didn't make me more circumspect.

I walked through life confident in my immortality, like a cat with twenty-nine lives, and with a sense of fun and growing responsibility.

Hesitant steps toward youthful romance were met with mild disappointment and an arrogant belief that girls were of little value beyond being useful targets for pranks."

Rollicking Recollections:

Collections & Recollections George William Erskine Russell, 1904 **Collections and Recollections** George William Erskine Russell, 2022-09-16 George William Erskine Russell's *Collections and Recollections* is a rich tapestry of memories interwoven with detailed accounts of Victorian society, literature, and notable figures. This book, characterized by its reflective prose and perceptive observations, delves into the past with a blend of nostalgia and critical insight. Russell's literary style is both engaging and affectionate, employing both anecdotal and analytical approaches to celebrate the influential cultural landscape of his time. His vivid descriptions and thoughtful evaluations situate the work firmly within the literary traditions of memoir and social commentary, making it a significant contribution to understanding 19th-century intellectual currents. Russell, born in 1840 and a prominent figure in literary circles, was deeply influenced by his experiences in education and as a critic. His relationships with renowned contemporaries such as George Eliot and Robert Browning provided him with a unique vantage point to observe the societal shifts of his era. These interactions, along with his broader engagement in literary criticism and education reform, inform the depth and nuance of the recollections presented in this collection. This book is highly recommended for readers interested in the intertwining of personal narrative and cultural history. Russell's eloquent reflections not only illuminate his personal journey but also serve as a mirror reflecting the broader societal transformations of the Victorian age, making it an invaluable resource for historians, literature enthusiasts, and general readers alike.

Random Recollections Richard Caton Woodville, 1914 Jumping Sundays Nick Bollinger, 2022-08-11 On a Sunday afternoon in the spring of 1969, thousands of people defied Auckland city bylaws and came to party in Albert Park. A rock band played on the rotunda. Some people held hands, some danced alone, some sat under trees with guitars, flutes, and bongos, and made music of their own. They wore kaftans, ponchos, and leather-fringed jerkins; floppy hats, headbands, beads, and flowers. Poetry and political diatribes were delivered from a podium improvised from an upturned tea chest. There were bikies, balloons, bubbles, sack races, and a lolly scramble. Lots of dogs and a pet possum. Someone brought a canoe and paddled it around the fountain until it capsized. As the afternoon wore on, there were joss sticks, skyrockets, and what some will have recognised as the musky smell of marijuana. From the Prologue In *Jumping Sundays*, award-winning writer and broadcaster Nick Bollinger tells the story of beards and bombs, freaks and firebrands, self-destruction and self-realisation during a turbulent period in New Zealand's history and culture.

The Modernisation of Irish Society 1848 - 1918 Joseph John Lee, 2008-06-24 *The Modernisation of Irish Society* surveys the period from the end of the Famine to the triumph of Sinn Féin in the 1918 election and argues that during that time Ireland became one of the most modern and advanced political cultures in the world. Professor Lee contends that the Famine death rate, however terrible, was not unprecedented. What was different was the post-Famine response to the catastrophe. The sharply increased rate of emigration left behind a population of tenant farmers engaged in market-orientated agriculture and determined to protect and improve their position. It was this group

that used the British political system so skillfully a process elaborated and refined in the Land League and Home Rule movements under Parnell The Parnell era left a lasting legacy of modern political engagement and organisation which was carried on in essentials by the later Home Rule party and by Sinn Fein and beyond the terminal date of the book would make its mark on the politics of independent Ireland The Modernisation of Irish Society was first published as volume 10 of the original Gill History of Ireland *Mokeanna!* F.
