

A photograph of a garden path lined with lavender and roses. The path is made of reddish-brown bricks and leads into the distance. On the left side of the path, there are large, bushy lavender plants with purple flowers. To the right of the path, there are more lavender plants and some pink roses. In the background, there are large, leafy bushes and trees, some of which are covered in white and pink roses. The overall scene is a lush, well-maintained garden.
