The Transcendental Universe C. G. Harrison,1993 Theosophical Enlightenment Joscelyn Godwin,1994-10-28 This is an intellectual history of occult and esoteric currents in the English speaking world from the early Romantic period to the early twentieth century The Theosophical Society founded in 1875 by Helena P Blavatsky holds a crucial position as the place where all these currents temporarily united before again diverging The book's ambiguous title points to the author's thesis that Theosophy owed as much to the skeptical Enlightenment of the eighteenth century as it did to the concept of spiritual enlightenment with which it is more readily associated The author respects his sources sufficiently to allow that their world so different from that of academic reductionism has a right to be exhibited on its own terms At the same time he does not conceal the fact that he considers many of them deluded and deluding In the context of theosophical history this book is neither on the side of the blind votaries of Madame Blavatsky nor on that of her enemies It may therefore be expected to mildly annoy both sides **Kabbalah, Magic and the Great Work of Self Transformation** Lyam Thomas

Christopher,2006 Advancing to higher levels of ritual magic with purpose and power requires an exaltation of consciousness a spiritual transformation that can serve as an antidote to the seeming banality of modern life Based on Kabbalistic techniques the teachings of the Hermetic Order of the Golden Dawn and an Hermetic tradition spanning nearly two thousand years this innovative new work introduces the history of the Golden Dawn and its mythology the Tree of Life Deities demons rules for practicing magic and components of effective ritual A comprehensive course of self initiation using Israel Regardie's seminal Golden Dawn as a key reference point Kabbalah Magic and the Great Work of Self Transformation guides you through the levels of the Golden Dawn system of ritual magic Each grade in this system corresponds with a sphere in the Kabbalistic Tree of Life and includes daily rituals required reading written assignments projects and additional exercises Knowledgeable and true to tradition author Lyam Thomas Christopher presents a well grounded and modern step by step program toward spiritual attainment providing a lucid gateway toward a more awakened state Finalist for the Coalition of Visionary Resources Award for Best Magick Shamanism Book *The Essential Golden Dawn* Chic Cicero,Sandra Tabatha Cicero,2003 For those who want to find out about what the Golden Dawn is and what it has to offer this book answers questions about its philosophy principles and history
