Inspirada en una muñeca francesa de principios de siglo XX llamada Bleuette, Maril fue creada por Alicia Larguía en 1932 a imagen y semejanza de las niñas de la alta burguesía del país. Tal como Barbie, Maril integra la larga serie de muñecas que desde el siglo XVIII han contribuido a modelar parámetros de comportamiento social femenino a través de los rituales de juego. Del mismo modo, en esas prácticas también se hallan refugios y estrategias de resistencia contra la opresión de lo cotidiano. En esta investigación novedosa y fascinante, ganadora de la primera edición del Premio Ampersand de Ensayo en la categoría Estudios de Moda, Daniela Pelegrinelli analiza de qué manera la muñeca Maril supo enlazar el universo de la infancia con las prácticas de la cultura y el mundo de la moda. *Trade Circular Annual for ...*, 1871 **En medio de la tormenta** Sharlene MacLaren, 2009-08-05 Luchando en medio de la tragedia perdida de su hija Josu y Mady Arquero experimentan inmenso dolor y pena causados por un corazón roto y un matrimonio tan severamente tirante que el divorcio parece inminente. Volver la vida a ser normal nuevamente. Pero juntos podrán hallar el gozo y la felicidad que nunca antes hayan conocido. Struggling through the tragic loss of their child, Maddie and Jeff Bowman experience the immense pain and grief caused by a broken heart and a marriage so severely strained that a divorce seems imminent. Will life ever be normal again? But together they may find a joy and happiness that they had never known before. Con valor y a cómo dé lugar Carmen Luisa Justiniano, 1994
