it That was the story we were told to give to the public and the news people and that was it Brigadier General Thomas J DuBose USAF The Roswell craft was extraterrestrial and at one time may have been at Wright Patterson in an off limits area Brigadier General Harry N Cordes USAF I am almost completely convinced that the object that crashed near Roswell was composed of materials not common on earth Major General Kenner F Hertford USA The stuff I saw I ve never seen anyplace else in my life It was the strangest thing I ever saw General William H Blanchard USAF They the Air Force knew that they had something new in their hands The metal and material was unknown to anyone I talked to A couple of guys thought it might be Rus sian but the final consensus was that the pieces were from space i e extraterrestrial Brigadier General Arthur E Exon USAF Stealth technology comes from the Roswell crash I have been informed by higher officers at the Pentagon that there still exists a Top Secret UFO Project That s where your Roswell file is Brigadier General Richard Mitchell USA Praise for the Authors Brilliant A well detailed concise A to Z chronological timeline of events that happened over seventy years ago The authors in depth information shows their many years of investigative reporting bearing the true facts of the Roswell Incident The reader is drawn into the complex information in the timeline becoming aware that the chain of events as described in fact occurred Colonel Scott D Miller Jr USA Carey and Schmitt show that good old fashioned investigative reporting is still alive and well Cheryl Jones former anchor CNN News There is no one on this planet who knows more about the Roswell Incident than these two guys Larry Landsman creative executive of the SyFy Channel documentary The Roswell Crash Startling New Evidence I think that Witness to Roswell by Carey Schmitt 2002 2009 will prove to be the most important UFO book ever written The evidence presented dovetails perfectly and makes a compelling case that an alien craft crashed outside of Roswell in 1947 After decades of controversy the authors through dedicated and persistent research have finally come up with very strong circumstantial evidence that is tantamount to proof Richard H Hall author of The UFO Evidence Vols I and II and past Chairman of the Fund for UFO Research If the cover up is ever going to have a stake driven through it and the Roswell case resolved once and for all it will most likely be Tom Carey and Don Schmitt who will do it Jeff Rense nationally syndicated talk show host *Roswell: the Ultimate Cold Case* Thomas J. Carey,Donald R. Schmitt,2020 For more than 70 years the crash at Roswell and its ensuing controversies and cover ups have been investigated yet despite continually mounting evidence there are still disbelievers This book is the final and commanding word on the case The government has changed their official story on Roswell more than a dozen times but the witnesses have not recanted The evidence has not gone away And won t go away The Roswell Incident is the most hotly debated and investigated UFO crash in history and has had a seemingly never ending amount of evidence eyewitnesses coming forward even years later Finally late in life people feel safe enough or duty bound to reveal what they know saw and heard **Witness to Roswell** Thomas J. Carey,Donald R. Schmitt,2009-01-01 Witness to Roswell is a can t put down account of what really transpired in Roswell New Mexico 62 years ago This revised and expanded edition includes *The Roswell Incident* Debbie Schmitt,Thomas J.

Carey,2011-08-15 This book offers exciting accounts of sightings of alleged aliens and UFOs in Roswell New Mexico Surrounded by intrigue Roswell has been a hotbed of speculated paranormal visitors for decades Building on actual documentation this book offers perspective to these mysterious accounts Sidebars add another layer of fact or fiction filled fun

Cover-Up at Roswell Donald Schmitt,2025-09-12 As we approach the 70th anniversary of the most significant UFO event of all time best selling author Donald R Schmitt takes a fresh look at the renowned incident Previous books on Roswell including his have focused on the witnesses their families and the history of the case Cover Up at Roswell catalogs the extreme measures the U S government exercised to suppress the truth How they silenced military witnesses clearly demonstrates their need to prevent the facts from leaking out But more disconcerting are the tactics used against civilians and the media Over the years the government has actually issued four different explanations for what took place in 1947 yet Roswell remains a mystery shrouded in secrecy cover ups and deception Is a fifth explanation at hand Cover Up at Roswell includes fascinating new information such as The most comprehensive timeline of events ever written What the base commander s secretary confessed The answers to the 20 most frequently asked questions about Roswell The Roswell smoking gun provided by one of the very arbiters of the cover up The search for the truth about Roswell continues Are we brave enough to accept it

Witness to Roswell, 75th Anniversary Edition Thomas Carey,Donald Schmitt,2025-09-12 When I finished Witness to Roswell I said to myself Case closed for the very wealth and sheer weight of eyewitness testimony George Noory host Coast to Coast AM This classic in the field of UFOology is filled with hard hitting eyewitness testimony of one of the most important events of all time the actual recovery of a UFO outside of Roswell New Mexico in 1947 For more than 70 years government authorities have led us to believe the wreckage was merely a very conventional weather balloon but the witnesses who were there continue to tell a different story Witness to Roswell once again provides a can t put down written account of what really transpired in Roswell decades ago It pries loose the truth the government doesn t want us to know including the revelations of Walter Haut This edition includes A growing litany of deathbed confessions describing the little people recovered at the crash site The most comprehensive time line of events ever published on this seminal event The identity of the Boeing engineer called in to examine the exotic wreckage from the crash What really took place at the Roswell base hospital and what nurse actually ordered the children s caskets The story of the soldier who wore gloves at the dinner table after guarding the bodies Clearly the implications of this information are foreboding One need only look at the fact that officials now have four explanations for this historic event but to which one do all the witnesses testify on their deathbeds Witness to Roswell once again demonstrates to the world that no statute of limitation applies to the truth We are not alone This anniversary edition includes a new introduction by the authors and additional material

Archaeological Oddities Kenneth L. Feder,2019-03-06 Does evidence show that Native Americas residing in Utah a thousand years ago lived among dinosaurs depicting those creatures in their
