Carey, Donald R. Schmitt, 2009-05-15 When I finished *Witness to Roswell* I said to myself Case closed for the very wealth and sheer weight of eyewitness testimony George Noory host Coast to Coast AM One of the best selling UFO books is now revised and updated with even more hard hitting eyewitness testimony of one of the most important events of all time the actual recovery of a UFO outside of Roswell New Mexico in 1947 For more than 70 years government authorities have led us to believe the wreckage was merely a very conventional weather balloon but the witnesses who were there continue to tell a different story *Witness to Roswell* once again takes you on a can't put down written account of what really transpired in Roswell decades ago It pries loose the truth the government doesn't want us to know This revised and expanded edition includes A growing litany of deathbed confessions describing the little people recovered at the crash site The most comprehensive time line of events ever published on this seminal event The identity of

the Boeing engineer called in to examine the exotic wreckage from the crash What really took place at the Roswell base hospital and what nurse actually ordered the children s caskets The story of the soldier who wore gloves at the dinner table after guarding the bodies Clearly the implications are foreboding and one need just realize that officials now have four explanations to this historic event but to which one do all the witnesses testify on their deathbeds Witness to Roswell once again demonstrates to the world that no statute of limitation applies to the truth We are not alone *The Roswell Report: Case Closed* James McAndrew,2023-11-21 In *The Roswell Report Case Closed* James McAndrew meticulously examines one of the most controversial events in UFO history the alleged crash of an unidentified flying object in Roswell New Mexico in 1947 Through a rigorous analysis of declassified documents eyewitness testimonies and military records McAndrew adopts a methodical and analytical literary style eschewing sensationalism in favor of grounded examination The book situates itself within the broader context of Cold War era paranoia and the evolving public perception of extraterrestrial phenomena ultimately positing a resolution to the enduring mysteries surrounding Roswell James McAndrew a former U S Air Force officer turned author and researcher is uniquely positioned to explore this enigmatic case His background in the military and his expertise in investigation provide credibility to his claims and insights Drawing on his experience McAndrew seeks to demystify the Roswell incident reflecting a profound interest in how mythology and media can shape historical narratives This book is essential for readers intrigued by UFO lore conspiracy theories and the intersection of military history and popular culture McAndrew s clear eyed analysis not only offers closure to a divisive topic but also invites readers to reflect on the nature of truth in the age of information *Cover-Up at Roswell* Donald Schmitt,2025-09-12 As we approach the 70th anniversary of the most significant UFO event of all time best selling author Donald R Schmitt takes a fresh look at the renowned incident Previous books on Roswell including his have focused on the witnesses their families and the history of the case *Cover Up at Roswell* catalogs the extreme measures the U S government exercised to suppress the truth How they silenced military witnesses clearly demonstrates their need to prevent the facts from leaking out But more disconcerting are the tactics used against civilians and the media Over the years the government has actually issued four different explanations for what took place in 1947 yet Roswell remains a mystery shrouded in secrecy cover ups and deception Is a fifth explanation at hand *Cover Up at Roswell* includes fascinating new information such as The most comprehensive timeline of events ever written What the base commander s secretary confessed The answers to the 20 most frequently asked questions about Roswell The Roswell smoking gun provided by one of the very arbiters of the cover up The search for the truth about Roswell continues Are we brave enough to accept it **Roswell Incident Exposed** Jason M. but now you ll know the truth The Roswell Report United States Air Force,2013-04-10 Throughout the twentieth century and into the twenty first the subject of unidentified flying objects UFOs has evoked strong opinions and emotions For some the belief in or study of UFOs known as ufology has taken on the dimensions of a religious quest Others remain nonbelievers or at least skeptical of the existence of alien beings and elusive vehicles which never quite seem to manifest themselves Regardless of one s conviction nowhere has the debate about UFOs been more spirited than over the events that unfolded near the small New Mexico city of Roswell in the summer of 1947 Numerous witnesses including former military personnel and respectable members of the local community have come forward with tales of humanoid beings alien technologies and government cover ups that have caused even the most skeptical observers to pause and take notice In July 1994 at the request of the Government Accounting Office the U S Air Force completed a thousand page report to explain the events that transpired in and near Roswell in the summer of 1947 That report sought to bring all the facts to light declassify all the documents and present the definitive truth to the public The Roswell Report Case Closed is the follow up to that report and contains additional materials and analysis intended to reach a complete open and final explanation of the events that occurred in the Southwest many years ago While this explanation may not be as titillating as tales of unearthly craft and creatures it is a fascinating story nonetheless Roswell Karl T. Pflock,2001-06-01 For over fifty years an incident near Roswell New Mexico has sparked the imaginations of UFO enthusiasts Did the military recover a crashed flying saucer there along with several extraterrestrial bodies Has the government gone to great lengths to hide the evidence Over time these speculations have reached the status of unquestionable truths in the minds of many ufologists In this definitive study of the Roswell incident longtime UFO researcher Karl T Pflock who is convinced that some UFO reports are real alien sightings concludes after an exhaustive investigation that no alien craft or bodies were ever found at Roswell Pflock admits at the outset that he too once strongly believed there might be something to the Roswell alien stories and he describes how he then came to discover the whole truth Using formerly classified records he proves that the U S government has absolutely no physical evidence of aliens shows how critical weather data completely refute key claims of Roswell believers and explains why the case now rises and falls on the testimony of just one witness who cleverly manipulated leading investigators and continues to do so today Pflock s intensive research and access to once classified documents including facsimilies of important formerly classified documents 28 witness affidavits and the entire Pratt Marcel interview transcript make this book must reading even for UFO buffs believers and skeptics alike who feel they know everything about Roswell **The Roswell Report** Headquarters United States Air Force,2002-06-01 This is the official U S Air Force story of the Roswell UFO incident illustrated with rare archival photos It contains the complete report on the Roswell incident as submitted to the Secretary of the Air Force Section One examines alleged events in two locations in rural New Mexico and Section Two examines the alleged activities at the Roswell Army Airfield Hospital Alien Crash at Roswell Jesse Marcel,2013-08-15 The most
