Rotten Reviews II A Literary Companion:

Rotten Reviews II Bill Henderson, 1987 Rotten Reviews collected 175 of the worst reviews of books we now consider to be classics Rotten Reviews II brings us to the present with bad blurbs selected by the attacked authors themselves Includes reviews of John Updike Joyce Carol Oates Susan Sontag and more Drawings **The Making of a Bestseller** Arthur T. Vanderbilt, 1999-01-01 Writer F Scott Fitzgerald's career itself is a metaphor for the vagaries of book publishing If Fitzgerald would have had his way we would today refer to *The Great Gatsby* as either *Gold Hatted Gatsby* *Trimalchio in West Egg* or *The High Bouncing Lover* A few years before *Gatsby* Fitzgerald had become a literary sensation at the age of 23 Helen Hooven Santmyer a contemporary of Fitzgerald's would not have a successful novel published until she was 88 and living in a nursing home In this book the author explores that mysterious place in publishing where art and commerce can either clash mesh or both Along the way a wide range of authors from the literary greats to today's commercial superstars editors agents and publishers share their thoughts insights and experiences What inspires writers John Steinbeck for example wrote every novel as if it were his last as if death were imminent Why are some books successful and appreciated while others fall into oblivion The answers are often elusive never absolute but the stories and anecdotes are always fascinating Contemporary Authors New Revision Series Pamela Dear, 2001-06 In response to the escalating need for up to date information on writers Contemporary Authors New Revision Series brings researchers the most recent data on the world's most popular authors These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries For your convenience a soft cover cumulative index is sent biannually While Gale strives to replicate print content some content may not be available due to rights restrictions Call your Sales Rep for details **Faint Praise** Gail Pool, 2007-07-06 Pool's behind the scenes look at the institution of book reviewing analyzes how it works and why it often fails describes how editors choose books for review and assign them to reviewers examines the additional roles played by publishers authors and readers and contrasts traditional reviewing with newer alternative book coverage Provided by publisher **The New York Times Book Review**, 1990 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback *New Theatre Quarterly 75: Volume 19, Part 3* Simon Trussler, Clive Barker, 2003-12-15 Provides an international forum where theatrical scholarship and practice can meet *The Publishers Weekly*, 1987 **The Most Beautiful Man in Existence** Lisa Rosner, 2013-04-06 1833 Catherine Jane Hamilton returned from India to Edinburgh to seek a divorce from her husband the physician Alexander Lesassier The charge was adultery and proof for it lay in a trunk containing her husband's personal papers Catherine won her suit without difficulty and the trunk was deposited in the library of the Royal College of Physicians of Edinburgh Alexander Lesassier died in 1839 during the First Afghan War his trunk and its contents remained untouched for the next century and a half It has now been opened and

a remarkable tale told in remarkable detail has spilled forth The life of Alexander Lesassier as expertly reconstructed by Lisa Rosner affords startling insight into the sensibilities of an era and of the man who in his own eyes and those of the women who adored him was its most perfect creation Affable and self absorbed engaging and ignoble Lesassier was a physician military surgeon and novelist who was also a shameless opportunist charming scoundrel seducer and survivor His is the story of a failed medical man who wanted to be something different and saw himself as entitled to more than he had someone who can always be guaranteed to make the wrong choice and then protest that he has done well This fascinating and deeply absorbing book offers rare insights into Georgian Regency and early Victorian Britain through the fortunes and misfortunes hopes and whims of the most beautiful man in existence **The Publishers Weekly** ,1873 **A Short History of Europe, 1600-1815**

Lisa Rosner,John Theibault,2015-03-26 A concise survey that introduces readers to the people ideas and conflicts in European history from the Thirty Years War to the Napoleonic Era The authors draw on gender studies environmental history anthropology and cultural history to frame the essential argument of the work [International Book Publishing: An Encyclopedia](#)

Casanova Was A Book Lover John Maxwell Hamilton,2000-04-01 Everyone knows which books people buy they can just look at the best seller lists But who knows which books people steal Who for that matter knows that authors ruin the book

market by writing too much Or why book critics are not critical Or why librarians need to throw out more books Who indeed knows the answer to that all important question in our democracy should presidents and presidential candidates write books The answer is no In this irreverent analysis of the book industry John Maxwell Hamilton a longtime journalist and public radio commentator answers these questions and many more proving that the best way to study books is not to take them too seriously He provides a rich history of the book from the days when monks laboriously hand copied texts to the tidal wave of Titanic tie ins and gives a succinct overview of the state of the industry today including writing marketing promoting reviewing ghostwriting and collecting Throughout Hamilton peppers his prose with spicy tidbits of information that will fascinate bibliophiles everywhere For instance did you know that Walt Whitman was fired from a government job because his boss found *Leaves of Grass* and its author immoral Or that the most stolen book in the United States is the Bible followed by *The Joy of Sex* How about that Dan Quayle s 1989 Christmas card read May our nation continue to be a beakon of hope to the world Or that Casanova was an ardent lover of books as well as women Hamilton offers an inside look at the history and business of book reviewing explaining why more often than not reviewers resemble counselors at a self esteem camp and examining the enormous impact of the Oprah effect on the market As the self appointed Emily Post of the book world he advises publishers authors and readers on proper etiquette for everything from book parties Feel free to build a party around a theme in a book no matter how tacky and jacket photos You should not show off your new baby unless your book is about raising kids to book signings Just because an author has given you an autograph does not mean they want to become your pen pal and promotion by friends and relatives They should carry the book at all times on public transportation with the cover showing Both edifying and enjoyable *Casanova Was a Book Lover* fills a Grand Canyon sized void in the literature on literature It is indispensable for book enthusiasts who want to know the naked truth about reading writing and publishing
