

The Rough-Face Girl

RAFE MARTIN ◀ DAVID SHANNON

Rough Face Girl

Doris Seale, Beverly Slapin

Rough Face Girl:

The Rough-Face Girl Rafe Martin, 1998-04-13 From Algonquin Indian folklore comes a powerful haunting rendition of Cinderella In a village by the shores of Lake Ontario lived an invisible being All the young women wanted to marry him because he was rich powerful and supposedly very handsome But to marry the invisible being the women had to prove to his sister that they had seen him And none had been able to get past the sister's stern all knowing gaze Then came the Rough Face girl scarred from working by the fire Could she succeed where her beautiful cruel sisters had failed [Rough-Face Girl](#) Joanna Korba, 2006 Perform this Native American Cinderella tale [Rough-Face Girl, the Red Swan](#) Brett Kelly, 2010 Will any of the girls in the village be able to see the glorious Invisible One What difficult tasks must Deep Voice complete in order to find the mysterious Red Swan Read these stories to find out *Rough-Face Girl* Rafe Martin, 1992-01 In this Algonquin Indian version of the Cinderella story the Rough Face Girl and her two beautiful but heartless sisters compete for the affections of the Invisible Being *Rough-face Girl* Amanda Jenkins, Joanna Korba, Judy Nayer, Katherine Scaper, 2010

The Rough-Face Girl Rafe Martin, 1998 In this Algonquin Indian version of the Cinderella story the Rough Face Girl and her two beautiful but heartless sisters compete for the affections of the Invisible Being *A Broken Flute* Doris Seale, Beverly Slapin, 2006-12-21 The Winona dilemma Lois Beardslee No word for goodbye Mary Tall Mountain About the contributors **The Rough-face Girl** Rafe Martin, David Shannon, Howard Schroeder, 1991 Rough Face Girl an Algonquin Indian Cinderella remains one of the most magical mysterious and beautiful of all Cinderellas **Storytime** Lawrence R. Sipe, 2008 Presents a comprehensive theoretically grounded model of children's understanding of picture storybooks the first to focus specifically on young children Relevant to contemporary young children from a wide variety of ethnic racial and socioeconomic backgrounds this dynamic volume includes a wealth of examples of children's responses to literature and how teachers scaffold their interpretation of stories The highest recommendation I can make is that I learned so much You will too From the Foreword by P David Pearson University of California Berkeley The single most important book on this topic since Applebee's *The Child's Concept of Story* it is also a pleasure to read Lee Galda University of Minnesota Sipe provides a comprehensive theory of literary understanding specific to contemporary young children's interactions with picture books Storytime is grounded in well documented research and in depth knowledge of literary theory and enlivened by insightful commentary Glenna Sloan Professor Emerita Queens College of the City University of New York As a working illustrator who spends most days drawing or painting or dreaming about children's picturebooks I sometimes wonder Is there really any point to all of this In this book Larry Sipe shows me clearly wittily and thoroughly that there is Chris Raschka Caldecott Medal winning children's book author and illustrator Those of us who work with children picturebooks and teachers could have no more insightful guide to their interactions than Larry Sipe himself Nancy L Roser University of Texas Austin

Teaching for Deep Comprehension Linda J. Dorn, Carla Soffos, 2005 Discusses reading comprehension and offers ways

for teachers to develop it in their students exploring the cognitive and social aspects of comprehension while viewing it as an active process

Cultural Journeys Pamela S. Gates, Dianne L. Hall Mark, 2010-08-16 As multicultural education is becoming integral to the core curriculum teachers often implement this aspect into their courses through literature. However, standards and criteria to teach and promote active discussion about this literature are sparse. *Cultural Journeys* introduces pre-service and experienced teachers to the use of literature to promote active discussions that lead students to think about racial diversity. More than just an annotated list of books for children, Pamela S. Gates and Dianne L. Hall Mark provide systematic guidelines that teachers can use throughout their careers to evaluate multicultural literature for students in grades K-8. At the same time, the text leads the reader to a deeper understanding of how to use multicultural literature throughout the entire curriculum and not just during specially designated months or time periods. With the example unit plans and extensive annotated bibliography, this book is a valuable resource that pre-service teachers will utilize when they begin teaching and in-service teachers will reference repeatedly during their planning periods.

Native North Americans in Literature for Youth Alice Crosetto, Rajinder Garcha, 2013-09-12 Native North Americans have rich and diverse cultures and traditions. However, many misconceptions, prejudices, and stereotypes exist due to the lack of understanding and ignorance of these cultures. It is important that children and adolescents learn about and appreciate the invaluable contributions that North American Native groups have made to American society. Equally important is the availability of resources that accurately and objectively portray the historical events that occurred when European settlers displaced thousands of Native North Americans from their ancestral homelands. In *Native North Americans in Literature for Youth*, Alice Crosetto and Rajinder Garcha identify hundreds of appropriate and quality resources, including books, Internet sites, and media titles for K-12 students and educators. Entries are subdivided into chapters covering geographic regions, history, religions, social life, customs, and traditions, nations, oral tradition, biographies, and fiction. Additionally, there are chapters for general reference, resources, curricular resources for educators, media, and Internet sites. Annotations provide complete bibliographical descriptions of the entries, and each entry is identified with the grade level for which it is best suited. Reviews, awards, series, and URLs for supplemental online resources are also included. Anyone, especially students, teachers, librarians, and parents, interested in locating useful and accurate resources regarding Native North Americans will find this reference book a helpful and essential tool.

Cinderella, Or, It's Ok to be Different Cynthia Mercati, 1994

Integrating Multiple Literacies in K-8 Classrooms Janet C. Richards, Michael C. McKenna, 2003-05-14 This book focuses on pre-service teachers' experiences in trying to implement multiple ways of knowing curriculum. It aims to integrate multiple literacies in K-8 classrooms by weaving music, dance, visual arts, popular culture, media, and computer technology with reading and writing lessons.

Ready-to-tell Tales Bill Mooney, 1994 A multicultural collection of traditional tales contributed by more than forty of America's most experienced storytellers with tips for telling the stories
