Rough Treatment A Charlie Resnick Mystery:

Rough Treatment John Harvey, 1991 **Rough Treatment** John Harvey, 2012-02-14 A willing victim complicates a case for Detective Charlie Resnick one of the most fully realized characters in modern crime fiction Sue Grafton Maria Roy is in the tub musing on her hatred for her movie producer husband when Grabianski and Grice break into her house Though she is fearful at first something about Jerry Grabianski's confidence calms her down Over tall glasses of Scotch she directs them to her valuables jewelry bonds her wedding tape even doing them the favor of unlocking her husband's safe There Grabianski finds a surprise a kilo of cocaine He leaves with the drugs the valuables and a piece of Maria's heart This is not the story she tells to police inspector Charlie Resnick but Maria's confusion makes the disheveled detective doubt her account of the robbery As he combs Nottingham for the burglars Maria and Jerry's love affair charges ahead She is about to learn that not even love can keep crime from turning bloody *Last Rites* John Harvey, 2012-02-14 A Northern England cop tries to track down an escaped convict One of the finest police procedural series around Publishers Weekly It has been thirteen years since Michael Preston killed his father and now his mother is dead too Halfway through his twenty four year sentence Michael is a docile prisoner whom the warden doesn't mind letting out for an afternoon to pay his respects Michael goes to the funeral under armed guard and when the time comes to return to jail he gives them the slip Police inspector Charlie Resnick's city is under siege by drugs gang warfare and unhinged murderers As blood flows in the streets of Nottingham the rumpled detective attempts to hold his department together while his personal life comes unhinged An escaped killer and an ever rising crime wave are trouble enough but Resnick has problems at home that may prove impossible to solve **Still Water** John Harvey, 2012-02-14 A British police investigator looks into the murder of an abused woman More than a crime novel a tapestry of intrigue and moral quandary San Francisco Chronicle For Charlie Resnick the night they found the body in the water was the night that Milt Jackson came to town Resnick is a jazz fiend and considers Jackson a contemporary of Miles Davis and Thelonious Monk one of the all time greats He has just sat down for the concert when the call comes in about the body Gravely disappointed the police inspector tears across town to run the crime scene He finds the body of a young woman who shows signs of blunt force trauma and a recently terminated pregnancy Attempts to identify the girl and to link her to three other bodies recently found in canals are futile The case goes nowhere but Resnick always remembers the night he missed Milt Jackson When another woman disappears Resnick reopens the case and finds that few places hold darker secrets than the black waters of the Nottingham canals *Cold Light* John Harvey, 2012-02-14 A Christmas kidnapping puts British detective Charlie Resnick in the hot seat *Cold Light* is just about flawless The Washington Post Book World Working at the Nottingham public housing authority is miserable but Nancy Phelan knows that the tenants she services are worse off than her Consider Gary James whose family Nancy recently assigned to a new council flat He's got two children no work and no heat As Christmas approaches and his children shiver he vents his rage at Nancy After a two

hour wait he smashes a chair to get her attention then locks them both in her office Police inspector Charlie Resnick breaks down the door before he has a chance to hurt her But hours later at the office Christmas party Nancy disappears Although Gary James is the logical suspect when the kidnapper starts sending the police department tapes Resnick fears that the New Year may herald a psychopath Cutting Edge John Harvey,2012-02-14 The brooding British detective returns in this moody revenge tragedy Harvey creates characters of astonishing psychological diversity The New York Times Book Review Karen Archer understands that women who date doctors should expect tardiness The last time she invited Tim Fletcher over he arrived from the emergency room exhausted and barely had time to say hello before he passed out on her bed Tonight her patience has run out After a bottle of wine and too much television she gives up on Fletcher and leaves the house to find her own fun but instead she finds Fletcher covered in blood sprawled across the steps near her building Karen runs to find the police not sure if Fletcher is alive or dead Despite his blood loss Fletcher survives Soon the attacker comes for other members of the hospital staff and police inspector Charlie Resnick must race to find him before the slasher graduates from assault to murder **Rough Treatment** John Harvey,1991 Harold Roy races against time to find the thieves responsible for a break in at his home and to recover the missing kilo of cocaine stolen from his house before its owner discovers that the drugs are missing **100 Most Popular Contemporary Mystery Authors** Bernard A.
