Routine Ideals:

End-of-Life Care and Pragmatic Decision Making D. Micah Hester, 2010 This book provides a pragmatic philosophical framework based on a radically empirical attitude toward life and death **Routine Dynamics** Christian A.

Mahringer, Brian T. Pentland, Birgit Renzl, Kathrin Sele, Paul Spee, 2024-07-22 Exploring the power of routines in navigating our increasingly complex world this volume argues that routines are as much engines of change as they are of stability and that organizations are in a position to benefit from both *Routines: How to Create the Ultimate Daily Routine for More Energy (The Essential Guide To Creating Your Personal Morning Routine That Will Actually Work)* Francisco Bloss, 101-01-01 You can increase your mobility regain your strength and balance and lose weight no matter how impossible that seems right now The secret is to choose the right exercises and understand your body and its capabilities well enough to know how to use them to maximum effect and this comprehensive guide designed specifically for seniors will show you how Inside the book The secret to creating the ultimate morning routine so you can have your best day every day hint it has 3 parts How to get more done with an ultra efficient work routine plus the ultimate work routine for squeezing every last drop of potential out of your work hours How to renew your energy throughout the day with an energy ritual for all day energy and productivity plus how to schedule tasks according to your energy levels Why having cold showers every morning can leave you feeling more energized happy and productive The secret to waking up feeling energized hint it has nothing to do with how long you sleep for You re about to discover how to start your morning with a routine similar to the morning routines of some of the most successful people on earth This book promises to train you and give you an insight into why most successful people are successful based on what they do after waking up in the morning So sit back and enjoy a fun educating and motivational time with this book to improve your life and set you on the right path to success in life William James, Moral Philosophy, and the Ethical Life Jacob L. Goodson, 2017-12-20 Virtue theory natural law deontology utilitarianism existentialism these are the basic moral theories taught in Ethics History of Philosophy and Introduction to Philosophy courses throughout the United States When the American philosopher William James 1842 1910 find his way into these conversations there is uncertainty about where his thinking fits While utilitarianism has become the default position for teaching James s pragmatism and radical empiricism this default position fails to address and explain James s multiple criticisms of John Stuart Mill s formulaic approach to questions concerning the moral life Through close readings of James s writings the chapters in William James Moral Philosophy and the Ethical Life catalogue the ways in which James wants to avoid the following a the hierarchies of Christian natural law theory b the moral calculus of Mill s utilitarianism c the absolutism and principle ism of Immanuel Kant s deontology and d the staticity of the virtues found in Aristotle s moral theory Elaborating upon and clarifying James s differences from these dominant moral theories is a crucial feature of this collection This collection is not however intended to be wholly negative that is only describing to readers what James s moral theory is not It seeks to articulate the positive

features of James's ethics and moral reasoning what does it mean to an ethical life and how should we theorize about morality

Jsl Vol 18-N3 JOURNAL OF SCHOOL LEADERSHIP,2009-09-16 The Journal of School Leadership is broadening the conversation about schools and leadership and is currently accepting manuscripts We welcome manuscripts based on cutting edge research from a wide variety of theoretical perspectives and methodological orientations The editorial team is particularly interested in working with international authors authors from traditionally marginalized populations and in work that is relevant to practitioners around the world Growing numbers of educators and professors look to the six bimonthly issues to deal with problems directly related to contemporary school leadership practice teach courses on school leadership and policy use as a quality reference in writing articles about school leadership and improvement
