Royal Representations Queen Victoria And British Culture 1837 1876:

Royal Representations Margaret Homans, 1999-02-02 Queen Victoria was one of the most complex cultural productions of her age In *Royal Representations* Margaret Homans investigates the meanings Victoria held for her times Victoria's own contributions to Victorian writing and art and the cultural mechanisms through which her influence was felt Arguing that being seeming and appearing were crucial to Victoria's rule Homans explores the variability of Victoria's agency and of its representations using a wide array of literary historical and visual sources Along the way she shows how Victoria provided a deeply equivocal model for women's powers in and out of marriage how Victoria's dramatic public withdrawal after Albert's death helped to ease the monarchy's transition to an entirely symbolic role and how Victoria's literary self representations influenced debates over political self representation Homans considers versions of Victoria in the work of Elizabeth Barrett Browning George Eliot John Ruskin Margaret Oliphant Lewis Carroll Alfred Lord Tennyson and Julia Margaret Cameron

History of Everyday Life in Scotland, 1800 to 1900 Graeme Morton, 2010-08-31 This volume explores the experience of everyday life in Scotland over two centuries characterised by political religious and intellectual change and ferment It shows how the extraordinary impinged on the ordinary and reveals people's anxieties joys comforts passions hopes and fears It also aims to provide a measure of how the impact of change varied from place to place The authors draw on a wide range of primary and secondary sources including the material survivals of daily life in town and country and on the history of government religion ideas painting literature and architecture As B S Gregory has put it everyday history is an endeavour that seeks to identify and integrate everything all relevant material social political and cultural data that permits the fullest possible reconstruction of ordinary life experiences in all their varied complexity as they are formed and transformed

Reconsidering Catholic Lay Womanhood Kathryn G. Lamontagne, 2023-07-26 This book offers a new perspective on the often overlooked lives of lay women in the English Roman Catholic Church It explores how over a century ago in England some exceptional Catholic lay women Margaret Fletcher Maude Petre Radclyffe Hall and Mabel Batten negotiated non traditional family lives and were actively practicing their faith while not adhering to perceived structures of femininity power and sexuality Focusing on c 1880 1930 a time of dynamism and change in both England and the Church these remarkable women represent a rethinking of what it meant to be a lay woman in the English Roman Catholic Church Their pious transgressions demonstrate the multiplicity of ways lay women powerfully asserted aspects of their faith while contravening boundaries traditionally assumed for them in an ostensibly patriarchal religion In fact the Church could be a place for expressions of unconventional religiosity and reinterpretations of womanhood and domesticity Connecting together the lives of these women for the first time this work fills a lacuna in the scholarship of modern Catholic and gender history Drawing from private collections and numerous archives it illustrates the surprising range of modes of Lived Catholicism and devotion to faith Students and scholars of Catholicism gender and LGBTQIA studies will find significant merit in a book that assigns

lay women a more prominent role in the English Catholic Church and offers examples of the flexibility of Roman Catholicism

Anti-Catholicism and Nineteenth-Century Fiction Susan M. Griffin, 2004-07-29 Griffin analyses anti Catholic fiction written between the 1830s and the turn of the century in both Britain and America *Time, Space, and Gender in the Nineteenth-Century British Diary* R. Steinitz, 2011-10-24 Through close examinations of diaries diary publication and diaries in fiction this book explores how the diary s construction of time and space made it an invaluable and effective vehicle for the dominant discourses of the period it also explains how the genre evolved into the feminine emotive private form we continue to privilege today

The politics of regicide in England, 1760-1850 Steve Poole, 2018-09-30 Reappraises the often complex relationship between British monarchs and some of their more troublesome subjects in the age of revolutions Casts new light upon the contested languages of constitutionalism contract theory and the rights of petition and provokes fresh controversy over the viability of monarchies in the modern world *Australia's Empire* Deryck Marshall Schreuder, Stuart Ward, 2008-02-07 Australia s Empire is the first collaborative evaluation of Australia s imperial experience in more than a generation Bringing together political cultural and aboriginal understandings of the past it argues that the legacies of empire continue to influence the fabric of modern Australian society

Diana, A Cultural History J. Davies, 2001-06-11 This book intervenes in debates over the significance of Diana Princess of Wales by offering a critical account of her media iconicity from 1981 to the present It outlines the historical development of representations of Diana analysing the ways in which the Princess has been understood via discourses of gender sexuality race economic class the royal national identity and the human The book then goes on to assess the issues at stake in debates over the meaning of Diana such as the gender politics of cultural icon making and deconstruction and conflicting notions of cultural value *The Selected Works of Margaret Oliphant, Part II Volume 7* Trev Lynn Broughton, 2024-05-31 Margaret Oliphant 1828-97 had a prolific literary career that spanned almost fifty years She wrote some 98 novels fifty or more short stories twenty five works of non fiction including biographies and historic guides to European cities and more than three hundred periodical articles This is the most ambitious critical edition of her work *South Seas Encounters* Richard Fulton, Peter Hoffenberg, Stephen Hancock, Allison Paynter, 2018-08-06 South Seas Encounters examines several key types of encounters between the many faceted worlds of Oceania Britain and the United States in the formative nineteenth century The eleven essays collected in this volume focus not only on the effect of the two powerful industrialized colonial powers on the cultures of the Pacific but the effect of those cultures on the Western cultural perceptions of themselves and the wider world including understanding encounters and exchanges in ways which do not underemphasize the agency and consequences for all participating parties The essays also provide insights into the causes unfolding and consequences for both sides of a series of significant ethnographic political cultural scientific educational and social encounters This volume makes a significant contribution to increasing scholarly interest in Oceania s place in British and American nineteenth century cultural experiences South Seas Encounters

investigates these significant interactions and how they changed the ways that Oceanic British and American cultures reflected on themselves and their place in the wider world

The English Constitution Ian Ward, 2004-07-30 The English Constitution addresses two burning contemporary and complementary questions one regarding the so called English question the changing identities of England and English ness and a second regarding the changing shape of the Anglo British constitution It is suggested that there are both internal and external pressures that are driving the reformation of our constitutional order There are internal pressures of decay even corruption and popular apathy and there are external pressures brought to bear by the geopolitical challenges of the new world order and the new Europe The present project of constitutional reform inaugurated by the present government is supposed to reflect these pressures This book challenges this assumption arguing that a far more radical re constitution is required involving deeper institutional reforms the most pressing being the abrogation of monarchy and the established Church geopolitical reforms to recast the devolutionary settlement and redefine English regionalism and perhaps most importantly conceptual reform reform that will embrace the need to rebalance the constitution and to promote greater accountability and democracy It is intended that the book will provide a stimulating text for both academics and students advancing a series of original ideas on a subject of considerable contemporary interest Along the way it discusses most of the major topics institutions and debates which are ordinarily addressed in public law courses and equivalents in non law disciplines

The Works of Elizabeth Barrett Browning Vol 2 Sandra Donaldson, Rita Patteson, Marjorie Stone, Beverly Taylor, Simon Avery, Cynthia Burgess, Clara Drummond, Barbara Neri, 2024-12-15 A canonical Victorian writer and thinker Barrett Browning personified the engaged intellectual This edition provides a foundation for a complete analysis and interpretation of her works and of Victorian Britain The edition presents accurate and accessible texts of all her published literary works

Public Images Ryan Linkof, 2020-08-12 The stolen snapshot is a staple of the modern tabloid press as ubiquitous as it is notorious The first in depth history of British tabloid photojournalism this book explores the origin of the unauthorised celebrity photograph in the early 20th century tracing its rise in the 1900s through to the first legal trial concerning the right to privacy from photographers shortly after the Second World War Packed with case studies from the glamorous to the infamous the book argues that the candid snap was a tabloid innovation that drew its power from Britain s unique class tensions Used by papers such as the Daily Mirror and Daily Sketch as a vehicle of mass communication this new form of image played an important and often overlooked role in constructing the idea of the press photographer as a documentary eyewitness From Edward VIII and Wallis Simpson to aristocratic debutantes Lady Diana Cooper and Margaret Whigham the rage of the social elite at being pictured so intimately without permission was matched only by the fascination of working class readers while the

relationship of the British press to social economic and political power was changed forever Initially pioneered in the metropole tabloid style photojournalism soon penetrated the journalistic culture of most of the globe This in depth account of its social and cultural history is an invaluable source of new research for historians of photography journalism visual culture media and celebrity studies

X Marks the Spot Megan A. Norcia,2010-03-30 During the nineteenth century geography primers shaped the worldviews of Britain s ruling classes and laid the foundation for an increasingly globalized world Written by middle class women who mapped the world that they had neither funds nor freedom to traverse the primers employed rhetorical tropes such as the Family of Man or discussions of food and customs in order to plot other cultures along an imperial hierarchy Cross disciplinary in nature X Marks the Spot is an analysis of previously unknown material that examines the interplay between gender imperial duty and pedagogy Megan A Norcia offers an alternative map for traversing the landscape of nineteenth century female history by reintroducing the

primers into the dominant historical record This is the first full length study of the genre as a distinct tradition of writing produced on the fringes of professional geographic discourse before the high imperial period **Fashioning Intellectual Property** Megan Richardson, Julian Thomas, 2012-01-19 Examines the relationships between intellectual property law international exhibitions advertising practices and the press during the long nineteenth century
