Deep Dark Royal Shades Oswald Eakins, Scandals are nothing new to the royal family of the United Kingdom From abdication crisis heart breaking love stories infidelity and libelous affairs with married men to topless photos of the royals gracing the covers of popular tabloids bribery charges sexual assault allegations late night phone calls tax havens and tell all interviews the royals have had it all When the youngest couple Prince Harry and Megan Markle the Duke and Duchess of Sussex gave a tell all interview with Oprah Winfrey it turned into a firestorm The

Harry Meghan interview was riven with accusations of racism Many criticized her accusing Meghan of washing her dirty linen in public while many others came in warm support for her This was not the first time the Queen handled a mess that her extended family often created The Queen has scrupulously strived to maintain the royal family s pristine image The abdication crisis of 1936 had rocked the very foundations of the UK royal family when Edward VIII relinquished his throne and all royal status to marry the love of his life Wallis Simpson Their story of a king renouncing his kingship to wed the love of his life is all lovey dovey but it had long standing repercussions and it derailed an entire line of succession So much is at stake that the rigidity of royal life is not completely unfounded or without a purpose **Royalty Revealed** Unity Hall,Ingrid Seward,1989 Here is a chance to peek behind the scenes of the royal show Take a fascinating trip inside the palace walls and into the secret world of not only Her Majesty the Queen but of those whose remarkable lives revolve around her 16 pages of color photographs **Royal Fever** Cele C. Otnes,Pauline Maclaran,2015-10-19 No monarchy has proved more captivating than that of the British Royal Family Across the globe an estimated 2 4 billion people watched the wedding of Prince William and Catherine Middleton on television In contemporary global consumer culture why is the British monarchy still so compelling Rooted in fieldwork conducted from 2005 to 2014 this book explores how and why consumers around the world leverage a wide range of products services and experiences to satisfy their fascination with the British Royal Family brand It demonstrates the monarchy s power as a brand whose narrative has existed for more than a thousand years one that shapes consumer behavior and that retains its economic and cultural significance in the twenty first century The authors explore the myriad ways consumer culture and the Royal Family intersect across collectors commemorative objects fashion historic sites media products Royal brands and tourist experiences Taking a case study approach the book examines both producer and consumer perspectives Specific chapters illustrate how those responsible for orchestrating experiences related to the British monarchy engage the public by creating compelling consumer experiences Others reveal how and why people devote their time effort and money to Royal consumption from a woman who boasts a collection of over 10 000 pieces of British Royal Family trinkets to a retired American stockbroker who spends three months each year in England hunting for rare and expensive memorabilia Royal Fever highlights the important role the Royal Family continues to play in many people s lives and its ongoing contribution as a pillar of iconic British culture
